4°. 9 in. 8 pp. Coloured paper wrapper.

* * The date "1849" is an error for "1840," as stamps are included in the list from the latter date. The catalogue has columns ruled off for the insertion of prices, which, however, were not always added. The work is a reprint, in different form, of Zechiesche and Koder's list of 1862, with a few additions, and the old error in the date "1849" for "1840" is repeated. An illustration of the first page of the work is given in the "Journal of the Philatelic Literature Society" of January, 1909. Wanting.
