 Vol. XII. Jan. 20-Dec. 20, 1878. Nos. 145-156.

- * Vols. I-vii. are quarto and vols. VIII-XII are octavo. The numbers of vol. I. differ from the "special edition" of this volume in being printed on white paper and also by the fact that no. 1 is a reprint with a note to this effect at the foot of page 8, the two new paragraphs replacing a description of some "Canadian Essays" in the original special edition on yellow paper. The reprint was made in May, 1868, and there is no original no. 1 on white paper. Nos. 9 and 10, 11 and 12, 87 and 88 and 95 and 96 were severally published together under the respective dates "November, 1868," "December, 1868," "August 1 & 15, 1873" and "December 1 & 15, 1873". Each number excepting no. 1 and nos. 79-96 has a paper wrapper, and each volume, excepting vol. VI., has a title- and an index. Vols. II-XII were published by J. W. Scott and Co. The numbers of vol. VI. were issued weekly and those of vol. VII. fortnightly. There is an extra number consisting of two pages called "No. 27," dated "March 25, 1870," and a supplement of two pages to no. 57, which is only found in the American edition of this number. Vol. III. has a frontispiece with coloured illustrations of the United States stamps of 1870. Vol. V. was published at 46 Leadenhall Street, London, E.C., as well as in New York. The wrappers used for the former edition had the subscription prices given in English money, many of the advertisements upon them differ from those of the American edition and there are four pages of additional advertisements in each of the nos. 50, 55 and 57, which are not found in the latter edition. The wrappers and advertisements of the English edition were printed by Pardon and Son, London, but the contents were printed in New York and correspond exactly with the New York edition. Nos. 52-60 are stated on the wrappers of both editions to be edited by Alfred Turner, but this is believed to have been a pseudonym for J. W. Scott. On the wrappers of nos. 55-60 of both editions the title reads "The American journal of philately and the stamp collectors' journal"; no doubt referring to an amalgamation with the "Stamp collectors' journal and philatelic opinion" of London. Page 24 of no. 9 has "April 1" in error for "May 1," page 70 of nos. 9 and 10 has "October 1" in error for "November 1," page 84 of nos. 11 and 12 has "November 1" in error for "December 1," page 116 of no. 22 has "Sept. 30" in error for "Oct. 20," page 44 and 50 of no. 28 have "Mar. 30" in error for "April 30," page 89 of no. 32 has "1870" in error for "1870," page 9, 11 and 18 of no. 37 have "1870" in error for "1871," page 29 of no. 39 has "April" in error for "1871," page 42 of no. 40 in some copies, has "April" in error for "April 30," page 44 of no. 40, in some copies, has "April 6" in error for "April 20," pages 117 and 118 of no. 46 in some copies, are printed instead of the wrapper of no. 99 has in error "98," pages 55, 56, 63 and 64 of no. 112 have "March 30" in error for "April 20," page 60 of no. 123 has "March 30" in error for "April 20," page 106 of no. 127 has "June 20" in error for "July 30," and pages 5 and 7 of no. 145 have "1876" in error for "1878". There is a supplement to no. 44 "1870" in error for volume (8 pp.) of an auction sale of stamps to be held by Geo. A. Leavitt and Co. on October 9th, 1871, the pages of which bear the heading "Supplement—American journal of philately." This catalogue is bound up in the volume lettered "Stamp auctions 1". Other catalogues of auction sales of stamps by the same firm were presented with nos. 131, 143, 146, 148 and 150 and the pages of each of these are headed "The American journal of philately."
