The particulars given in the Catalogue of the dates of the numbers appear, therefore, to be inaccurate.

[Continued as:]

— *News. Webster City, Ia.*, 1898. The title of the journal should have the article "The" preceding it; etc., should be added after the name of the publisher and the year date should read: 1898-99. Add size: 6 1/2" x 4 1/2 in. Delete: "3" before "nos." and "March- [?] 1895, Nos. 3-5". Add to note: The only numbers I have seen are vol. III, nos. 2, 3, 4, 5. No. 5 is dated "February, 1899" and there is a number 4 dated "April, 1898," presumably an error for no. 6 and the date April, 1899. These two numbers are 32" x 4 1/2 inches. No. 5 was published by Iowa Publishing Company and no. 4 by M. Green, and the former contains no philatelic matter.

**NATIONAL PHILATELIST.** *Mt. Pleasant, Ia.*, 1879. Add to note: There are two editions of nos. 3-6, one as described, while the other, and no doubt the earlier one, bears "Num. 6" only and has the date "October, 1879".

**NATIONAL PHILATELIST.** *New York*, 1883. Add to note: The wrapper of no. 7 is dated in error "August" instead of July. Some copies have a label bearing "July" pasted over "August," while others have "August" cancelled and overprinted "July" in red ink. No. 12 should have a paper wrapper.

**NEDERLANDSCH TIJDSCHRIFT VOOR POSTZEGELKUNDE.** *Amsterdam*, 1884. Add to note: The double number of "Aug.-Sept., 1897" has "Nieuwe Reeks, No. 23-24" in error for No. 24-25 and the mistake was never subsequently corrected.
