

**STAMP COLLECTOR'S FIGARO.**

Masooth Jr. at Hanover Centre, Indiana. Nos. 1-16, and the two numbers of vol. v, measure about 9 inches and the remaining numbers about 8 1/2 inches. There is a title-page, a front-piece, and an index to vol. I, a coloured paper wrapper to each number, excepting no. 19, vol. III., a portrait of Patrick Chalmers to no. 16 and supplemental title to nos. 3, 5 and 18. No. 19 is dated "March, 1888," but the wrapper bears "February, 1888," no. 19, vol. IV., has in error "Vol. I," except on the wrapper and no. 24 is wrongly numbered "26," except in the wrapper. There are two varieties of the wrapper of no. 27. One is numbered and dated like no. 20-30, while the other is the wrapper of no. 26 with the original numbering and date overprinted with foliate ornamentation and "Volume IV., July 1890, Number 27" printed in a straight line at the top of the wrapper. No. 19, vol. III., is said not to have been issued to the public.
