8^r. 82 in. 29 pp. + (1) p. Coloured paper wrapper.

* This and the following lists by the same author are amongst the most useful works of reference on philatelic journals published in English, as they are so compiled that the collector can cross off each individual part as he obtains it, and sees at once exactly what he has and what he has not got. The lists are all arranged on the same principle, i.e. the titles of the journals are grouped under their proper letters of the alphabet, but in each case in chronological order.

— Supplement to the comprehensive check list of philatelic papers and magazines, consisting of two parts. Part one: A list of all known omissions and corrections of all known errors in the original work. Part two: A list of all known United States and Canadian philatelic papers and magazines issued from 1 January, 1895, to 1 January, 1897. . . . *Sioux City, Iowa, 1897.*

* Reprinted from *The Philatelic Inter-Cosm*, Waterloo, Iowa, Vols. vi-viii., November, 1903-January, 1905, with the title changed from "English Colonies" to "British Colonies".

— Jones' Check list of philatelic journals, Great Britain and Colonies. A chronological, alphabetically arranged list of all known philatelic journals of Great Britain and Colonies, from the earliest issued down to the end of the year 1904. Giving name, publisher, place, dates of volumes, with numbers of the issues to each volume. Issued in two parts: the first being the Kingdom of Great Britain, and part two that of the British Colonies. . . . *Sioux City, Iowa, 1907.*

8^r. 82 in. 44 pp. Coloured paper wrapper.

* The edition was limited to 100 numbered copies. The work consists of the first separately published edition of the author's check list of Great British philatelic journals, and the second edition of his check list of the philatelic journals of the British Colonies. The lists were reprinted from *The Philatelic Inter-Cosm*, Waterloo, Iowa, Vols. viii-x., January, 1903-February, 1907.

8^r. 82 in.

* The review only gives a list of journals, and these are arranged by their titles under six headings:—"American, British, British-American, French, German, Danish".

KÖNIG (L.) Ueber Philatelistische Literatur (mit Vorlagen). In "Stenographischer Bericht über den XVII. Deutschen Philatelistenag und den IX. Bundestag des Bundes Deutscher und Oesterreichischer Philatelisten-Vereine in Regensburg vom 21-24 Juli 1905" . . . *Regensburg, 1905.*

8^r. 9 in. pp. 36-37.

* This Report was presented as a supplement to the number of *Vertrauensliches Korrespondenz-Blatt philatelistischer Vereine* for November, 1905. The article of Herr König was reprinted in *Der Philatelist*, Dresden, Vol. xxvii., November 1905, and also in *Die Deutsche Briefmarken-Zeitung*, Leipzig, Vol. xvi. November and December, 1906. The article gives an excellent review of philatelic literature describing the various works published on catalogues, essays, reports, forgeries, watermarks, fiscal and local stamps: in account of the early handbooks and catalogues, and works on postcards and monographs on stamp issuing countries.

KRAMMANN (R.)—Bibliographie der wichtigsten Specialwerke über die Postwertzeichen einzelner Länder. . . . *Stockholm, Svenska Philatelist-Förning, 1907.*

8^r. 83 in.

* The works are arranged under the name of the author, or under that of the publisher when no author's name appears, in alphabetical order without regard to the language or country of origin. This is undoubtedly the simplest and best method for reference purposes, but the usefulness of the catalogue is impaired by its being broken up into no less than five divisions, under the heading:—"Première Période (1861-1900).—Supplément Omissions (1861-1900).—Supplément et Omissions (1901-1908)."
