Morris, Gouverneur-To Secretary of State; the power of the Committees of			,
"Salut Public," and "Sureté General," operating by revolutionary tri-			
bunals upon public terror, - The general state of France, -		, May 6, '	407
American politics; weakness of the former confederation; treaties with Eu-	1794,	, May 31.	407
ropean Powers should be few in number, and made with caution; the effect			
of adopting the principle, free ships free goods; whether the temporary en-			
joyment of the neutral carrying trade would promote the real shipping inte-			
rest of the United States; an American marine, not conventions, the best			
protection; European coalition of neutral Powers,	1794,	, May 31.	408
To Mr. Jefferson; his reply to Mr. Hammond; success of the French arms;			
probable effect on Mr. Jay's mission; Great Britain; in France an abun-			ν.
dant harvest; the army must soon cease to be controlled by the Committee of Public Safety; power and property at war; permanent Government; the			
result of their union; Beaumarchais' claim,	1794.	July 23,	410
To M. Buchot, Minister of Exterior Relations, concerning the advance by	,	, early wey	1.0
France to the United States, constituting Beaumarchais' claim, -	1794,	June 21,	411
To Secretary of State; the resources of France still hold out; Spain to be			
invaded,	1794,	, Septembe	er 18, 411
To G. Washington; tenders acknowledgments for his continued esteem; as-			
signs the reason which had rendered his recall desirable; the situation un- pleasant, if not perilous; character of those with whom he had business to			
transact; grossly insulted, but obliged, from policy, to pursue a conciliatory			
conduct; Mr. Monroe's arrival; probable success of his efforts; his hopes			
predicated only on Mr. Jay's treaty; motives for remaining in Europe dur-			
ing the winter months; dismemberment of France abandoned; causes which			
favor the restoration of monarchy; public feeling yet suppressed by a des-			
potism extending to words and actions; why power has not before been			
concentrated into the hands of one,	1794,	December	30, 412
