excepting only the Islands hereinafter mentioned shall be restored without delay and without causing any destruction or carrying away any of the Artillery or other public property originally captured in the said forts or places and which shall remain therein upon the Exchange of the Ratifications of this Treaty or any Slaves<sup>3</sup> or other private property. And all Archives, Records, Deeds and Papers either of a public nature or belonging to private persons, which in the course of the War may have fallen into the hands of the officers of either party, shall be as far as may be practicable forthwith restored and delivered to the proper authorities and persons to whom they respectively belong. Such of the Islands in the Bay of Passamaquoddy as are claimed by both parties shall remain in the possession of the party in whose occupation they may be at the time of the Exchange of the Ratifications of this Treaty until the decision respecting the title to the said Islands shall have been made in conformity with the fourth Article of this Treaty. No disposition made by this Treaty as to such possession of the Islands and territories claimed by both parties shall in any manner whatever be construed to affect the right of either.

#### ARTICLE THE SECOND

Immediately after the ratifications of this Treaty by both parties as hereinafter mentioned, orders shall be sent to the Armies, Squadrons, Officers, Subjects and Citizens of the two Powers to cease from all hostilities: and to prevent all causes of complaint which might arise on account of the prizes which may be taken at Sea after the said ratifications of this Treaty, it is reciprocally agreed that all vessels and effects which may be taken after the space of twelve days from the said Ratifications upon all parts of the Coast of North America from the Latitude of Twenty three degrees North to the Latitude of Fifty degrees North and as far eastward in the Atlantic Ocean as the Thirty sixth degree of West Longitude from the Meridian of Greenwich shall be restored on each side:—that the time shall be thirty days in all other parts of the Atlantic Ocean North of the Equinoctial line or Equator:—and the same time for the British and Irish Channels, for the Gulf of Mexico, and all parts of the West Indies:—forty days for the North Seas, for the Baltic, and for all parts of the Mediterranean:—sixty days for the Atlantic Ocean South of the Equator, as far as the Latitude of the Cape of Good Hope:—ninety days for every other part of the World South of the Equator and one hundred and twenty days for all other parts of the World without exception.

engage to discharge in specie the advances which may have been made by the other for the sustenance and maintenance of such prisoners.

#### ARTICLE THE FOURTH

Whereas it was stipulated by the second Article in the Treaty of peace of One thousand seven hundred and eighty three<sup>4</sup> between His Britannic Majesty and the United States of America that the Boundary of the United States should comprehend all Islands within Twenty Leagues of any part of the Shores of the United States and lying between lines to be drawn due East from the points where the aforesaid boundaries between Nova Scotia on the one part and East Florida on the other shall respectively touch the Bay of Fundy and the Atlantic Ocean, excepting such Islands as now are, or heretofore have been, within the limits of Nova Scotia, and whereas the several Islands in the Bay of Passamaquoddy, which is part of the Bay of Fundy, and the Island of Grand Menan in the said Bay of Fundy, are claimed by the United States as being comprehended within their aforesaid Boundaries, which said Islands are claimed as belonging to His Britannic Majesty as having been at the time of, and previous to, the aforesaid Treaty of one Thousand seven hundred and eighty three within the limits of the Province of Nova Scotia: In order therefore finally to decide upon these claims it is agreed that they shall be referred to two Commissioners to be appointed in the following manner viz: One Commissioner shall be appointed by His Britannic Majesty, and one by the President of the United States by and with the advice and consent of the Senate thereof and the said two Commissioners so appointed shall be sworn impartially to examine and decide upon the said claims according to such evidence as shall be laid before them on the part of His Britannic Majesty and of the United States respectively. The said Commissioners shall meet at S<sup>t</sup> Andrews in the Province of New Brunswick and shall have power to adjourn to such other place or places as they shall think fit. The said Commissioners shall by a declaration or report under their hands and seals decide to which of the two Contracting Parties the several Islands aforesaid do respectively belong in conformity with the true intent of the said Treaty of Peace of one thousand seven hundred and eighty three. And if the said Commissioners shall agree in their decision both parties shall consider such decision as final and conclusive.<sup>5</sup> It is further agreed that in event of the Two Commissioners differing upon all or any of the matters so referred to them, or in the event of both or either of the said Commissioners refusing or declining or wilfully omitting to act as such they shall make jointly or separately a report or reports as well to the Government of His Britannic Majesty as to that of the United States stating in detail the points on which they differ, and the grounds upon which their respective

opinions have been formed, or the grounds upon which they or either of them have so refused, declined or omitted to act. And His Britannic Majesty and the Government of the United States hereby agree to refer the report or reports of the said Commissioners to some friendly Sovereign or State to be then named for that purpose, and who shall be requested to decide on the differences which may be stated in the said report or reports or upon the report of one Commissioner together with the grounds upon which the other Commissioner shall have refused, declined or omitted to act as the case may be. And if the Commissioner so refusing, declining or omitting to act shall also wilfully omit to state the grounds upon which he has so done in such manner that the said statement may be referred to such friendly Sovereign or State together with the report of such other Commissioner then such Sovereign or State shall decide *ex parte* upon the said report alone. And His Britannic Majesty and the Government of the United States engage to consider the decision of such friendly sovereign or state to be final and conclusive on all the matters so referred.

#### ARTICLE THE FIFTH

Whereas neither that point of the Highlands lying due North from the source of the River S<sup>t</sup> Croix and designated in the former Treaty of Peace between the two Powers as the North West Angle of Nova Scotia, nor the North Westernmost head of Connecticut River has yet been ascertained; and whereas that part of the boundary line between the Dominions of the Two Powers which extends from the source of the River S<sup>t</sup> Croix directly North to the abovementioned North West Angle of Nova Scotia, thence along the said Highlands which divide those Rivers that empty themselves into the River S<sup>t</sup> Lawrence from those which fall into the Atlantic Ocean to the North Westernmost head of Connecticut River, thence down along the middle of that River to the forty fifth degree of North Latitude, thence by a line due west on said Latitude until it strikes the River Iroquois or Cataraquy, has not yet been surveyed: it is agreed that for these several purposes two Commissioners shall be appointed, sworn, and authorized to act exactly in the manner directed with respect to those mentioned in the next preceding Article unless otherwise specified in the present Article: The said Commissioners shall meet at S<sup>t</sup> Andrews in the Province of New Brunswick and shall have power to adjourn to such other place or places as they shall think fit. The said Commissioners shall have power to ascertain and determine the points abovementioned in conformity with the provisions of the said Treaty of peace of one thousand seven hundred and eighty three and shall cause the boundary aforesaid from the source of the river S<sup>t</sup> Croix to the River Iroquois or Cataraquy to be surveyed and marked according to the said provisions. The said Commissioners shall make a map of the said boundary and annex to it a declaration under their hands and seals certifying it to be the true Map of the said Boundary, and particularizing the latitude

and longitude of the North West Angle of Nova Scotia, of the North Westernmost head of Connecticut River, and of such other points of the said boundary as they may deem proper. And both parties agree to consider such map and declaration as finally and conclusively fixing the said Boundary. And in the event of the said two Commissioners differing, or both, or either of them refusing, declining or wilfully omitting to act, such reports, declarations or statements shall be made by them or either of them, and such reference to a friendly Sovereign or State shall be made in all respects as in the latter part of the fourth Article is contained and in as full a manner as if the same was herein repeated.

#### ARTICLE THE SIXTH

Whereas by the former Treaty of Peace that portion of the boundary of the United States from the point where the forty fifth degree of North Latitude strikes the River Iroquois or Cataraguay to the Lake Superior was declared to be "along the middle of said River into Lake Ontario, through the middle of said Lake until it strikes the communication by water between that Lake and Lake Erie thence along the middle of said communication into Lake Erie through the middle of said Lake until it arrives at the water communication into the Lake Huron; thence through the middle of said lake to the water communication between that lake and Lake Superior:" and whereas doubts have arisen what was the middle of the said River, Lakes and water communications and whether certain Islands lying in the same were within the dominions of His Britannic Majesty or of the United States: In order therefore finally to decide these doubts, they shall be referred to two Commissioners to be appointed, sworn and authorized to act exactly in the manner directed with respect to those mentioned in the next preceding Article unless otherwise specified in this present Article. The said Commissioners shall meet in the first instance at Albany in the State of New York and shall have power to adjourn to such other place or places as they shall think fit. The said Commissioners shall by a report or declaration under their hands and seals designate the boundary through the said river, lakes, and water communications and decide to which of the two Contracting Parties the several Islands lying within the said Rivers, Lakes and water communications do respectively belong in conformity with the true intent of the said Treaty of one thousand seven hundred eighty three. And both parties agree to consider such designation and decision as final and conclusive.<sup>6</sup> And in the event of the said two Commissioners differing or both or either of them refusing, declining or wilfully omitting to act such reports, declarations or statements shall be made by them or either of them, and such reference to a friendly sovereign or State shall be made in all respects as in the latter part of the Fourth Article is contained and in as full a manner as if the same was herein repeated.

## ARTICLE THE SEVENTH

It is further agreed that the said two last mentioned Commissioners after they shall have executed the duties assigned to them in the preceding Article, shall be and they are hereby authorized upon their oaths impartially to fix and determine according to the true intent of the said Treaty of Peace of one thousand seven hundred and eighty three, that part of the boundary between the dominions of the two Powers, which extends from the water communication between Lake Huron and Lake Superior to the most North Western point of the Lake of the Woods;—to decide to which of the two Parties the several Islands lying in the Lakes, water communications, and Rivers forming the said boundary do respectively belong in conformity with the true intent of the said Treaty of Peace of one thousand seven hundred and eighty three and to cause such parts of the said boundary as require it to be surveyed and marked. The said Commissioners shall by a report or declaration under their hands and seals designate the boundary aforesaid, state their decision on the points thus referred to them, and particularize the Latitude and Longitude of the most North Western point of the Lake of the Woods, and of such other parts of the said boundary as they may deem proper. And both parties agree to consider such designation and decision as final and conclusive. And in the event of the said two Commissioners differing or both or either of them refusing, declining or wilfully omitting to act such reports, declarations or statements shall be made by them or either of them and such reference to a friendly Sovereign or State shall be made in all respects as in the latter part of the fourth Article is contained and in as full a manner as if the same was herein repeated.

## ARTICLE THE EIGHTH

The several boards of two Commissioners mentioned in the four preceding Articles shall respectively have power to appoint a Secretary, and to employ such surveyors or other persons as they shall judge necessary. Duplicates of all their respective reports, declarations, statements and decisions, and of their accounts, and of the Journal of their proceedings shall be delivered by them to the Agents of His Britannic Majesty and to the Agents of the United States who may be respectively appointed and authorized to manage the business on behalf of their respective governments. The said Commissioners shall be respectively paid in such manner as shall be agreed between the two contracting parties, such agreement being to be settled at the time of the Exchange of the Ratifications of this Treaty.<sup>7</sup> And all other expenses attending the said Commissions shall be defrayed equally by the two parties. And in the case of death, sickness, resignation or necessary absence the place of every such Commis-

<sup>7</sup> The certificate of exchange of ratifications embodied an agreement "to arrange the payment of the Commissioners . . . on the same principles as were observed in carrying into Execution the Treaty of one thousand seven hundred and ninety four [TS 105, *ante*, p. 13] . . . that is, the expense to be equally borne by the two Governments . . ."

sioner respectively shall be supplied in the same manner as such Commissioner was first appointed, and the new Commissioner shall take the same oath or affirmation, and do the same duties. It is further agreed between the two Contracting Parties that in case any of the Islands mentioned in any of the preceding Articles, which were in the possession of one of the parties prior to the commencement of the present War between the two Countries should by the decision of any of the boards of Commissioners aforesaid, or of the Sovereign or State so referred to as in the four next preceding Articles contained fall within the dominions of the other party, all grants of Land made previous to the commencement of the War by the party having had such possession shall be as valid as if such Island or Islands had by such decision or decisions been adjudged to be within the dominions of the party having had such possession.

#### ARTICLE THE NINTH

The United States of America engage to put an end immediately after the ratification of the present Treaty to hostilities with all the Tribes or Nations of Indians with whom they may be at war at the time of such ratification and forthwith to restore to such Tribes or Nations respectively all the possessions, rights and privileges which they may have enjoyed or been entitled to in one thousand eight hundred and eleven previous to such hostilities. Provided always that such Tribes or Nations shall agree to desist from all hostilities against the United States of America, their Citizens and Subjects, upon the ratification of the present Treaty being notified to such Tribes or Nations, and shall so desist accordingly. And His Britannic Majesty engages on his part to put an end immediately after the ratification of the present Treaty to hostilities with all the Tribes or Nations of Indians with whom He may be at War at the time of such Ratification, and forthwith to restore to such Tribes or Nations respectively all the possessions, rights and privileges which they may have enjoyed or been entitled to in one thousand eight hundred and eleven previous to such hostilities. Provided always that such Tribes or Nations shall agree to desist from all hostilities against His Britannic Majesty and His Subjects upon the ratification of the present Treaty being notified to such Tribes or Nations, and shall so desist accordingly.

#### ARTICLE THE TENTH

Whereas the traffic in Slaves is irreconcilable with the principles of humanity and Justice and whereas both His Majesty and the United States are desirous of continuing their efforts to promote its entire abolition, it is hereby agreed that both the contracting parties shall use their best endeavours to accomplish so desirable an object.
