But should a majority of the votes cast be for "Proposition rejected," it shall be deemed and held that the people of Kansas do not desire admission into the Union with said constitution under the conditions set forth in said proposition: and in that event the people of said Territory are hereby authorized and empowered to form for themselves a constitution and State government, by the name of the State of Kansas, according to the Federal Constitution, and may elect delegates for that purpose whenever, and not before, it is ascertained by a census duly and legally taken that the population of said Territory equals or exceeds the ratio of representation
