CHAP. CLXXXIV. — *An Act to reduce Internal Taxation and to amend an Act entitled "An Act to provide Internal Revenue to support the Government, to pay Interest on the Public Debt, and for other Purposes," approved June thirtieth, eighteen hundred and sixty-four, and Acts amendatory thereof.*

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That on and after the first day of August, eighteen hundred and sixty-six, in lieu of the taxes on unmanufactured cotton, as provided in "An act to provide internal revenue to support the government, to pay interest on the public debt, and for other purposes," approved June thirtieth, eighteen hundred and sixty-four, as amended by the act of March third, eighteen hundred and sixty-five, there shall be paid by the producer, owner, or holder, upon all cotton produced within the United States, and upon which no tax has been levied, paid, or collected, a tax of three cents per pound, as hereinafter provided; and the weight of such cotton shall be ascertained by deducting four per centum for tare from the gross weight of each bale or package; and such tax shall be and remain a lien thereon, in the possession of any person whomsoever from the time when this law takes effect, or such cotton is produced as aforesaid, until the same shall have been paid; and no drawback shall, in any case, be allowed on raw or unmanufactured cotton of any tax paid thereon when exported in the raw or unmanufactured condition. But no tax shall be imposed upon any cotton imported from other countries, and on which an import duty shall have been paid.

SEC. 2. *And be it further enacted*, That the aforesaid tax upon cotton shall be levied by the assessor on the producer, owner, or holder thereof. And said tax shall be paid to the collector of internal revenue within and for the collection district in which said cotton shall have been produced, and before the same shall have been removed therefrom, except where otherwise provided in this act; and every collector to whom any tax upon cotton shall be paid shall mark the bales or other packages upon which the tax shall have been paid, in such manner as may clearly indicate the payment thereof, and shall give to the owner or other person having charge of such cotton a permit for the removal of the same, stating therein the amount and payment of the tax, the time and place of payment, and the weight and marks upon the bales and packages, so that the same may be fully identified; and it shall be the duty of every such collector to keep clear and sufficient records of all such cotton inspected or marked, and of all marks and identifications thereof, and of all permits for the removal of the same, and of all his transactions relating thereto, and he shall make full returns thereof, monthly, to the commissioner of internal revenue.

SEC. 3. *And be it further enacted*, That the commissioner of internal revenue is hereby authorized to designate one or more places in each collection district where an assessor or an assistant assessor and a collector or deputy collector shall be located, and where cotton may be brought for the purpose of being weighed and appropriately marked: *Provided*, That it shall be the duty of the assessor or assistant assessor and the collector or deputy collector to assess and cause to be properly marked the cotton, wherever it may be, in said district, provided their necessary travelling expenses to and from said designated place, for that purpose, be paid by the owners thereof.

SEC. 4. *And be it further enacted*, That all cotton having been weighed and marked as herein provided, and for which permits shall have been duly obtained of the assessor, may be removed from the district in which it has been produced to any one other district, without prepayment of the tax due thereon, upon the execution of such transportation bonds or other security, and in accordance with such regulations as shall be prescribed by the commissioner of internal revenue, subject to the approval of the Secretary of the Treasury. The said cotton so removed shall be

delivered to the collector of internal revenue or his deputy forthwith upon its arrival at its point of destination, and shall remain subject to his control until the taxes thereon, and any necessary charges of custody thereof, shall have been paid, but nothing herein contained shall authorize any delay of the payment of said taxes for more than ninety days from the date of the permits; and when cotton shall have been weighed and marked for which a permit shall have been granted without prepayment of the tax, it shall be the duty of the assessor granting such permit to give immediate notice of such permit to the collector of internal revenue for the district to which said cotton is to be transported, and he shall also transmit therewith a statement of the taxes due thereon, and of the bonds or other securities for the payment thereof, and he shall make full returns and statements of the same to the commissioner of internal revenue.

Cotton to be delivered to collector on arrival and kept until tax is paid, which must be in ninety days.

Assessor to notify collector of permits granted when tax is not paid, &c.

SEC. 5. *And be it further enacted*, That it shall be unlawful, from and after the first day of September, eighteen hundred and sixty-six, for the owner, master, supercargo, agent, or other person having charge of any vessel, or for any railroad company, or other transportation company, or for any common carrier, or other person, to convey, or attempt to convey, or transport any cotton, the growth or produce of the United States, from any point in the district in which it shall have been produced, unless each bale or package thereof shall have attached to or accompanying it the proper marks or evidence of the payment of the revenue tax and a permit of the collector for such removal, or the permit of the assessor, as hereinbefore provided, under regulations of the commissioner of internal revenue, subject to the approval of the Secretary of the Treasury, or to convey or transport any cotton from any State in which cotton is produced to any port or place in the United States without a certificate from the collector of internal revenue of the district from which it was brought, and such other evidence as the commissioner of internal revenue, subject to the approval of the Secretary of the Treasury, may prescribe, that the tax has been paid thereon, or the permit of the assessor as hereinbefore provided, and such certificate and evidence as aforesaid shall be furnished to the collector of the district to which it is transported, and his permit obtained before landing, discharging, or delivering such cotton at the place to which it is transported as aforesaid. And any person or persons who shall violate the provisions of this act in this respect, or who shall convey or attempt to convey from any State in which cotton is produced to any port or place without the United States any cotton upon which the tax has not been paid, shall be liable to a penalty of one hundred dollars for each bale of cotton so conveyed or transported, or attempted to be conveyed or transported, or to imprisonment for not more than one year, or both; and all vessels and vehicles employed in such conveyance or transportation shall be liable to seizure and forfeiture, by proceedings in any court of the United States having competent jurisdiction. And all cotton so shipped or attempted to be shipped or transported without payment of the tax, or the execution of such transportation bonds or other security, as provided in this act, shall be forfeited to the United States, and the proceeds thereof distributed according to the statute in like cases provided.

SEC. 8. *And be it further enacted*, That the provisions of the act of June thirty, eighteen hundred and sixty-four, as amended by the act of March third, eighteen hundred and sixty-five, relating to the assessment of taxes and enforcing the collection of the same, and all proceedings and remedies relating thereto, shall apply to the assessment and collection of the tax, fines, and penalties imposed by, and not inconsistent with, the provi-

It shall be the duty of the assessor or assistant assessor of the district within which such person shall have taxable property to enter into and upon the premises, if it be necessary, of such person so refusing or neglecting, or rendering a false or fraudulent list or return, and to make, according to the best information which he can obtain, including that derived from the evidence elicited by the examination of the assessor, and on his own view and information, such list or return, according to the form prescribed, of the property, goods, wares, and merchandise, and all articles or objects liable to tax, owned or possessed or under the care or management of such person, and assess the tax thereon, including the amount, if any, due for special or income tax; and in case of the return of a false or fraudulent list or valuation, he shall add one hundred per centum to such tax; and in case of a refusal or neglect, except in cases of sickness or absence, to make a list or return, or to verify the same as aforesaid, he shall add fifty per centum to such tax; and in case of neglect occasioned by sickness or absence as aforesaid, the assessor may allow such further time for making and delivering such list or return as he may judge necessary, not exceeding thirty days; and the amount so added to the tax shall, in all cases, be collected by the collector at the same time and in the same manner as the tax; and the list or return so made and subscribed by such assessor or assistant assessor shall be taken and reputed as good and sufficient for all legal purposes.

That section nineteen be amended by striking out all after the enacting clause, and inserting in lieu thereof the following: That the assessor for each collection district shall give notice by advertisement in one newspaper published in each county within said district, and if there be none published in the district, then in a newspaper published in a collection district adjoining thereto, and shall post notices in at least four public places within each assessment district, and shall mail a copy of such notice to each postmaster in his district, to be posted in his office, stating the time and place within said collection district when and where appeals will

be received and determined relative to any erroneous or excessive valuations, assessments, or enumerations by the assessor or assistant assessor returned in the annual list, and such notice shall be advertised and posted by the assessor and mailed as aforesaid at least ten days before the time appointed for hearing said appeals. And it shall be the duty of the assessor for each collection district, at the time fixed for hearing such appeals as aforesaid, to submit the proceedings of the assessor and assistant assessor, and the annual lists taken and returned as aforesaid, to the inspection of any and all persons who may apply for that purpose. And such assessor is hereby authorized at any time to hear and determine in a summary way, according to law and right, upon any and all appeals which may be exhibited against the proceedings of the said assessor or assistant assessors, and the office or principal place of business of the said assessor shall be open during the business hours of each day for the hearing of appeals by parties who shall appear voluntarily before him: *Provided*, That no appeal shall be allowed to any party after he shall have been duly assessed, and the annual list containing the assessment has been transmitted to the collector of the district. And all appeals to the assessor as aforesaid shall be made in writing, and shall specify the particular cause, matter, or thing respecting which a decision is requested, and shall, moreover, state the ground or principle of error complained of. And the assessor shall have power to re-examine and determine upon the assessments and valuations, and rectify the same as shall appear just and equitable; but such valuation, assessment, or enumeration shall not be increased without a previous notice of at least five days to the party interested to appear and object to the same if he judge proper, which notice shall be in writing and left at the dwelling-house, office, or place of business of the party by such assessor, assistant assessor, or other person, or sent by mail to the nearest or usual post office address of said party: *Provided further*, That on the hearing of appeals it shall be lawful for the assessor to require by summons the attendance of witnesses and the production of books of account in the same manner and under the same penalties as are provided in cases of refusal or neglect to furnish lists or returns. The costs for the attendance and mileage of said witnesses shall be taxed by the assessor and paid by the delinquent parties, or by the disbursing agent for the district, on certificate of the assessor, at the rates allowed to witnesses in the district courts of the United States.

That section twenty be amended by striking out all after the enacting clause and inserting in lieu thereof the following: That the assessor of each collection district shall, immediately after the expiration of the time for hearing appeals concerning taxes returned in the annual list, and from time to time, as taxes become liable to be assessed, make out lists containing the sums payable according to law upon every subject of taxation for each collection district; which list shall contain the name of each person residing within the said district, or owning or having the care or superintendence of property lying within the said district, or engaged in any business or pursuit which is liable to any tax, when such person or persons are known, together with the sums payable by each; and where there is any property within any collection district liable to tax, not owned or occupied by or under the superintendence of any person resident therein, there shall be a separate list of such property, specifying the sum payable, and the names of the respective proprietors when known. And the assessor making out any such separate list shall transmit to the assessor of the district where the persons liable to pay such tax reside, or shall have their principal place of business, copies of the list of property held by persons so liable to pay such tax, to the end that the taxes assessed under the provisions of this act may be paid within the collection district where the persons liable to pay the same reside, or may have their principal place of business. And in all other cases the said assessor shall

furnish to the collectors of the several collection districts, respectively, within ten days after the time of hearing appeals concerning taxes returned in the annual list, and from time to time thereafter as required, a certified copy of such list or lists for their proper collection districts. And in case it shall be ascertained that the annual list, or any other list, which may have been, or which shall hereafter be, delivered to any collector, is imperfect or incomplete in consequence of the omission of the names of any persons or parties liable to tax, or in consequence of any omission, or understatement, or undervaluation, or false or fraudulent statement contained in any return or returns made by any persons or parties liable to tax, the said assessor may, from time to time, or at any time within fifteen months from the time of the passage of this act or from the time of the delivery of the list to the collector as aforesaid, enter on any monthly or special list the names of such persons or parties so omitted, together with the amount of tax for which they may have been or shall become liable, and also the names of the persons or parties in respect to whose returns, as aforesaid, there has been or shall be any omission, undervaluation, understatement, or false or fraudulent statement, together with the amounts for which such persons or parties may be liable, over and above the amount for which they may have been, or shall be, assessed upon any return or returns made as aforesaid, and shall certify or return said list to the collector as required by law. And all provisions of law for the ascertainment of liability to any tax, or the assessment or collection thereof, shall be held to apply, as far as may be necessary to the proceedings herein authorized and directed. That section twenty-two be amended by striking out all after the enacting clause and inserting in lieu thereof the following: That there shall be allowed and paid to the several assessors a salary of fifteen hundred dollars per annum, payable quarterly; and, in addition thereto, where the receipts of the collection district shall exceed the sum of one hundred thousand dollars, and shall not exceed the sum of four hundred thousand dollars annually, one half of one per centum upon the excess of receipts over one hundred thousand dollars. Where the receipts of a collection district shall exceed four hundred thousand dollars, and shall not exceed six hundred thousand, one fifth of one per centum upon the excess of receipts over four hundred thousand dollars. Where the receipts shall exceed six hundred thousand dollars, one tenth of one per centum upon such excess; but the salary of no assessor shall in any case exceed the sum of four thousand dollars. And the several assessors shall be allowed and paid the sums actually and necessarily expended, with the approval of the commissioner of internal revenue, for office rent; but no account of such rent shall be allowed or paid until it shall have been verified in such manner as the commissioner shall require, and shall have been audited and approved by the proper officers of the Treasury Department. And the several assessors shall be paid, after the account thereof shall have been rendered to and approved by the proper officers of the treasury, their necessary and reasonable charges for clerk-hire; but no such account shall be approved unless it shall state the name or names of the clerk or clerks employed, and the precise periods of time for which they were respectively employed, and the rate of compensation agreed upon, and shall be accompanied by an affidavit of the assessor stating that such service

was actually required by the necessities of his office, and was actually rendered, and also by the affidavit of each clerk, stating that he has rendered the service charged in such account on his behalf, the compensation agreed upon, and that he has not paid, deposited or assigned, or contracted to pay, deposit, or assign any part of such compensation to the use of any other person, or in any way, directly or indirectly, paid or given, or contracted to pay or give, any reward or compensation for his office or employment, or the emoluments thereof; and the chief clerk of any such assessor is hereby authorized to administer, in the absence of the assessor, such oaths or affirmations as are required by this act. And there shall be allowed and paid to each assistant assessor four dollars for every day actually employed in collecting lists and making valuations, the number of days necessary for that purpose to be certified by the assessor, and three dollars for every hundred persons asse[sse]d contained in the tax list, as completed and delivered by him to the assessor, and twenty-five cents for each permit granted for making tobacco, snuff, or cigars; and assistant assessors may be allowed, in the settlement of their accounts, such sum as the commissioner of internal revenue shall approve, not exceeding three hundred dollars per annum, for office rent; but no account for such rent shall be allowed or paid until it shall have been verified in such manner as the commissioner of internal revenue may require, and shall have been audited and approved by the proper officers of the Treasury Department; and assistant assessors, when employed outside of the town in which they reside, in addition to the compensation now allowed by law, shall, during such time so employed, receive one dollar per day; and the said assessors and assistant assessors, respectively, shall be paid, after the account thereof shall have been rendered to and approved by the proper officers of the treasury, their necessary and reasonable charges for stationery and blank books used in the discharge of their duties, and for postage actually paid on letters and documents received and sent, and relating exclusively to official business, and for money actually paid for publishing notices required by this act: *Provided*, That no such account shall be approved unless it shall state the date and the particular item of every such expenditure, and shall be verified by the oath or affirmation of such assessor or assistant assessor; and the compensation herein specified shall be in full for all expenses not otherwise particularly authorized: *Provided further*, That the commissioner of internal revenue may, under such regulations as may be established by the Secretary of the Treasury, after due public notice, receive bids and make contracts for supplying stationery, blank books, and blanks to the assessors, assistant assessors, and collectors in the several collection districts: *Provided further*, That the Secretary of the Treasury shall be, and he is hereby, authorized to fix such additional rates of compensation to be made to assessors and assistant assessors in cases where a collection district embraces more than a single congressional district, and to assessors and assistant assessors, revenue agents, and inspectors in Louisiana, Georgia, South Carolina, Alabama, Florida, Texas, Arkansas, North Carolina, Mississippi, Tennessee, California, Nevada, and Oregon, and the Territories, as may appear to him to be just and equitable, in consequence of the greater cost of living and travelling in those States and Territories, and as may, in his judgment, be necessary to secure the services of competent officers; but the compensation thus allowed shall not exceed the rate of five thousand dollars per annum. Collectors of internal revenue acting as disbursing officers shall be allowed all bills of assistant assessors heretofore paid by them in pursuance of the directions of the commissioner of internal revenue, notwithstanding the assistant assessor did not certify to hours therein, or that two dollars per diem was deducted from his salary or compensation before computation of the tax thereon.

That section twenty-six be amended by striking out all after the enacting clause and inserting in lieu thereof the following: That in the adjustment of the accounts of assessors and collectors of internal revenue which shall accrue after the thirtieth of June, eighteen hundred and sixty-four, and in the payment of their compensation for services after that date, the fiscal year of the treasury shall be observed; and where such compensation, or any part of it, shall be by commissions upon assessments or collections, and shall during any year, in consequence of a new appointment, be due to more than one assessor or collector in the same district, such commissions shall be apportioned between such assessors or collectors; but in no case shall a greater amount of the commissions be allowed to two or more assessors or collectors in the same district than is or may be authorized by law to be allowed to one assessor or collector. And the salary and commissions of assessors and collectors heretofore earned and accrued shall be adjusted, allowed, and paid in conformity to the provisions of this section, and not otherwise; but no payment shall be made to assessors or collectors on account of salaries or commissions without the certificate of the commissioner of internal revenue that all reports required by law or regulation have been received, or that a satisfactory explanation has been rendered to him of the cause of the delay.

That section twenty-eight be amended by striking out all after the enacting clause, and inserting in lieu thereof the following: That each of said collectors shall, within twenty days after receiving his annual collection list from the assessors, give notice, by advertisement in one newspaper published in each county in his collection district if there be any, and if not, then in a newspaper published in an adjoining county, and by notifications to be posted in at least four public places in each county in his collection district, that the said taxes have become due and payable, and state the time and place within said county at which he or his deputy will attend to receive the same, which time shall not be less than ten days after the date of such notification, and shall send a copy of such notice by mail to each postmaster in the county, to be posted in his office. And if any person shall neglect to pay, as aforesaid, for more than ten days, it shall be the duty of the collector or his deputy to issue to such person a notice, to be left at his dwelling or usual place of business, or be sent by mail, demanding the payment of said taxes, stating the amount thereof with a fee of twenty cents for the issuing and service of such notice, and with four cents for each mile actually and necessarily travelled in serving the same. And if such persons shall not pay the duties or taxes, and the fee of twenty cents and mileage as aforesaid, within ten days after the service or the sending by mail of such notice, it shall be the duty of the collector or his deputy to collect the said taxes and fee of twenty cents and mileage, with a penalty of ten per centum additional upon the amount of taxes. And with respect to all such taxes as are not included in the annual lists aforesaid, all taxes the collection of which is not otherwise provided for in this act, it shall be the duty of each collector, in person or by deputy, to give notice and demand payment thereof, in the manner last mentioned, within ten days from and after receiving the list thereof from the assessor, or within twenty days from and after the expiration of the time within which such tax should have been paid; and if the annual

or other taxes shall not be paid within ten days from and after such notice and demand, it shall be lawful for such collector, or his deputies, to proceed to collect the said taxes, with ten per centum additional thereto, as aforesaid, by distraint and sale of the goods, chattels, or effects, including stocks, securities, and evidences of debt, of the persons delinquent as aforesaid. And in case of distraint, it shall be the duty of the officer charged with the collection to make, or cause to be made, an account of the goods or effects distrained, a copy of which, signed by the officer making such distraint, shall be left with the owner or possessor of such goods or effects, or at his or her dwelling or usual place of business, with some person of suitable age and discretion, if any such can be found, with a note of the sum demanded, and the time and place of sale; and the said officer shall forthwith cause a notification to be published in some newspaper within the county wherein said distraint is made, if there is a newspaper published in said county, or to be publicly posted at the post office, if there be one within five miles, nearest to the residence of the person whose property shall be distrained, and in not less than two other public places, which notice shall specify the articles distrained, and the time and place for the sale thereof, which time shall not be less than ten nor more than twenty days from the date of such notification to the owner or possessor of the property and the publication or posting of such notice as herein provided, and the place proposed for sale shall not be more than five miles distant from the place of making such distraint. And said sale may be adjourned from time to time by said officer, if he shall think it advisable to do so, but not for a time to exceed in all thirty days. And if any person, bank, association, company, or corporation, liable to pay any tax, shall neglect or refuse to pay the same after demand, the amount shall be a lien in favor of the United States from the time it was due until paid, with the interest, penalties, and costs that may accrue in addition thereto, upon all property and rights to property belonging to such person, bank, association, company, or corporation; and the collector, after demand, may levy, or by warrant may authorize a deputy collector to levy, upon all property and rights to property belonging to such person, bank, association, company, or corporation, or on which the said lien exists, for the payment of the sum due as aforesaid, with interest and penalty for non-payment, and also of such further sum as shall be sufficient for the fees, costs and expenses of such levy. And in all cases of sale, as aforesaid, the certificate of such sale shall transfer to the purchaser all right, title and interest of such delinquent in and to the property sold; and where such property shall consist of stocks, said certificate shall be notice, when received, to any corporation, company, or association of said transfer, and shall be authority to such corporation, company, or association to record the same on their books and records, in the same manner as if transferred or assigned by the person or party holding the same, in lieu of any original or prior certificates, which shall be void, whether cancelled or not. And said certificates, where the subject of sale shall be securities or other evidences of debt, shall be good and valid receipts to the person holding the same, as against any person holding, or claiming to hold, possession of such securities or other evidences of debt. And all persons, and officers of companies or corporations, are required, on demand of a collector or deputy collector about to distraint, or having distrained on any property or rights of property, to exhibit all books containing evidence or statements relating to the subject or subjects of distraint, or the property or rights of property liable to distraint for the tax so due as aforesaid: *Provided*, That in any case of distraint for the payment of the taxes aforesaid, the goods, chattels, or effects so distrained shall and may be restored to the owner or possessor, if, prior to the sale, payment of the amount due shall be made to the proper officer charged with the collection, together with the fees and other charges; but in case of non-payment as

aforesaid, the said officers shall proceed to sell the said goods, chattels, or effects at public auction, and shall retain from the proceeds of such sale the amount demandable for the use of the United States, and a commission of five per centum thereon for his own use, with the fees and charges for distraint and sale, rendering the overplus, if any there be, to the person who may be entitled to receive the same: *Provided further*, That there shall be exempt from distraint and sale, if belonging to the head of a family, the school-books and wearing apparel necessary for such family; also arms for personal use, one cow, two hogs, five sheep and the wool thereof, provided the aggregate market value of said sheep shall not exceed fifty dollars; the necessary food for such cow, hogs, and sheep for a period not exceeding thirty days; fuel to an amount not greater in value than twenty-five dollars; provisions to an amount not greater than fifty dollars; household furniture kept for use to an amount not greater than three hundred dollars; and the books, tools, or implements of a trade or profession to an amount not greater than one hundred dollars shall also be exempt; and the officer making the distraint shall summon three disinterested householders of the vicinity, who shall appraise and set apart to the owner the amount of property herein declared to be exempt.

That section twenty-nine be amended by striking out all after the enacting clause and inserting in lieu thereof the following: That in all cases where property liable to distraint for taxes may not be divisible, so as to enable the collector by a sale of part thereof to raise the whole amount of the tax, with all costs, charges, and commissions, the whole of such property shall be sold, and the surplus of the proceeds of the sale, after satisfying the tax, costs, and charges, shall be paid to the person legally entitled to receive the same; or if he cannot be found, or refuse to receive the same, then such surplus shall be deposited in the treasury of the United States, to be there held for the use of the person legally entitled to receive the same, until he shall make application therefor to the Secretary of the Treasury, who, upon such application and satisfactory proofs in support thereof, shall, by warrant on the treasury, cause the same to be paid to the applicant. And if any of the property advertised for sale as aforesaid is of a kind subject to tax, and such tax has not been paid, and the amount bid for such property is not equal to the amount of such tax, the collector may purchase the same in behalf of the United States for an amount not exceeding the said tax. And in all cases where property subject to tax, but upon which the tax has not been paid, shall be seized upon distraint and sold, the amount of such tax shall, after deducting the expenses of such sale, be first appropriated out of the proceeds thereof to the payment of said tax. And if no assessment of tax has been made upon such property, the collector shall make a return thereof in the form required by law, and the assessor shall assess the tax thereon. And all property so purchased may be sold by said collector, under such regulations as may be prescribed by the commissioner of internal revenue. And the collector shall render a distinct account of all charges incurred in the sale of such property to the commissioner of internal revenue, who shall by regulation determine the fees and charges to be allowed in all cases of distraint and other seizures; or where necessary expenses for making such distraint or seizure have been incurred, and in case of sale, the said collector shall pay into the treasury the surplus, if any there be, after defraying such fees and charges.

That section thirty be amended by striking out all after the enacting clause and inserting in lieu thereof the following: That in any case where goods, chattels, or effects sufficient to satisfy the taxes imposed by law upon any person liable to pay the same shall not be found by the collector or deputy collector whose duty it may be to collect the same, he is hereby authorized to collect the same by seizure and sale of real estate; and the officer making such seizure and sale shall give notice to the person whose

estate is proposed to be sold, by giving him in hand, or leaving at his last or usual place of abode, if he has any such within the collection district where said estate is situated, a notice, in writing, stating what particular estate is proposed to be sold, describing the same with reasonable certainty, and the time when and place where said officer proposes to sell the same; which time shall not be less than twenty nor more than forty days from the time of giving said notice. And the said officer shall also cause a notification to the same effect to be published in some newspaper within the county where such seizure is made, if any such there be, and shall also cause a like notice to be posted at the post office nearest to the estate to be seized, and in two other public places within the county; and the place of said sale shall not be more than five miles distant from the estate seized, except by special order of the commissioner of internal revenue. At the time and place appointed, the officer making such seizure shall proceed to sell the said estate at public auction, offering the same at a minimum price, including the expense of making such levy, and all charges for advertising and an officer's fee of ten dollars. And in case the real estate so seized, as aforesaid, shall consist of several distinct tracts or parcels, the officer making sale thereof shall offer each tract or parcel for sale separately, and shall, if he deem it advisable, apportion the expenses, charges, and fees, aforesaid, to such several tracts or parcels, or to any of them, in estimating the minimum price aforesaid. And if no person offers for said estate the amount of said minimum price, the officer shall declare the same to be purchased by him for the United States, and shall deposit with the district attorney of the United States a deed thereof, as hereinafter specified and provided; otherwise, the same shall be declared to be sold to the highest bidder. And said sale may be adjourned from time to time by said officer for not exceeding thirty days in all, if he shall think it advisable so to do. If the amount bid shall not be then and there paid, the officer shall forthwith proceed to again sell said estate in the same manner; and upon any sale and the payment of the purchase money shall give to the purchaser a certificate of purchase, which shall set forth the real estate purchased, for whose taxes the same was sold, the name of the purchaser and the price paid therefor; and if the said real estate be not redeemed in the manner and within the time hereinafter provided, then the said collector or deputy collector shall execute to the said purchaser, upon his surrender of said certificate, a deed of the real estate purchased by him as aforesaid, reciting the facts set forth in said certificate, and in accordance with the laws of the State in which such real estate is situate upon the subject of sales of real estate under execution, which said deed shall be prima facie evidence of the facts therein stated; and if the proceedings of the officer as set forth have been substantially in accordance with the provisions of law, shall be considered and operate as a conveyance of all the right, title, and interest the party delinquent had in and to the real estate thus sold at the time the lien of the United States attached thereto. Any person, whose estate may be proceeded against as aforesaid, shall have the right to pay the amount due, together with the costs and charges thereon, to the collector or deputy collector at any time prior to the sale thereof, and all further proceedings shall cease from the time of such payment. The owners of any real estate sold as aforesaid, their heirs, executors, or administrators, or any person having any interest therein, or a lien thereon, or any person in their behalf, shall be permitted to redeem the land sold as aforesaid, or any particular tract thereof, at any time within one year after the sale thereof, upon payment to the purchaser, or, in case he cannot be found in the county in which the land to be redeemed is situate, then to the collector of the district in which the land is situate, for the use of the purchaser, his heirs or assigns, the amount paid by the said purchaser and interest thereon at the rate of twenty per centum per annum. or deputy collector may, for the collection of taxes imposed upon any person or for which any person may be liable, and committed to him for collection, seize and sell the lands of such person situated in any other collection district within the State in which said officer resides; and his proceedings in relation thereto shall have the same effect as if the same were had in his proper collection district. And it shall be the duty of every collector to keep a record of all sales of land made in his collection district, whether by himself or his deputies, or by another collector, in which shall be set forth the tax for which any such sale was made, the dates of seizure and sale, the name of the party assessed, and all proceedings in making said sale, the amount of fees and expenses, the name of the purchaser, and the date of the deed; which record shall be certified by the officer making the sale. And it shall be the duty of any deputy making sale, as aforesaid, to return a statement of all his proceedings to the collector, and to certify the record thereof. And in case of the death or removal of the collector or the expiration of his term of office from any other cause, said record shall be delivered to his successor in office; and a copy of every such record, certified by the collector, shall be evidence in any court of the truth of the facts therein stated. And when any lands sold, as aforesaid, shall be redeemed as hereinbefore provided, the collector shall make an entry of the fact upon the record aforesaid, and the said entry shall be evidence of such redemption. And when any property, personal or real, seized and sold by virtue of the foregoing provisions, shall not be sufficient to satisfy the claim of the United States for which distraint or seizure may be made against any person whose property may be so seized and sold, the collector may, thereafter, and as often as the same may be necessary, proceed to seize and sell, in like manner, any other property liable to seizure of such person until the amount due from him, together with all expenses, shall be fully paid: *Provided*, That the word "county," wherever the same occurs in this act, or the acts of which this is amendatory, shall be construed to mean also a parish or any other equivalent subdivision of a State or Territory.

And all property taken or detained by any officer or other person under authority of any revenue law of the United States shall be irrepleviable, and shall be deemed to be in the custody of the law, and subject only to the orders and decrees of the courts of the United States having jurisdiction thereof. And if any person shall dispossess or rescue, or attempt to dispossess or rescue, any property so taken or detained as aforesaid, or shall aid or assist therein, such person shall be deemed guilty of a misdemeanor, and shall be liable to such punishment as is provided by the twenty-second section of the act for the punishment of certain crimes against the United States, approved the thirtieth day of April, anno Domini one thousand seven hundred and ninety, for the wilful obstruction or resistance of officers in the service of process.

SEC. 68. *And be it further enacted*, That the fiftieth section of an act passed June thirtieth, eighteen hundred and sixty-four, entitled "An act to provide internal revenue to support the government, to pay interest on the public debt, and for other purposes," is hereby repealed: *Provided*, That any case which may have been removed from the courts of any State under said fiftieth section to the courts of the United States shall be remanded to the State court from which it was so removed, with all the records relating to such cases, unless the justice of the circuit court of the United States in which such suit or prosecution is pending shall be of opinion that said case would be removable from the court of the State to the circuit court under and by virtue of the sixty-seventh section of this act. And in all cases which may have been removed from any court of any State under and by virtue of said fiftieth section of said act of June thirtieth, eighteen hundred and sixty-four, all attachments made, and all bail or other security given upon such suit or prosecution, shall be and continue in full force and effect until final judgment and execution, whether such suit shall be prosecuted to final judgment in the circuit court of the United States, or remanded to the State court from which it was removed.

SEC. 69. *And be it further enacted*, That whenever a writ of error shall be issued for the revision of any judgment or decree in any criminal proceeding where is drawn in question the construction of any statute of the United States, in a court of any State, as is provided in the twenty-

fifth section of an act entitled "An act to establish the judicial courts of the United States," passed September twenty-fourth, seventeen hundred and eighty-nine, the defendant, if charged with an offence bailable by the laws of such State, shall not be released from custody until a final judgment upon such writ, or until a bond, with sufficient sureties, in a reasonable sum, as ordered and approved by the State court, shall be given; and if the offence is not so bailable, until a final judgment upon the writ of error. Writs of error in criminal cases shall have precedence upon the docket of the Supreme Court of all cases to which the government of the United States is not a party, excepting only such cases as the court, at their discretion, may decide to be of public importance.

SEC. 70. *And be it further enacted*, That this act shall take effect, where not otherwise provided, on the first day of August, eighteen hundred and sixty-six, and all provisions of any former act inconsistent with the provisions of this act are hereby repealed: *Provided, however*, That all the provisions of said acts shall be in force for collecting all taxes, duties and licenses properly assessed or liable to be assessed, or accruing under the provisions of acts, the right to which has already accrued or which may hereafter accrue under said acts, and for maintaining and continuing liens, fines, penalties, and forfeitures incurred under and by virtue thereof, and for carrying out and completing all proceedings which have been already commenced, or that may be commenced, to enforce such fines, penalties, and forfeitures, or criminal proceedings under said acts, and for the punishment of crimes of which any party shall be or has been found guilty: *And provided further*, That whenever the duty imposed by any existing law shall cease in consequence of any limitation therein contained before the respective provisions of this act shall take effect, the same duty shall be, and is hereby, continued until such provisions of this act shall take effect; and where any act is hereby repealed, no duty imposed thereby shall be held to cease, in consequence of such repeal, until the respective corresponding provisions of this act shall take effect: *And provided further*, That all manufactures and productions on which a duty was imposed by either of the acts repealed by this act, which shall be in the possession of the manufacturer or producer, or of his agent or agents, on the day when this act takes effect, the duty imposed by any such former act not having been paid, shall be held and deemed to have been manufactured or produced after such date; and whenever by the terms of this act a duty is imposed upon any articles, goods, wares, or merchandise, manufactured or produced, upon which no duty was imposed by either of said former acts, it shall apply to such as were manufactured or produced, and not removed from the place of manufacture or production, on the day when this act takes effect. And the commissioner of internal revenue, under the direction of the Secretary of the Treasury, is authorized to make all necessary regulations and prescribe all necessary forms and proceedings for the collection of such taxes and the enforcement of such fines and penalties for the execution of the provisions of this act.

SEC. 71. *And be it further enacted*, That it shall be the duty of the commissioner of internal revenue to have this act, and the acts to which it is amendatory, published in at least one German newspaper in each of the States of the Union where such paper may be published.

SEC. 2. *And be it further enacted*, That the supervision and care of said bureau shall extend to all loyal refugees and freedmen, so far as the same shall be necessary to enable them as speedily as practicable to become self-supporting citizens of the United States, and to aid them in making the freedom conferred by proclamation of the commander-in-chief, by emancipation under the laws of States, and by constitutional amendment, available to them and beneficial to the republic.

SEC. 3. *And be it further enacted*, That the President shall, by and with the advice and consent of the Senate, appoint two assistant commissioners, in addition to those authorized by the act to which this is an amendment, who shall give like bonds and receive the same annual salaries provided in said act, and each of the assistant commissioners of the bureau shall have charge of one district containing such refugees or freedmen, to be assigned him by the commissioner with the approval of the President. And the commissioner shall, under the direction of the President, and so far as the same shall be, in his judgment, necessary for the efficient and economical administration of the affairs of the bureau, appoint such agents, clerks, and assistants as may be required for the proper conduct of the bureau. Military officers or enlisted men may be detailed for service and assigned to duty under this act; and the President may, if in his judgment safe and judicious so to do, detail from the army all the officers and agents of this bureau; but no officer so assigned shall have increase of pay or allowances. Each agent or clerk, not heretofore authorized by law, not being a military officer, shall have an annual salary of not less than five hundred dollars, nor more than twelve hundred dollars, according to the service required of him. And it shall be the duty of the commissioner, when it can be done consistently with public interest, to appoint, as assistant commissioners, agents, and clerks, such men as have proved their loyalty by faithful service in the armies of the Union during the rebellion. And all persons appointed to service under this act and the act to which this is an amendment, shall be so far deemed in the military service of the United States as to be under the military jurisdiction, and entitled to the military protection of the government while in discharge of the duties of their office.

SEC. 4. *And be it further enacted*, That officers of the veteran reserve corps or of the volunteer service, now on duty in the Freedmen's Bureau as assistant commissioners, agents, medical officers, or in other capacities, whose regiments or corps have been or may hereafter be mustered out of service, may be retained upon such duty as officers of said bureau, with the same compensation as is now provided by law for their respective grades; and the Secretary of War shall have power to fill vacancies until other officers can be detailed in their places without detriment to the public service.

SEC. 5. *And be it further enacted*, That the second section of the act to which this is an amendment shall be deemed to authorize the Secretary of War to issue such medical stores or other supplies and transportation, and afford such medical or other aid as here may be needful for the purposes named in said section: *Provided*, That no person shall be deemed "destitute," "suffering," or "dependent upon the government for support," within the meaning of this act, who is able to find employment, and could, by proper industry or exertion, avoid such destitution, suffering, or dependence.

SEC. 6. Whereas, by the provisions of an act approved February sixth, eighteen hundred and sixty-three, entitled "An act to amend an act entitled 'An act for the collection of direct taxes in insurrectionary districts within the United States, and for other purposes,' approved June seventh, eighteen hundred and sixty-two," certain lands in the parishes of St. Helena and Saint Luke, South Carolina, were bid in by the United States at public tax sales, and by the limitation of said act the time of

redemption of said lands has expired; and whereas, in accordance with instructions issued by President Lincoln on the sixteenth day of September, eighteen hundred and sixty-three, to the United States direct tax commissioners for South Carolina, certain lands bid in by the United States in the parish of Saint Helena, in said State, were in part sold by the said tax commissioners to "heads of families of the African race," in parcels of not more than twenty acres to each purchaser; and whereas, under said instructions, the said tax commissioners did also set apart as "school farms" certain parcels of land in said parish, numbered on their plats from one to thirty-three, inclusive, making an aggregate of six thousand acres, more or less: Therefore, *be it further enacted*, That the sales made to "heads of families of the African race," under the instructions of President Lincoln to the United States direct tax commissioners for South Carolina, of date of September sixteenth, eighteen hundred and sixty-three, are hereby confirmed and established; and all leases which have been made to such "heads of families," by said direct tax commissioners, shall be changed into certificates of sale in all cases wherein the lease provides for such substitution; and all the lands now remaining unsold, which come within the same designation, being eight thousand acres, more or less, shall be disposed of according to said instructions.

SEC. 7. *And be it further enacted*, That all other lands bid in by the United States at tax sales, being thirty-eight thousand acres more or less, and now in the hands of the said tax commissioners as the property of the United States, in the parishes of Saint Helena and Saint Luke, excepting the "school farms," as specified in the preceding section, and so much as may be necessary for military and naval purposes at Hilton Head, Bay Point, and Land's End, and excepting also the city of Port Royal, on Saint Helena Island, and the town of Beaufort, shall be disposed of in parcels of twenty acres, at one dollar and fifty cents per acre, to such persons and to such only as have acquired and are now occupying lands under and agreeably to the provisions of General Sherman's special field order, dated at Savannah, Georgia, January sixteenth, eighteen hundred and sixty-five; and the remaining lands, if any, shall be disposed of in like manner to such persons as had acquired lands agreeably to the said order of General Sherman, but who have been dispossessed by the restoration of the same to former owners: *Provided*, That the lands sold in compliance with the provisions of this and the preceding section shall not be alienated by their purchasers within six years from and after the passage of this act.

SEC. 8. *And be it further enacted*, That the "school farms" in the parish of Saint Helena, South Carolina, shall be sold, subject to any leases of the same, by the said tax commissioners, at public auction, on or before the first day of January, eighteen hundred and sixty-seven, at not less than ten dollars per acre; and the lots in the city of Port Royal, as laid down by the said tax commissioners, and the lots and houses in the town of Beaufort, which are still held in like manner, shall be sold at public auction; and the proceeds of said sales, after paying expenses of the surveys and sales, shall be invested in United States bonds, the interest of which shall be appropriated, under the direction of the commissioner, to the support of schools, without distinction of color or race, on the islands in the parishes of Saint Helena and Saint Luke.

SEC. 9. *And be it further enacted*, That the assistant commissioners for South Carolina and Georgia are hereby authorized to examine all claims to lands in their respective States which are claimed under the provisions of General Sherman's special field order, and to give each person having a valid claim a warrant upon the direct tax commissioners for South Carolina for twenty acres of land; and the said direct tax commissioners shall issue to every person, or to his or her heirs, but in no case to any assigns, presenting such warrant, a lease of twenty acres of land, as pro-

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled*, That in all cases where the State of California has heretofore made selections of any portion of the public domain in part satisfaction of any grant made to said State by any act of Congress, and has disposed of the same to purchasers in good faith under her laws, the lands so selected shall be, and hereby are, confirmed to said State: *Provided*, That no selection made by said State contrary to existing laws shall be confirmed by this act for lands to which any adverse pre-emption, homestead, or other right has, at the date of the passage of this act, been acquired by any settler under the laws of the United States, or to any lands which have been reserved for naval, military, or Indian purposes by the United States, or to any mineral land, or to any land held or claimed under any valid Mexican or Spanish grant, or to any land which, at the time of the passage of this act, was included within the limits of any city, town, or village, or within the county of San Francisco: *And provided further*, That the State of California shall not re-

ceive under this act a greater quantity of land for school or improvement purposes than she is entitled to by law.

SEC. 2. *And be it further enacted*, That where the selections named in section one of this act have been made upon land which has been surveyed by authority of the United States, it shall be the duty of the proper authorities of the State, where the same has not already been done, to notify the register of the United States land office for the district in which the land is located of such selection, which notice shall be regarded as the date of the State selection, and the commissioner of the general land office shall, immediately after the passage of this act, instruct the several local registers to forward to the general land office, after investigation and decision, all such selections, which, if found to be in accordance with section one of this act, the commissioner shall certify over to the State in the usual manner.

SEC. 3. *And be it further enacted*, That where the selections named in section one of this act have been made from lands which have not been surveyed by authority of the United States, but which selections have been surveyed by authority of and under the laws of said State, and the land sold to purchasers in good faith under the laws of the State, such selections shall, from the date of the passage of this act, when marked off and designated in the field, have the same force and effect as the pre-emption rights of a settler upon unsurveyed public land; and if, upon survey of such lands by the United States, the lines of the two surveys shall be found not to agree, the selection shall be so changed as to include those legal subdivisions which nearest conform to the identical land included in the State survey and selection. Upon the filing with the register of the proper United States land office of the township plat in which any such selection of unsurveyed land is located, the holder of the State title shall be allowed the same time to present and prove up his purchase and claim under this act as is allowed pre-emptors under existing laws; and if found in accordance with section one of this act, the land embraced therein shall be certified over to the State by the commissioner of the general land office.

SEC. 4. *And be it further enacted*, That in all cases where township surveys have been, or shall hereafter be, made under authority of the United States, and the plats thereof approved, it shall be the duty of the commissioner of the general land office to certify over to the State of California, as swamp and overflowed, all the lands represented as such, upon such approved plats, within one year from the passage of this act, or within one year from the return and approval of such township plats. The commissioner shall direct the United States surveyor-general for the State of California to examine the segregation maps and surveys of the swamp and overflowed lands made by said State; and where he shall find them to conform to the system of surveys adopted by the United States, he shall construct and approve township plats accordingly, and forward to the general land office for approval: *Provided*, That in segregating large bodies of land, notoriously and obviously swamp and overflowed, it shall not be necessary to subdivide the same, but to run the exterior lines of such body of land. In case such State surveys are found not to be in accordance with the system of United States surveys, and in such other townships as no survey has been made by the United States, the commissioner shall direct the surveyor-general to make segregation surveys, upon application to said surveyor-general by the governor of said State, within one year of such application, of all the swamp and overflowed land in such townships, and to report the same to the general land office, representing and describing what land was swamp and overflowed under the grant, according to the best evidence he can obtain. SEC. 5. *And be it further enacted*, That it shall be the duty of the commissioner of the general land office to instruct the officers of the local land offices and the surveyor-general, immediately after the passage of this act, to forward lists of all selections made by the State referred to in section one of this act, and lists and maps of all swamp and overflowed lands claimed by said State, or surveyed as provided in this act, for final disposition and determination, which final disposition shall be made by the commissioner of the general land office without delay.

SEC. 6. *And be it further enacted*, That an act entitled "An act to provide for the survey of the public lands in California, the granting of pre-emption rights therein, and for other purposes," approved March third, one thousand eight hundred and fifty-three, shall be construed as giving the State of California the right to select for school purposes other lands in lieu of such sixteenth and thirty-sixth sections as were settled upon prior to survey, reserved for public uses, covered by grants made under Spanish or Mexican authority, or by other private claims, or where such sections would be so covered if the lines of the public surveys were extended over such lands, which shall be determined whenever township lines shall have been extended over such land, and in case of Spanish or Mexican grants, when the final survey of such grants shall have been made. The surveyor-general for the State of California shall furnish the State authorities with lists of all such sections so covered, as a basis of selection, such selections to be made from surveyed lands, and within the same land district as the section for which the selection is made.

SEC. 7. *And be it further enacted*, That where persons in good faith, and for a valuable consideration, have purchased lands of Mexican grantees or assigns, which grants have subsequently been rejected, or where the lands so purchased have been excluded from the final survey of any Mexican grant, and have used, improved, and continued in the actual possession of the same as according to the lines of their original purchase, and where no valid adverse right or title (except of the United States) exists, such purchasers may purchase the same, after having such lands surveyed under existing laws, at the minimum price established by law, upon first making proof of the facts as required in this section, under regulations to be provided by the commissioner of the general land office, joint entries being admissible by coterminous proprietors to such an extent as will enable them to adjust their respective boundaries: *Provided*, That the provisions of this section shall not be applicable to the city and county of San Francisco: *Provided*, That the right to purchase herein given shall not extend to lands containing mines of gold, silver, copper, or cinnabar: *Provided*, That whenever it shall be made to appear by petition from the occupants of such land that injury to permanent improvements would result from running the lines of the public surveys through such permanent improvements, the commissioner of the general land office may recognize existing lines of subdivisions.

SEC. 8. *And be it further enacted*, That in all cases where a claim to land by virtue of a right or title derived from the Spanish or Mexican authorities has been finally confirmed, and a survey and plat thereof shall not have been requested within ten months from the passage of this act, as provided by sections six and seven of the act of July first, eighteen hundred and sixty-four, "To expedite the settlement of titles to lands in the State of California," and in all cases where a like claim shall hereafter be finally confirmed, and a survey and plat thereof shall not be requested, as provided by said sections within ten months after the passage of this

act, or any final confirmation hereafter made, it shall be the duty of the surveyor-general of the United States for California, as soon as practicable after the expiration of ten months from the passage of this act, or such final confirmation hereafter made, to cause the lines of the public surveys to be extended over such land, and he shall set off, in full satisfaction of such grant, and according to the lines of the public surveys, the quantity of land confirmed in such final decree, and as nearly as can be done in accordance with such decree; and all the land not included in such grant as so set off shall be subject to the general land laws of the United States: *Provided*, That nothing in this act shall be construed so as in any manner to interfere with the right of bona fide pre-emption claimants.

SEC. 9. *And be it further enacted*, That from the decrees of the district courts of the United States for the district of California, approving or correcting the surveys of private land claims under Spanish or Mexican grants, rendered after the first day of July, one thousand eight hundred and sixty-five, an appeal shall be allowed for the period of one year after the entry of such decrees to the circuit court of the United States for California, as provided by section three of the act of July first, one thousand eight hundred and sixty-four, to expedite the settlement of titles to land in the State of California, and the decision of the circuit court shall be final: *Provided, however*, That from decrees of the district courts, as aforesaid, made after July one, eighteen hundred and sixty-five, and prior to the passage of this act, an appeal may be taken to the United States circuit court for the State of California within one year from the approval of this act.

And in case the owner of such lands or premises and the said company cannot agree as to the value of the premises taken, or to be taken, for the use of said road, the value thereof shall be determined by the appraisal of three disinterested commissioners, who may be appointed upon application by either party to any court of record in any of the Territories in which the lands or premises to be taken lie; and said commissioners, in their assessment of damages, shall appraise such premises at what would have been the value thereof if the road had not been built.
