

DETAILED REGULATIONS

Arranged between the General Post-Office of the United States of America and the General Post-Office of the Netherlands, for the Execution of the Convention of the 26th Day of September, 1867. November 26, 1867.

ARTICLE I. The exchange office of Moerdyk shall make up a closed mail for the exchange office of New York. The exchange of New York shall on its part make up a closed mail for Moerdyk. Exchange offices.

Until further notice the only exchange office on the part of the United States shall be New York.

ARTICLE II. Each mail exchanged between the two offices shall be accompanied by a letter bill, showing the postages, the charges of transit, the fees, etc., accruing to each office upon the different kinds of correspondence. Letter bills.

The form of this letter bill shall follow the models A and B hereto annexed, and they shall consecutively be numbered by the despatching office during each calendar year. Post, pp. 278, 282.

The receiving office shall immediately acknowledge the receipt.

ARTICLE III. The exchange offices shall divide the correspondence which they despatch into a suitable number of separate packages, according to the letter bill. Separate packages.

Each of these packages shall bear the proper etiquette, and number corresponding to the letter bill.

ARTICLE IV. When more than a single rate is chargeable upon any letter or other article, the number of rates to which it is subject shall be indicated by the despatching office by a figure in the upper left corner of the address. Number of rates how indicated, if more than one.

ARTICLE V. Registered correspondence shall be described in a register list, following the model C, hereto annexed. Register list. Post, p. 1078.

All registered letters shall be enveloped together in a strong paper, securely fastened, and the packet inscribed with the word *Aangeteekend* or *Registered*, and placed in the mail. Registered letters and articles.

The blank in the letter bill for expressing the number of registered articles shall be filled by letters expressing the number. In case no registered articles are sent, the proper blank of the letter bill shall be filled with the word *Nihil* or *Nil*.

ARTICLE VI. The registered letters despatched shall be acknowledged immediately by the receiving office by the first mail following the receipt. Same subject.

If the verification by the receiving office shall disclose an error of any kind in the register list, it shall be also, by the first mail, notified to the despatching office.

ARTICLE VII. The two administrations mutually engage to take needful measures for the careful transmission of registered correspondence, and for pursuing it when lost; but it is understood that neither assumes to the other any pecuniary responsibility in case of loss. Same subject.

ARTICLE VIII. All letters exchanged between the two offices shall indicate by stamp or writing thereon the office of origin. Marks or stamps on letters.

Correspondence fully paid to destination shall be stamped *Franco* in the Netherlands, and *Paid All* in the United States.

Registered articles shall be stamped *Aangeteekend* in the Netherlands, and in the United States, *Registered*.

Correspondence insufficiently prepaid shall be stamped in the Netherlands *Ontoereikend*, and in the United States, *Insufficiently Paid*, and the amount of deficient postage expressed in figures on the face.

Whenever different lines of communication shall be employed between the two offices, the letters unpaid and insufficiently paid shall be stamped to indicate the route by which they are sent.

List of countries.

ARTICLE IX. The countries with which, and the conditions on which letters, ordinary and registered, and also other correspondences, may be exchanged in the open mails from the Netherlands to the United States, are indicated in the table marked D, hereto annexed.

Post, p. 1080.

Postage due, how marked.

ARTICLE X. The respective exchange offices shall mark in *red* ink, in the upper right corner of the address of prepaid letters sent for transit in the open mail, the amount of the postage due to the foreign office of destination; and in the same manner, but in *black* ink, shall mark the amount of the postage due to the foreign office of origin upon the unpaid letters so sent in transit.

Certain correspondence may be retained.

ARTICLE XI. Correspondence under band which does not conform to the conditions mentioned in Article XII. of the convention, or which are in no part prepaid, shall be retained by the administration of origin, or, if sent, shall not be subject to account.

Letters insufficiently prepaid to be sent as wholly unpaid.

ARTICLE XII. Letters originating in or destined for foreign countries, sent in the open mail through the United States, or through the Netherlands, and which are insufficiently prepaid, shall be transmitted as wholly unpaid, and no account taken of the amount prepaid between the two administrations.

Letters, &c. not deliverable, to be returned.

ARTICLE XIII. Letters and all registered articles not deliverable shall be respectively returned to the despatching administration at the end of every month.

The postage on unpaid letters so returned shall be deducted from the account against the office originally charged therewith.

The postage on prepaid letters so returned shall remain in the accounts as originally entered.

The expense of transit of unpaid correspondence which has been transmitted by either administration in closed mails, and which shall be returned to the despatching office as not deliverable, shall be deducted from the original amount charged for transit upon a declaration of the amount by the office claiming the reduction. No charge will be made by either administration for the transit of correspondence returned as not deliverable.

Missent, &c. letters, &c.

ARTICLE XIV. All correspondence wrongly addressed or missent shall be returned without delay by the receiving office to the exchange office which despatched it.

The receiving office shall also correct accordingly, in the column of verification, the original entries of the letter bill relating to such correspondence. The articles of a like nature addressed to persons who have changed their residence shall be mutually forwarded or returned, charged with the rate that would have been paid at the first destination.

Letter bill for closed mails.

ARTICLE XV. The despatching exchange office shall state on the letter bill to the intermediate exchange offices the exact number of single rates of letters (or weight, if required) and the total weight of the other correspondence which shall be despatched in closed mails.

Accounts between the two offices.

ARTICLE XVI. It is understood that the accounts between the two offices shall be established on the respective letter bills, in the proper money of the despatching office. For the international charges the reduction of these moneys shall be effected in the general accounts, at the rate of $2\frac{42}{100}$ guilders for one dollar of the United States.

In entering the foreign charges on the letter bill, in the money of the despatching office, the *cent* of the United States and two and a half cent. of the Netherlands shall be taken as equivalents.

POSTAL CONVENTION WITH THE NETHERLANDS. SEPT. 26, 1867. 1069

It is also understood that the quarterly accounts shall be paid respectively in gold, and in the denominations of the money of the creditor office.

ARTICLE XVII. The quarterly accounts shall be prepared by the respective despatching offices of exchange. They shall be based upon the acknowledgments of receipt, and shall respectively be arranged according to the models hereto annexed, and marked E and F.

Quarterly accounts.

A recapitulation of these accounts, showing the definitive results, alike for the debit and the credit, shall be prepared by the United States office, and shall then be transmitted, with the accounts on which it is based, for the examination of the Netherland office.
