petition of creditors to comprise one-fourth in number and one-third in amount	181
to be brought within six months after act of bankruptcy committed	181
provisions of act to apply to cases commenced since December 1, 1873	181

Bankruptcy—Continued.

when allegation as to number and amount of petitioning creditors is denied, court shall order a list of creditors filed 181

court shall ascertain whether the creditors, in number and amount required, have petitioned 181

when debtor admits the number and amount of creditors, court shall so adjudge, and judgment is final 181

if required number of creditors have not petitioned, court may grant time for others to join 181

sufficient number of creditors joining the bankruptcy may proceed 181

sufficient number of creditors not joining the proceedings shall be dismissed such person being adjudged a bankrupt, the assignee may recover back the money, property, &c., paid, assigned, &c. 181

provided transferrer had notice of the fraud intended 181

fraudulent transferrer, if an actual creditor, admitted to prove only one-half of his debt 181

petition sufficiently verified by oaths of first five signers 181

in case of absence of one of first five, petition may be signed and verified by attorney 182

creditor of not more than two hundred and fifty dollars not to be counted.. 182

if no creditor of more than two hundred and fifty dollars, or if the requisite number of such fail to sign, creditors of less amount may be counted..... 182

on return of order to show cause on debtor, court finding that all requirements of law have been fulfilled, the court shall so adjudge and the judgment shall be final 182

if otherwise, proceeding must be dismissed, and hereafter with costs... 182

court may on application of debtor direct the marshal to summon a jury to try the issue 182

on hearing if alleged facts are found true, or if debtor has satisfied all liens, &c., proceedings are dismissed, and respondent recovers costs 182

may be discontinued on notice, with approval of court, assent of debtor, and one-half of creditors 182

all parties are then remitted to the condition they occupied before the filing of the petition for bankruptcy 182

bankrupt must submit an inventory and valuation of his property 182

composition with creditors 182

when proposed by debtor, in what manner it may be accepted by creditors. 182, 183

resolutions of acceptance must be adopted by a majority in number and three-fourths in value 183

must be confirmed by signature of debtor and two-thirds in number and one-half in value of the creditors..... 183

how majorities are computed 183

creditors with security cannot vote or sign without relinquishing security... 183

debtor must be present at meeting and answer questions 183

must produce a statement showing the whole of his assets, debts, &c. 183
