

navigation of said river and allow the easy passage of vessels through said bridge.

SEC. 2. That the right to alter or amend this act so as to prevent or remove all material obstructions to the navigation of said river by the construction of said bridge is hereby expressly reserved, and any change needful to that end shall be made at the expense of the counties in which such bridge shall be erected. Right to amend act reserved.

Approved, June 22, 1874.

CHAP. 405.—An act to authorize the construction of a bridge across the Mississippi River at or near the city of La Crosse, in the State of Wisconsin. June 22, 1874.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,* That the Milwaukee and Saint Paul Railway Company may construct and maintain a bridge across the Mississippi River at a point heretofore selected by said company between the county of La Crosse, in the State of Wisconsin, and the county of Houston, in the State of Minnesota: *Provided*, That the Secretary of War shall convene a board of engineer officers, whose duty it shall be to ascertain and report whether a bridge at the location selected by said company can be constructed and maintained without material interference with the security and convenience of navigation of said river at that point, and shall also ascertain and report what accessory works it will be necessary to construct and maintain to secure the best practicable straight channel-way for navigation of said river at and near that point; the board shall further determine the necessary height of said bridge, the location of its piers, and make such recommendations for the security and convenience of navigation as may be deemed essential and proper; and that upon the approval of the report and recommendations of the board by the Secretary of War, the said company, upon being so notified, may proceed to construct said bridge in accordance with said report and recommendations, subject to the provisions and limitations of the act entitled "An act to authorize the construction of a bridge across the Mississippi River at or near the town of Clinton, in the State of Iowa, and other bridges across said river, and to establish them as post-roads," approved April first, eighteen hundred and seventy-two: *And provided further*, That said company shall construct and maintain all the necessary works found to be necessary as hereinbefore provided, for the security and convenience of navigation at their own expense, and subject to such supervision as the Secretary of War may prescribe, and that until the said works shall have been constructed to the satisfaction of the Secretary of War, and are approved by him, the superstructure of the bridge shall not be commenced: *And provided further*, That this act shall not be so construed as to relieve said company from the provisions of any existing laws, except as to the location and height of said bridge: *And provided further*, That said company shall not charge more than three dollars a car for each freight-car transported across said bridge.

Bridge across the Mississippi River may be constructed by Milwaukee and Saint Paul Railroad Company.
