It is understood, moreover, that each Department is authorized to suspend temporarily, after having given sixty days' notice of such intention to the other, the exchange of money-orders, in case the course of exchange, or any other circumstances, should give rise to abuses or cause detriment to the postal revenue.

## ARTICLE V.

**Issue of orders.** Any person in the United States desiring to remit to the Dominion of Canada a sum of money within the limits prescribed by Article I hereof, may pay it into any post-office in the United States designated from time to time by the Postmaster-General of that country for the transaction of Canadian money-order business. Such person shall, at the same time, give the name and address of the person to whom the amount is to be paid in said Dominion, and also his own name and address.

**In Canada.** Any person in the Dominion of Canada desiring to remit to the United States a sum of money within the same limits, may pay it into any money-order office of said Dominion, designated by the Postmaster-General thereof for said purpose, giving at the same time the name and address of the person to whom the amount is to be paid in the United States, and also his own name and address.

**Duty of postmaster.** The receiving postmaster in either country shall, in accordance with the rules established by its Postal Department, forward a coupon, an advice, and a money-order to the exchange-office in the United States most convenient to the residence of the beneficiary for whom the money is intended, the postmaster of which exchange-office shall, immediately after the receipt thereof, certify upon the coupon, the advice, and the order, the value of the same in the currency of the country in which payment is to be made, and he shall likewise enter therein the name of the inland office at which the same is to be paid, and shall at once forward the advice to said office, and the order to the beneficiary for whom the money is intended, retaining the coupon on file in his office as a voucher for his own protection and information.

## ARTICLE VI.

**Numbering orders.** The money-orders, advices, and coupons issued in each country shall have printed thereon consecutive local or inland numbers, the number upon each advice and coupon being the same as upon its corresponding order; and, in addition thereto, all such orders, advices, and coupons shall be numbered consecutively at the exchange-office at which they are certified, which numbers shall be in the order of their receipt and certification, and shall be designated as "international numbers."

**Reporting errors.** The discovery, by an inland postmaster, of any error in a money-order or advice shall be by him promptly reported to the exchange-office through which the same was certified, and any error coming to the notice of an exchange-office shall at once be reported to the Money-Order Office at Washington, D. C., in order that an explanation or correction may be given or asked for, as the case may be, which explanation or correction shall be afforded with the least possible delay.

## ARTICLE VII.

**Lists of orders issued.** Lists of all orders issued during each week by postmasters in either country for payment in the other, shall, at the close of the week, or as soon thereafter as practicable, be transmitted by the Postal Department of the issuing to that of the paying country, and at the close of each fiscal quarter two copies of an account shall be prepared and transmitted to the Postal Department of the United States by the Postal Department of the Dominion of Canada, exhibiting the balance found due on the exchanges of money-orders during the quarter, one copy of which, after proper verification and acknowledgment, shall be returned to the Postal Department of the Dominion of Canada. If this verified account shows a balance in favor of the Postal Department of the Dominion of Canada, that of the United States will transmit, with such verified copy of the quarterly account, a bill of exchange on Montreal, Canada, for the amount of said balance, payable to the Postal Department of the Dominion of Canada. The latter will then send an acknowledgment of receipt to the Postal Department of the United States. If,

The United States Postal Department will then send in return an acknowledgment of receipt.

If, pending the settlement of an account, one of the two Postal Departments shall ascertain that it owes the other a balance exceeding five thousand dollars, the indebted administration shall promptly remit the approximate amount of such balance to the credit of the other. The expenses attending the remittance of bills of exchange shall invariably be borne by the Postal Department having to make the payment.

Value of dollar.

The value, in gold coin, of deposits made in the United States in paper money, for payment to beneficiaries in the Dominion of Canada, and the value, in United States paper money, of deposits made in the Dominion of Canada in gold coin, or currency of par value, for payment in the United States, shall be determined according to the rate of premium on gold in New York, N. Y., in the following manner, viz: The postmaster at New York shall, at three o'clock p. m. of each day, except Sunday, telegraph to each of the above-named exchange-offices in the United States the rate of premium on gold at that hour, which rate shall, when received by such exchange-office, be taken as the basis of conversion of money-values for the next and for all subsequent orders and advices dispatched and received, until the receipt of the next telegram from the postmaster at New York.

Ascertaining value of United States currency.

## ARTICLE X.

A duplicate order shall only be issued by the Postal Department of the country on which the original order was drawn, and in conformity with the regulations established or to be established in that country.

## ARTICLE XII.

An order which shall not have been paid within twelve calendar months after the month of its issue shall become void, and the sum received therefor shall accrue to and remain at the disposal of the country of origin, and the advice shall be returned, by the inland postmaster holding the same, to his Postal Department, to be by it returned to the Postal Department of the country in which it originated. The Postal Department of the Dominion of Canada shall, therefore, enter, to the

#### ARTICLE XIII.

**Repaying orders.** Repayment of an order, not void, to a remitter shall not be made until an authorization therefor shall first have been obtained by the Postal Department of the country of issue from the Postal Department of the country where such order was made payable; and the amount of the repaid order shall be duly credited to the former country in the quarterly account. It is the province of each Postal Department to determine the manner in which repayment to the remitter is to be made.

#### ARTICLE XIV.

**Regulations for payment.** The orders drawn by each country upon the other shall be subject, as regards payment, to the regulations which govern the payment of domestic orders in the country on which they are drawn.

#### ARTICLE XV.

**Additional rules.** The Postal Department of each country shall be authorized to adopt any additional rules, not repugnant to the foregoing, for greater security against fraud, or for the better working of the system generally. Preamble.

*Consular Convention between the United States and Italy.* *Convenzione Consolare tra l'Italia e gli Stati Uniti.*

The President of the United States and His Majesty the King of Italy, recognizing the utility of defining the rights, privileges and immunities of consular officers in the two countries, have determined to conclude a consular convention for that purpose, and accordingly, have named: The President of the United States, William M. Evarts, Secretary of State of the United States: His Majesty the King of Italy, Baron Alberto Blanc, his Envoy Extraordinary and Minister Plenipotentiary to the United States.

Who, after communicating to each other their full powers, found in good and due form, have agreed upon the following articles:

ARTICLE I.

Each of the high contracting parties pledges itself to admit the Consuls General, Consuls, Vice-Consuls and Consular Agents of the other in all its ports, places and cities, with the exception of those in which it may not be deemed proper to recognize such functionaries.

This reservation, however, shall not be applied to one of the high contracting parties without being applied in like manner to all the other Powers.

Sua Maestà il Re d'Italia e il Presidente degli Stati Uniti, riconoscendo l'utilità di determinare i diritti, privilegi ed immunità degli Ufficiali consolari dei due paesi, nonchè le loro attribuzioni e gli obblighi ai quali sono tenuti, hanno deciso di conchiudere una Convenzione Consolare, e a quest'effetto hanno nominato: Sua Maestà il Re d'Italia, il Barone Alberto Blanc, suo Inviato straordinario e Ministro plenipotenziario agli Stati Uniti: il Presidente degli Stati Uniti, William M. Evarts, Segretario di Stato degli Stati Uniti.

Contracting parties.

I quali, dopo presentazione dei loro pieni poteri, trovati in buona e debita forma, hanno convenuto negli articoli seguenti.

ARTICOLO I.

Ciascuna delle alte Parti contraenti si obbliga ad ammettere Consoli Generali, Consoli, Vice-Consoli e Agenti Consolari dell'altra in tutti i suoi porti, luoghi e città, ad eccezione di quelli nei quali non si riputerà conveniente di riconoscere tali funzionari.

Recognition of consular officers.

## ARTICLE II.

## Exequaturs.

Consular officers shall receive, after presenting their commissions, and according to the formalities established in the respective countries, the exequatur required for the exercise of their functions, which shall be furnished to them free of cost; and on presentation of this document, they shall be admitted by all the authorities of their place of residence, to the enjoyment of the rights, prerogatives and immunities granted them by this convention.

## ARTICLE III.

## Exemptions from arrest, etc.

The aforesaid consular officers shall be exempt from all national, state or municipal taxes, imposed upon persons either in the nature of capitation tax or in respect of their property unless such taxes become due on account of the possession of real estate or for interest on capital invested in the state in which they reside. If they are engaged in trade, manufactures or commerce, they shall not enjoy such exemption but shall be obliged to pay the same taxes as are paid by other foreigners under similar circumstances.

## ARTICLE IV.

## Exemptions as witnesses.

Consular officers, citizens of the state which appointed them, and who are not engaged in trade, professional business or any kind of manufactures, shall not be obliged to appear as witnesses before the courts of the country in which they reside. ## ARTICOLO II.

Gli Ufficiali consolari riceveranno, dietro presentazione delle loro patenti, e secondo le formalità stabilite ne' paesi rispettivi, l' exequatur richiesto per l'esercizio delle loro funzioni, il quale verrà loro spedito senza spesa; e sulla presentazione di tale documento, essi verranno ammessi da tutte le autorità del luogo di loro residenza al godimento dei diritti, prerogative ed immunità loro accordate con la presente Convenzione.

## ARTICOLO III.

Gli Ufficiali consolari, cittadini dello stato che li ha nominati, non potranno essere arrestati, o imprigionati per cause civili, e saranno esenti dall'arresto preventivo in cause penali, a meno che si tratti di reati che la legislazione locale qualifica di crimini e punisce come tali, e andranno esenti dall'alloggio militare, e dal prestare servizio nell'esercito, nella milizia o guardia nazionale, e nella marina.

## CONVENTION.

## Preamble.

Les soussignés, plénipotentiaires des Gouvernements des pays ci-dessus énumérés, s'étant réunis en Congrès à Paris, en vertu de l'article 18 du Traité constitutif de l'Union générale des Postes, conclu à Berne le 9 octobre 1874, ont, d'un commun accord et sous réserve de ratification, revisé ledit Traité, conformément aux dispositions suivantes :

## CONVENTION.

The undersigned, plenipotentaries of the Governments of the countries above enumerated, being assembled in Congress at Paris, by virtue of Article 18 of the Treaty constituting the General Postal Union, concluded at Berne on the 9th of October, 1874, have, by mutual agreement, and subject to ratification, revised the said Treaty, conformably to the following stipulations:

## ARTICLE PREMIER.

## Universal Postal Union.

Les pays entre lesquels est conclue la présente Convention, ainsi que ceux qui y adhéreront ultérieurement, formeront, sous la dénomination d'*Union postale universelle*, un seul territoire postal pour l'échange réciproque des correspondances entre leurs bureaux de poste.

## ARTICLE 1.

The countries between which the present Convention is concluded, as well as those which may join it hereafter, form, under the title of *Universal Postal Union*, a single postal territory for the reciprocal exchange of correspondence between their post-offices.

## ARTICLE 2.

Les dispositions de cette Convention s'étendent aux lettres, aux cartes postales, aux imprimés de toute nature, aux papiers d'affaires et aux échantillons de marchandises, originaires de l'un des pays de l'Union et à destination d'un autre de ces pays. Elles s'appliquent également, quant au parcours dans le ressort de l'Union, à l'échange postal des objets ci-dessus entre les pays de l'Union et les pays étrangers à l'Union, toutes les fois que cet échange emprunte les services de deux des Parties contractantes, au moins.

## ARTICLE 3.

Les administrations des postes des pays limitrophes ou aptes à correspondre directement entre eux, sans emprunter l'intermédiaire des services d'une tierce administration, déterminent, d'un commun accord, les conditions du transport de leurs dépêches réciproques à travers la frontière ou d'une frontière à l'autre.

A moins d'arrangement contraire, on considère comme services tiers les transports maritimes effectués directement entre deux pays, au moyen de paquebots ou bâtiments dépendant de l'un d'eux, et ces transports, de même que ceux effectués entre deux bureaux d'un même pays, par l'intermédiaire de services maritimes ou territoriaux dépendant d'un autre pays, sont régis par les dispositions de l'article suivant.

## ARTICLE 4.

La liberté du transit est garantie dans le territoire entier de l'Union.

En conséquence, les diverses administrations postales de l'Union peuvent s'expédier réciproquement, par l'intermédiaire d'une ou de plusieurs d'entre elles, tant des dépêches closes que des correspondances à découvert, suivant les besoins du trafic et les convenances du service postal.

They also apply, so far as regards conveyance within the Union, to the exchange by mail of the articles above mentioned between the countries of the Union and countries foreign to the Union, whenever that exchange makes use of the services of two of the contracting parties at least.

Scope.

## ARTICLE 3.

The Postal Administrations of neighboring countries, or countries able to correspond directly with each other without using the intermediary of the services of a third Administration, determine, by mutual agreement, the conditions of the conveyance of their reciprocal mails across the frontier, or from one frontier to the other.

Contiguous countries.

Unless there be a contrary arrangement, the direct sea conveyance performed between two countries by means of packets or vessels depending upon one of them, shall be considered as a third service; and such conveyance, as well as any performed between two offices of the same country, by the intermediary of maritime or territorial services maintained by another country, is regulated by the stipulations of the following Article.

2d. That wherever the rate of sea-transit has hitherto been fixed at 6 francs 50 centimes per kilogramme of letters or post-cards, such rate is reduced to 5 francs;

3d. That every sea conveyance not exceeding 300 nautical miles is gratuitous if the administration concerned is already entitled, on account of mails or correspondence benefiting by this conveyance, to the remuneration applicable to the territorial transit: in the contrary case, payment is made at the rate of 2 francs per kilogramme of letters or post-cards, and 25 centimes per kilogramme of other articles;

4th. That in the case of sea-conveyance effected by two or more Administrations, the expenses of the entire transportation cannot exceed 15 francs per kilogramme of letters or post-cards, and 1 franc per kilogramme of other articles. These expenses are in such case shared between the Administrations *pro rata* for the distances traversed, without prejudice to other arrangements between the parties interested;

5th. That the rates specified in the present article do not apply either to conveyance by means of services depending upon Administrations foreign to the Union, or to conveyance within the Union by means of extraordinary services specially established or maintained by one Administration in the inter-

demande d'une ou de plusieurs autres administrations. Les conditions de ces deux catégories de transports sont réglées de gré à gré entre les administrations intéressées.

Les frais de transit sont à la charge de l'administration du pays d'origine.

Le décompte général de ces frais a lieu sur la base de relevés établis tous les deux ans, pendant un mois à déterminer dans le règlement d'exécution prévu par l'article 14 ci-après.

Sont exempts de tous frais de transit territorial ou maritime, la correspondance des administrations postales entre elles, les objets réexpédiés ou mal dirigés, les rebuts, les avis de réception, les mandats de poste ou avis d'émission de mandats, et tous autres documents relatifs au service postal.

## ARTICLE 5.

Les taxes pour le transport des envois postaux dans toute l'étendue de l'Union, y compris leur remise au domicile des destinataires dans les pays de l'Union où le service de distribution est ou sera organisé, sont fixées comme suit :

1<sup>o</sup> Pour les lettres, à 25 centimes en cas d'affranchissement, et au double dans le cas contraire, par chaque lettre et par chaque poids de 15 grammes ou fraction de 15 grammes ;

2<sup>o</sup> Pour les cartes postales, à 10 centimes par carte ;

3<sup>o</sup> Pour les imprimés de toute nature, les papiers d'affaires et les échantillons de marchandises, à 5 centimes par chaque objet ou paquet portant une adresse particulière et par chaque poids de 50 grammes ou fraction de 50 grammes, pourvu que cet objet ou paquet ne contienne aucune lettre ou note manuscrite ayant le caractère de correspondance actuelle et personnelle, et soit conditionné de manière à pouvoir être facilement vérifié.

La taxe des papiers d'affaires ne peut être inférieure à 25 centimes par envoi, et la taxe des échan-

ges or at the request of one or several other Administrations. The conditions of these two categories of conveyance are regulated by mutual agreement between the Administrations interested.

The expenses of transit are borne by the Administration of the country of origin.

The general settlement of these expenses takes place on the basis of statements prepared every two years, during a month to be determined on in the Regulation of Execution referred to in Article 14 hereafter.

The correspondence of the Postal Administrations with each other, articles reforwarded or missent, undeliverable articles, acknowledgments of delivery, post-office money-orders or advices of the issue of orders, and all other documents relative to the postal service, are exempt from all transit charges, whether territorial or maritime.

## ARTICLE 5.

The rates of postage for the conveyance of postal articles throughout the entire extent of the Union, including their delivery at the residence of the addressees in the countries of the Union where a delivery service is or shall be organized, are fixed as follows :

1st. For letters, 25 centimes in case of prepayment, and double that amount in the contrary case, for each letter and for every weight of 15 grammes or fraction of 15 grammes ;

2d. For post-cards, 10 centimes per card ;

3d. For printed matter of every kind, commercial papers, and samples of merchandise, 5 centimes for each article or packet bearing a particular address ; and for every weight of 50 grammes or fraction of 50 grammes, provided that such article or packet does not contain any letter or manuscript note having the character of an actual and personal correspondence, and that it be made up in such a manner as to admit of its being easily examined.

The charge on commercial papers cannot be less than 25 centimes per packet, and the charge on samples

1<sup>o</sup> Pour tout envoi soumis à des frais de transit maritime de 15 francs par kilogramme de lettres ou cartes postales et de 1 franc par kilogramme d'autres objets, une surtaxe qui ne peut dépasser 25 centimes par port simple pour les lettres, 5 centimes par carte postale et 5 centimes par 50 grammes ou fraction de 50 grammes pour les autres objets. Par mesure de transition, il peut être perçu une surtaxe jusqu'à concurrence de 10 centimes par port simple pour les lettres soumises à des frais de transit maritime de 5 francs par kilogramme.

**Additional rates.** 2<sup>o</sup> Pour tout objet transporté par des services dépendant d'administrations étrangères à l'Union ou par des services extraordinaires dans l'Union, donnant lieu à des frais spéciaux, une surtaxe en rapport avec ces frais.

**Insufficient pre-payment.** En cas d'insuffisance d'affranchissement, les objets de correspondance de toute nature sont passibles, à la charge des destinataires, d'une taxe double du montant de l'insuffisance.

Il n'est pas donné cours :

3<sup>o</sup> Aux paquets d'échantillons de marchandises qui ont une valeur marchande, non plus qu'à ceux dont le poids dépasse 250 grammes, ou qui présentent des dimensions supérieures à 20 centimètres de longueur, 10 de largeur et 5 d'épaisseur.

## ARTICLE 6.

**Registration.**

Les objets désignés dans l'article 5 peuvent être expédiés sous recommandation.

cannot be less than 10 centimes per packet.

In addition to the rates and minima fixed by the preceding paragraphs, there may be levied ;

1st. For every article subjected to the sea transit rates of 15 francs per kilogramme of letters or postcards and 1 franc per kilogramme of other articles, an additional charge, which may not exceed 25 centimes per single rate for letters, 5 centimes per post-card, and 5 centimes per 50 grammes or fraction of 50 grammes for other articles. As a temporary arrangement, there may be levied an additional charge up to 10 centimes per single rate for the letters subjected to the transit rate of 5 francs per kilogramme.

2d. For every article conveyed by services maintained by Administrations foreign to the Union, or conveyed by extraordinary services in the Union giving rise to special expenses, an additional charge in proportion to these expenses.

In case of insufficient prepayment, articles of correspondence of all kinds are liable to a charge equal to double the amount of the deficiency, to be paid by the addressees.

Circulation shall not be given—

1st. To articles other than letters which are not prepaid at least partly, or which do not fulfill the conditions required above in order to enjoy the reduced rate;

2d. To articles of a nature likely to soil or injure the correspondence;

3d. To packets of samples of merchandise which have a salable value, or which exceed 250 grammes in weight, or measure more than 20 centimeters in length, 10 in breadth, and 5 in depth.

4th. Lastly, to packets of commercial papers and printed matter of all kinds, the weight of which exceeds 2 kilogrammes.

## ARTICLE 6.

The articles specified in Article 5 may be registered.

Tout envoi recommandé est passible, à la charge de l'envoyeur :

1<sup>o</sup> Du prix d'affranchissement ordinaire de l'envoi, selon sa nature;

2<sup>o</sup> D'un droit fixe de recommandation de 25 centimes au maximum dans les Etats européens, et de 50 centimes au maximum dans les autres pays, y compris la délivrance d'un bulletin de dépôt à l'expéditeur.

L'envoyeur d'un objet recommandé peut obtenir un avis de réception de cet objet, en payant d'avance un droit fixe de 25 centimes au maximum.

En cas de perte d'un envoi recommandé, et sauf le cas de force majeure, il est dû une indemnité de 50 francs à l'expéditeur, ou, sur la demande de celui-ci, au destinataire, par l'administration sur le territoire ou dans le service maritime de laquelle la perte a eu lieu, c'est-à-dire où la trace de l'objet a disparu.

Par mesure de transition, il est permis aux administrations des pays hors d'Europe, dont la législation est actuellement contraire au principe de la responsabilité, d'ajourner l'application de la clause qui précède jusqu'au jour où elles auront pu obtenir du pouvoir législatif l'autorisation d'y souscrire. Jusqu'à ce moment, les autres administrations de l'Union ne sont pas astreintes à payer une indemnité pour la perte, dans leurs services respectifs, d'envois recommandés à destination ou provenant desdits pays.

S'il est impossible de découvrir le service dans lequel la perte a eu lieu, l'indemnité est supportée, par moitié, par les deux offices correspondants.

Le paiement de cette indemnité est effectué dans le plus bref délai possible, et, au plus tard, dans le délai d'un an à partir du jour de la réclamation.

Toute réclamation d'indemnité est prescrite, si elle n'a pas été formulée dans le délai d'un an à partir de la remise à la poste de l'objet recommandé.

Every registered article is liable, at the charge of the sender— Charges.

1st. To the ordinary prepaid rate of postage upon the article, according to its nature;

2d. To a fixed registration fee of 25 centimes at the maximum in the European States, and of 50 centimes at the maximum in the other countries, including the issue to the sender of a bulletin of posting.

The sender of a registered article may obtain an acknowledgment of delivery of such article by paying in advance a fixed fee of 25 centimes at the maximum. Acknowledgment fee.

In case of the loss of a registered article, and except in case of *force majeure*, there is to be paid an indemnity of 50 francs to the sender, or, at his request, to the addressee, by the Administration upon whose territory or in whose maritime service the loss has occurred; that is to say, where the trace of the article has ceased.

As a temporary measure, the Administrations of the countries beyond Europe, whose legislation is at present opposed to the principle of responsibility, are permitted to postpone the application of the preceding clause until the time when they shall have obtained from the legislative power authority to subscribe to it. Up to that time, the other Administrations of the Union are not bound to pay an indemnity for the loss, in their respective services, of registered articles addressed to or originating in the said countries. Temporary exceptions.

If it is impossible to discover the service in which the loss has occurred, the indemnity is borne in equal proportions between the two corresponding offices. Assignment of liability.

Prompt payment. Payment of this indemnity is made with the least possible delay, and, at the latest, within a year dating from the day of application.

Time for making claim. Every claim for an indemnity is excluded if it has not been made within one year from the date on which the registered article was posted.

monetary unit fix their postages at the equivalent in their respective currencies of the rates determined by Articles 5 and 6 preceding. Such countries have the option of rounding off the fractions in conformity with the table inserted in the Regulation of Execution mentioned in Article 14 of the present Convention.

#### ARTICLE 8.

**Prepayment by stamps.**

L'affranchissement de tout envoi quelconqué ne peut être opéré qu'au moyen de timbres-poste valables dans le pays d'origine pour la correspondance des particuliers.

**Free matter.**

Les correspondances officielles relatives au service des postes et échangées entre les administrations postales sont seules exemptées de cette obligation et admises à la franchise.

#### ARTICLE 8.

Prepayment of postage on every description of article can be effected only by means of postage-stamps valid in the country of origin for the correspondence of private individuals.

Official correspondence relative to the postal service, and exchanged between the Postal Administrations, is alone exempt from this obligation and admitted free.

#### ARTICLE 9.

**Collections to be retained.**

Chaque administration garde en entier les sommes qu'elle a perçues en exécution des articles 5, 6, 7 et 8 précédents. En conséquence, il n'y a pas lieu, de ce chef, à un décompte entre les diverses administrations de l'Union.

**Limit to collections.**

Les lettres et autres envois postaux ne peuvent, dans le pays d'origine, comme dans celui de destination, être frappés, à la charge des expéditeurs ou des destinataires, d'aucune taxe ni d'aucun droit postal autres que ceux prévus par les articles susmentionnés.

#### ARTICLE 9.

Each Administration keeps the whole of the sums which it has collected in execution of the foregoing Articles 5, 6, 7, and 8. Consequently, there is no necessity on this head for any accounts between the several Administrations of the Union.

Neither the senders nor the addressees of letters and other postal articles are called upon to pay, either in the country of origin or in that of destination, any postage or any postal fee other than those contemplated by the Articles above-mentioned.

#### ARTICLE 10.

**Reforwarding.**

Il n'est perçu aucun supplément de taxe pour la réexpédition d'envois postaux dans l'intérieur de l'Union.

#### ARTICLE 10.

No additional charge is levied for the reforwarding of postal matter within the interior of the Union.

#### ARTICLE 11.

**Precious articles.**

Il est interdit au public d'expédier, par la voie de la poste:

1<sup>o</sup> Des lettres ou paquets contenant soit des matières d'or ou d'argent, soit des pièces de monnaie, soit des bijoux ou des objets précieux;

**Dutiable articles.**

2<sup>o</sup> Des envois quelconques contenant des objets passibles de droits de douane.

#### ARTICLE 11.

It is forbidden to the public to send by mail:

1st. Letters or packets containing gold or silver substances, pieces of money, jewelry, or precious articles;

2d. Any packets whatever containing articles liable to customs duty.

Dans le cas où un envoi tombant sous l'une de ces prohibitions est livré par une administration de l'Union à une autre administration de l'Union, celle-ci procède de la manière et dans les formes prévues par sa législation ou par ses règlements intérieurs.

Est d'ailleurs réservé le droit du Gouvernement de tout pays de l'Union de ne pas effectuer, sur son territoire, le transport ou la distribution, tant des objets jouissant de la modération de taxe, à l'égard desquels il n'a pas été satisfait aux lois, ordonnances ou décrets qui régissent les conditions de leur publication ou de leur circulation dans ce pays, que des correspondances de toute nature qui portent ostensiblement des inscriptions interdites par les dispositions légales ou réglementaires en vigueur dans le même pays.

## ARTICLE 12.

Les offices de l'Union qui ont des relations avec des pays situés en dehors de l'Union admettent tous les autres offices à profiter de ces relations pour l'échange des correspondances avec lesdits pays.

Les correspondances échangées à découvert entre un pays de l'Union et un pays étranger à celle-ci, par l'intermédiaire d'un autre pays de l'Union, sont traitées, pour ce qui concerne le transport en dehors des limites de l'Union, d'après les conventions, arrangements ou dispositions particulières régissant les rapports de poste entre ce dernier pays et le pays étranger à l'Union.

Les taxes applicables aux correspondances dont il s'agit se composent de deux éléments distincts, savoir:

1<sup>o</sup> La taxe de l'Union fixée par les articles 5, 6 et 7 de la présente Convention;

2<sup>o</sup> Une taxe afférente au transport en dehors des limites de l'Union.

La première de ces taxes est attribuée:

a. Pour les correspondances originaire de l'Union à destination des pays étrangers, à l'office expéditeur, en cas d'affranchissement, et à l'office d'échange, en cas de non-affranchissement;

In case a packet falling under one of these prohibitions is delivered by one Administration of the Union to another Administration of the Union, the latter proceeds according to the manner and forms prescribed by its legislation or by its interior regulations.

There is, moreover, reserved to the Government of every country or the Union the right to refuse to convey over its territory, or to deliver, as well articles liable to the reduced rate, in regard to which the laws, ordinances, or decrees which regulate the conditions of their publication or of their circulation in that country have not been complied with, as correspondence of every kind which evidently bears inscriptions forbidden by the legal enactments or regulations in force in the same country.

## ARTICLE 12.

The offices of the Union which have relations with countries beyond the Union admit all the other offices to take advantage of such relations for the exchange of correspondence with the said countries.

The correspondence exchanged in open mails between a country of the Union and a country foreign to the Union, through the intermediary of another country of the Union, is treated, as regards the conveyance beyond the limits of the Union, in conformity to the conventions, arrangements, or special provisions governing the postal relations between the latter country and the country foreign to the Union.

The rates chargeable on the correspondence in question consist of two distinct elements, viz:

1st. The Union rate fixed by Articles 5, 6, and 7 of the present Convention.

2d. A rate for the conveyance beyond the limits of the Union.

The first of these rates is assigned—

a. For correspondence originating in the Union and addressed to foreign countries, to the dispatching office in case of prepayment, and to the office of exchange in case of non-prepayment.

**Charges, continued.**

*b.* Pour les correspondances provenant des pays étrangers à destination de l'Union, à l'office d'échange, en cas d'affranchissement, et à l'office destinataire, en cas de non-affranchissement.

La seconde de ces taxes est bonifiée à l'office d'échange, dans tous les cas.

**Expenses of transit.**

A l'égard des frais de transit dans l'Union, les correspondances originaire ou à destination d'un pays étranger sont assimilées à celles de ou pour le pays de l'Union qui entretient les relations avec le pays étranger à l'Union, à moins que ces relations n'impliquent l'affranchissement obligatoire et partiel, auquel cas ledit pays de l'Union a droit à la bonification des prix de transit territorial fixés par l'article 4 précédent.

**Settlement.**

Le décompte général des taxes afférentes au transport en dehors des limites de l'Union a lieu sur la base de relevés, qui sont établis en même temps que les relevés dressés en vertu de l'article 4 précédent, pour l'évaluation des frais de transit dans l'Union.

**Exchanges in closed mails.**

Quant aux correspondances échangées en *dépêches closes* entre un pays de l'Union et un pays étranger à celle-ci, par l'intermédiaire d'un autre pays de l'Union, le transit en est soumis, savoir :

Dans le ressort de l'Union, aux prix déterminés par l'article 4 de la présente Convention.

**Transit regulations.**

**Money-orders.**

Le service des lettres avec valeur déclarée et celui des mandats de poste font l'objet d'arrangements particuliers entre les divers pays ou groupes de pays de l'Union.

**Detailed regulations.**

Les administrations postales des divers pays qui composent l'Union sont compétentes pour arrêter, d'un commun accord, dans un Règlement

*b.* For correspondence originating in foreign countries and addressed to the Union, to the office of exchange in case of prepayment, and to the office of destination in case of non-prepayment.

The second of these rates is, in every case, assigned to the office of exchange.

With regard to the expenses of transit within the Union, the correspondence originating in or addressed to a foreign country is assimilated to that from or for the country of the Union which maintains relations with the country foreign to the Union, unless such relations imply obligatory and partial prepayment, in which case the said Union country has the right to the territorial transit rates fixed by Article 4 preceding.

The general settlement of the rates chargeable for the conveyance beyond Union limits takes place upon the basis of statements which are prepared at the same time as the statements drawn up by virtue of Article 4 preceding for the calculation of the expenses of transit within the Union.

As regards the correspondence exchanged in *closed mails* between a country of the Union and a country foreign to the Union, through the intermediary of another country of the Union, the transit thereof is subject as follows:

Within the limits of the Union, to the rates fixed by Article 4 of the present Convention.

Beyond the limits of the Union, to the conditions arising from special arrangements concluded or to be concluded for that purpose between the Administrations interested.

### ARTICLE 13.

### ARTICLE 13.

The exchange of letters of declared value and that of postal money-orders form the subject of special arrangements between the various countries or groups of countries of the Union.

### ARTICLE 14.

### ARTICLE 14.

The Postal Administrations of the various countries composing the Union are competent to establish by mutual agreement, in a Regula-

d'exécution, toutes les mesures d'ordre et de détail qui sont jugées nécessaires.

Les différentes administrations peuvent, en outre, prendre entre elles les arrangements nécessaires au sujet des questions qui ne concernent pas l'ensemble de l'Union, pourvu que ces arrangements ne dérogent pas à la présente Convention.

Il est toutefois permis aux administrations intéressées de s'entendre mutuellement pour l'adoption de taxes réduites dans un rayon de 30 kilomètres, pour les conditions de la remise des lettres par express, ainsi que pour l'échange des cartes postales avec réponse payée. Dans ce dernier cas, le renvoi des cartes-réponse au pays d'origine jouit de l'exemption de frais de transit stipulée par le dernier alinéa de l'article 4 de la présente Convention.

### ARTICLE 15.

La présente Convention ne porte point altération à la législation postale de chaque pays, dans tout ce qui n'est pas prévu par les stipulations contenues dans cette Convention.

Elle ne restreint pas le droit des parties contractantes de maintenir et de conclure des traités, ainsi que de maintenir et d'établir des Unions plus restreintes, en vue de l'amélioration des relations postales.

### ARTICLE 16.

Est maintenue l'institution, sous le nom de *Bureau international de l'Union postale universelle*, d'un office central qui fonctionne sous la haute surveillance de l'Administration des postes suisses, et dont les frais sont supportés par toutes les administrations de l'Union.

Ce Bureau demeure chargé de réunir, de coordonner, de publier et de distribuer les renseignements de toute nature qui intéressent le service international des postes ; d'émettre, à la demande des parties en cause, un avis sur les questions litigieuses ; d'instruire les demandes en modification des actes du Congrès ; de notifier les changements adoptés, et, en général, de

tion of Execution, all the measures of order and detail which are judged necessary.

The several Administrations may, moreover, make among themselves the necessary arrangements on the subject of questions which do not concern the Union generally, provided that these arrangements are not contrary to the present Convention.

*Special conventions.*

The Administrations interested are, however, permitted to come to mutual arrangements for the adoption of lower rates of postage, within a radius of 30 kilometers, for the conditions of the delivery of letters by express, as well as for the exchange of post-cards with paid answer. In this latter case, the answer-cards, when sent back to the country of origin, are exempt from the transit charges stipulated by the last paragraph of Article 4 of the present Convention.

*Lower rates.*

*Double post-cards.*

### ARTICLE 15.

The present Convention involves no alteration in the postal legislation of any country as regards anything which is not provided for by the stipulations contained in this Convention.

It does not restrict the right of the contracting parties to maintain and to conclude treaties, as well as to maintain and establish more restricted Unions, with a view to the improvement of postal relations.

*Reserved rights.*

### ARTICLE 16.

There is maintained, under the name of the *International Bureau of the Universal Postal Union*, a central office, which is conducted under the superintendence of the Swiss Postal Administration, and the expenses of which are borne by all the Administrations of the Union.

*International Bureau.*

This office continues to be charged with the duty of collecting, collating, publishing, and distributing information of every kind which concerns the international postal service ; of giving, at the request of the parties concerned, an opinion upon questions in dispute ; of making known proposals for modifying the acts of the Congress ; of giving notice of the changes adopted, and,

in general, of undertaking examinations and labors devolving upon it in the interest of the Postal Union.

### ARTICLE 17.

#### **Arbitration of disagreements.**

En cas de dissens entre deux ou plusieurs membres de l'Union relativement à l'interprétation de la présente Convention, la question en litige est réglée par jugement arbitral. A cet effet, chacune des administrations en cause choisit un autre membre de l'Union qui n'est pas directement intéressé dans l'affaire.

#### **Decision.**

La décision des arbitres est donnée à la majorité absolue des voix.

#### **Ties.**

En cas de partage des voix, les arbitres choisissent, pour trancher le différend, une autre administration également désintéressée dans le litige.

In case of disagreement between two or more members of the Union as to the interpretation of the present Convention, the question in dispute is decided by arbitration. To that end, each of the Administrations concerned chooses another member of the Union not directly interested in the matter.

The decision of the arbitrators is given by the absolute majority of votes.

In case of an equality of votes, the arbitrators choose, in order to settle the difference, another Administration equally disinterested in the disputed question.

### ARTICLE 18.

#### **Admissions to Union.**

Les pays qui n'ont point pris part à la présente Convention sont admis à y adhérer sur leur demande.

#### **Notice.**

Cette adhésion est notifiée, par la voie diplomatique, au Gouvernement de la Confédération suisse, et, par ce Gouvernement, à tous les pays de l'Union.

#### **Rights and duties.**

Elle emporte, de plein droit, accession à toutes les clauses et admission à tous les avantages stipulés par la présente Convention.

#### **Contribution to expenses of International Bureau.**

Il appartient au Gouvernement de la Confédération suisse de déterminer, d'un commun accord avec le Gouvernement du pays intéressé, la part contributive de l'administration de ce dernier pays dans les frais du Bureau international, et, s'il y a lieu, les taxes à percevoir par cette administration en conformité de l'article 7 précédent.

### ARTICLE 18.

Countries which have not taken part in the present convention are admitted to adhere thereto upon their demand.

Notice is given of this adhesion, through the diplomatic channel, to the Government of the Swiss Confederation, and by that Government to all the countries of the Union.

It implies, as a right, accession to all the clauses and admission to all the advantages stipulated by the present Convention.

It devolves upon the Government of the Swiss Confederation to determine, by mutual agreement with the Government of the country interested, the share to be contributed by the Administration of this latter country toward the expenses of the International Bureau, and, if necessary, the rates to be levied by that Administration in conformity with Article 7 preceding.

## ARTICLE 20.

Dans l'intervalle qui s'écoule entre les réunions, tout administration des postes d'un pays de l'Union a le droit d'adresser aux autres administrations participantes, par l'intermédiaire du Bureau international, des propositions concernant le régime de l'Union. Mais, pour devenir exécutoires ces propositions doivent réunir, savoir:

In the interval which elapses between the meetings, any Postal Administration of a country of the Union has the right to address to the other Administrations belonging to it, through the intermediary of the International Bureau, proposals concerning the regimen of the Union. But to become executive these propositions must obtain, as follows:

Changes in regi-men.

1<sup>o</sup> L'unanimité des suffrages, s'il s'agit de la modification des dispositions des articles 2, 3, 4, 5, 6 et 9 précédents;

1st. Unanimity of votes, if they involve a modification of the stipulations of Articles 2, 3, 4, 5, 6, and 9 preceding.

Votes to determine changes.

2<sup>o</sup> Les deux tiers des suffrages, s'il s'agit de la modification des dispositions de la Convention autres que celles des articles 2, 3, 4, 5, 6 et 9;

2d. Two-thirds of the votes, if they involve a modification of the stipulations of the Convention other than those of Articles 2, 3, 4, 5, 6, and 9.

3<sup>o</sup> La simple majorité absolue, s'il s'agit de l'interprétation des dispositions de la Convention, hors le cas de litige prévu à l'article 17 précédent.

3d. A simple absolute majority, if they involve the interpretation of the stipulations of the Convention, except in the case of dispute contemplated in Article 17 preceding.

Les résolutions valables sont consacrées, dans les deux premiers cas, par une déclaration diplomatique, que le Gouvernement de la Confédération suisse est chargé d'établir et de transmettre à tous les Gouvernements des pays contractants, et, dans le troisième cas, par une simple notification du Bureau international à toutes les administrations de l'Union.

The binding decisions are sanctioned, in the first two cases, by a diplomatic declaration, which the Government of the Swiss Confederation is charged to prepare and transmit to all the Governments of the contracting countries, and, in the third case, by a simple notification from the International Bureau to all the Administrations of the Union.

Notice of change.

2. Les administrations qui usent de la faculté de percevoir des taxes supplémentaires, en représentation des frais extraordinaires afférents à certaines voies, sont libres de ne pas diriger par ces voies, lorsqu'il existe d'autres moyens de communication, celles des correspondances insuffisamment affranchies pour lesquelles l'emploi desdites voies n'a pas été réclamé expressément par les envoyeurs.

2. Lorsqu'il reconnaît des erreurs ou des omissions, il opère immédiatement les rectifications nécessaires sur les feuilles ou listes, en ayant soin de biffer d'un trait de plume les indications erronées, de manière à laisser reconnaître les inscriptions primitives.

3. Ces rectifications s'effectuent par le concours de deux agents. A moins d'une erreur évidente, elles prévalent sur la déclaration originale.

4. Un bulletin de vérification, conforme au modèle B annexé au présent Règlement, est dressé par le bureau destinataire, et envoyé sans délai, sous recommandation d'office, au bureau expéditeur.

5. Celui-ci, après examen, le renvoie avec ses observations, s'il y a lieu.

#### *Verification of the Mails.*

1. The office of exchange which receives a mail ascertains, in the first place, if the entries upon the letter-bill and—the case occurring—upon the list of registered articles, are correct.

2. When it detects errors or omissions, it immediately makes the necessary corrections on the letter-bills or lists, taking care to strike out the erroneous entries with a pen, in such a manner as to let the original entries be seen.

3. These corrections are made by the concurrence of two officers. Except in the case of an obvious error, they are accepted in preference to the original statement.

4. A bulletin of verification, in conformity with model B annexed to the present Regulations, is prepared by the receiving office and sent without delay, under official registration, to the dispatching office.

5. The latter, after examination, returns it with any observations to which it may give rise.

6. In case of the failure of a mail, of a registered article, of the letter-bill, or of the special list, the circumstance is immediately authenticated, in the manner agreed upon, by two officers of the receiving exchange office, and reported to the dispatching exchange office by means of a bulletin of verification.

Si le cas le comporte, ce dernier bureau peut, en outre, être avisé par télégramme aux frais de l'office expéditeur du télégramme.

7. Lorsque le bureau destinataire n'a pas fait parvenir par le premier courrier au bureau expéditeur un bulletin de vérification constatant des erreurs ou des irrégularités quelconques, l'absence de ce document vaut comme accusé de réception de la dépêche et de son contenu, jusqu'à preuve du contraire.

3. Pour la répartition des frais, les pays de l'Union sont divisés en sept classes, contribuant chacune dans la proportion d'un certain nombre d'unités, savoir :

1 <sup>re</sup> classe	- - -	25 unités.

4th "	- - -	10 "
5th "	- - -	5 "
6th "	- - -	3 "
7th "	- - -	1 "

4. These coefficients are multiplied by the number of countries of each class, and the total of the products thus obtained furnishes the number of units by which the total expense is to be divided. The quotient gives the amount of the unit of expense.

5. The countries of the Union are classified as follows, in view of the division of the expenses :

*Convention between the United States of America and the Emperor of Japan, revising certain portions of existing commercial treaties. Concluded July 25, 1878; ratification advised by the Senate December 18, 1878; ratifications exchanged April 8, 1879; proclaimed April 8, 1879.*

July 25, 1878.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

### A PROCLAMATION.

Whereas a convention between the United States of America and His Majesty the Emperor of Japan, revising certain portions of existing commercial treaties and further extending commercial intercourse between the United States and Japan, was concluded and signed by their respective plenipotentiaries at the city of Washington on the twenty-fifth day of July, in the year of our Lord one thousand eight hundred and seventy-eight, the English text of which convention is, word for word, as follows:

*Convention revising certain portions of existing commercial treaties and further extending commercial intercourse between the United States and Japan.*

The President of the United States of America, and His Majesty the Emperor of Japan, both animated with the desire of maintaining the good relations which have so happily subsisted between their respective countries, and wishing to strengthen, if possible, the bond of friendship, and to extend and consolidate commercial intercourse between the two countries by means of an additional convention, have for that purpose named as their respective plenipotentiaries; that is to say; the President of the United States, William Maxwell Evarts, Secretary of State of the United States, and His Majesty the Emperor of Japan, Jushie Yoshida Kiyonari, of the Order of the Rising Sun, and of the Third Class, and His Majesty's Envoy Extraordinary and Minister Plenipotentiary to the United States of America, who, after reciprocal communication of their full powers, found in good and due form, have agreed upon the following articles:

Preamble.

Contracting parties.

### ARTICLE I.

It is agreed by the high contracting parties that the Tariff Convention, signed at Yedo on the 25th day of June, 1866, or the 13th of the 5th month of the second year of Keio, by the respective representatives of the United States, Great Britain, France and Holland on the one hand, and Japan on the other, together with the schedules of tariff on imports and exports and the bonded warehouse regulations, both of which are attached to the said convention, shall hereby be annulled and become inoperative as between the United States and Japan under the condition expressed in Article X. of this present convention; and all such provisions of the treaty of 1858, or the fifth year of Ansei, signed at Yedo, as appertain to the regulations of harbors, customs and taxes, as well as the whole of the trade-regulations, which are attached to the said treaty of 1858, or the fifth year of Ansei, shall also cease to operate.

Conventions of 1866 and 1858 annulled.

It is further understood and agreed that from the time when this present convention shall take effect, the United States will recognize the exclusive power and right of the Japanese government to adjust the

customs tariff and taxes and to establish regulations appertaining to foreign commerce in the open ports of Japan.

## ARTICLE II.

**Import duties.**

It is, however, further agreed that no other or higher duties shall be imposed on the importation into Japan of all articles of merchandise from the United States, than are or may be imposed upon the like articles of any other foreign country; and if the Japanese government should prohibit the exportation from, or importation into, its dominions of any particular article or articles, such prohibition shall not be discriminatory against the products, vessels or citizens of the United States.

## ARTICLE III.

**Export duties.**

It is further agreed, that, as the United States charge no export duties on merchandise shipped to Japan, no export duties on merchandise shipped in the latter country for the United States shall be charged after this treaty shall go into effect.

## ARTICLE IV.

**Forfeitures and penalties.**

It is further stipulated and agreed, that, so long as the first three sentences which are comprised in the first paragraph of article VI. of the treaty of 1858, or the fifth year of Ansei, shall be in force, all claims by the Japanese government for forfeitures or penalties for violations of such existing treaty, as well as for violations of the customs, bonded-warehouse and harbor regulations, which may, under this convention, from time to time, be established by that government, shall be sued for in the consular courts of the United States, whose duty it shall be to try each and every case fairly and render judgment in accordance with the provisions of such treaty and of such regulations; and the amount of all forfeitures and fines shall be delivered to the Japanese authorities.

## ARTICLE V.

**Coasting trade.**

It is understood and declared by the high contracting parties, that the right of controlling the coasting trade of Japan belongs solely, and shall be strictly reserved, to the government of that Empire.

## ARTICLE VI.

**Coasting trade.**

It is, however, agreed, that vessels of the United States arriving at any port of Japan open to foreign commerce, may unload, in conformity with the customs laws of that country, such portions of their cargoes as may be desired, and that they may depart with the remainder, without paying any duties, imposts or charges whatsoever, except for that part which shall have been landed, and which shall be so noted on the manifest. The said vessels may continue their voyage to one or more other open ports of Japan, there to land the part or residue of their cargoes, desired to be landed at such port or ports. It is understood, however, that all duties, imposts or charges whatsoever, which are or may become chargeable upon the vessels themselves, are to be paid only at the first port where they shall break bulk or unload part of their cargo; and that at any subsequent port used in the same voyage only the local port charges shall be exacted for the use of such port.

**Port charges.**

## ARTICLE VII.

**Additional open ports.**

In view of the concessions made by the United States in regard to the customs tariff, and the customs and other regulations of Japan, as above stipulated in Article I., the government of Japan will, on the principle

of reciprocity, make the following concessions, to wit: That two additional ports (whereof one shall be Shimo-no-seki, and the other shall be hereafter decided upon by the contracting parties jointly), from the date when the present convention may go into effect, shall be opened to citizens and vessels of the United States, for the purposes of residence and trade.

Additional open ports.

### ARTICLE VIII.

It is also agreed that, as the occasion for Article V. of the treaty of 1858, or the fifth year of Ansei, between the two countries is considered to have passed away, that article shall, after the present treaty shall have gone into effect, be regarded as no longer binding.

Article V. of treaty of 1858.

### ARTICLE IX.

It is further agreed, that such of the provisions of the treaties or conventions heretofore concluded between the two countries and not herein expressly abrogated, as conflict with any provisions of the present convention are hereby revoked and annulled; that the present convention shall be considered to be and form a part of the existing treaties between the two countries; that the revision of such portions of the said treaties as are not modified or revoked by the present convention, as also the revision of the present convention itself, may be demanded hereafter by either of the high contracting parties; and that this convention, as well as the previous treaties as modified thereby, shall continue in force until, upon such a revision of the whole, or any part thereof, it shall be otherwise provided.

Conflicting provisions.

Revision.

### ARTICLE X.

The present convention shall take effect when Japan shall have concluded such conventions or revisions of existing treaties with all the other treaty powers holding relations with Japan as shall be similar in effect to the present convention, and such new conventions or revisions shall also go into effect.

Commencement.

The present convention shall be ratified and the ratifications shall be exchanged at Washington as soon as may be within fifteen months from the date hereof.

Ratification.

In faith whereof the above named Plenipotentiaries have hereunto set their hands and seals, at the city of Washington, this twenty-fifth day of July, one thousand eight hundred and seventy-eight, or twenty-fifth day of the seventh month of the eleventh year of Meiji.

Signatures.

WILLIAM MAXWELL EVARTS, [L. S.]  
YOSHIDA KIYONARI, [L. S.]

And whereas the said convention has been duly ratified on both parts, and the respective ratifications of the same were exchanged in the city of Washington on the eighth day of April, 1879.

Proclamation.

Now, therefore, be it known, that I, Rutherford B. Hayes, President of the United States of America, have caused the said convention to be made public, to the end that the same and every clause and article thereof may be observed and fulfilled with good faith by the United States and the citizens thereof.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this eighth day of April, in the year of our Lord one thousand eight hundred and seventy-nine, and of [SEAL.] the Independence of the United States the one hundred and third.

R. B. HAYES.

By the President:

W. M. EVARTS,  
*Secretary of State.*
