CHAP. 82.—An act to amend the act of June fifteenth, eighteen hundred and forty-four, and for other purposes.

Preamble.
Vol. 5, p. 666.
Lots granted to county of Dubuque, Iowa.

Whereas, by an act of Congress approved June fifteenth, anno Domini eighteen hundred and forty-four, a grant was made to the county of Dubuque, Territory of Iowa, in the following words:

“That the following-described pieces or parcels of land are hereby granted and given to the county of Dubuque, in the Territory of Iowa, to wit: Two lots and a half lying and being situate in the town of Dubuque, on the northwest corner of Seventh and Locust streets, in said county, being the same land upon which the old county jail now stands, and is designated on the Government plat of said town as ‘public square.’

SEC. 2. *And be it further enacted.* That the county commissioners of the county of Dubuque be, and they are hereby, authorized and empowered to make sale or otherwise dispose of the lots of land described in the first section of this act, in such manner as will best subserve the interests of said county;” and

Whereas through a clerical error, said jail lot or public square was described as being on the northwest corner of Seventh and Locust streets, when it was in fact on the northeast corner thereof; and

Whereas the said county of Dubuque, under the powers conferred by said act, sold to John and Thomas Burton the said tract of land situated on the northeast corner of Seventh and Locust streets, in said town of Dubuque, on which the old county jail stood and designated on the Government plat of said town as "public square," the same being a rectangular tract fronting one hundred and fourteen feet on Seventh street and one hundred and twenty-seven feet and eleven inches on Locust street; but in the deed from said county to said John and Thomas Burton the same clerical error was made as to the corner on which said tract was situated as was made in said act: Therefore, as curative of the error aforesaid,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the said rectangular tract of land on the northeast corner of Seventh and Locust streets, in the city of Dubuque, Dubuque County, State of Iowa, fronting one hundred and fourteen feet on Seventh street and one hundred and twenty-seven feet and eleven inches on Locust street, being the premises on which the old county jail formerly stood, and designated on the Government plat as "public square," be, and is hereby, granted and the title thereto confirmed in and to said county of Dubuque, and its grantees, the said John and Thomas Burton, their heirs and assigns forever, with like effect in all respects as though correctly described in said original act and in the said conveyance thereunder by said county.

Error in description of land corrected.

such railway. In case of failure to make amicable settlement with any occupant, such compensation shall be determined by the appraisement of three disinterested referees, to be appointed one (who shall act as chairman) by the President, one by the chief of the nation to which said occupant belongs, and one by said railroad company, who, before entering upon the duties of their appointment, shall take and subscribe, before a district judge, clerk of a district court, or United States commissioner, an oath that they will faithfully and impartially discharge the duties of their appointment, which oath, duly certified, shall be returned with their award to and filed with the Secretary of the Interior within sixty days from the completion thereof; and a majority of said referees shall be competent to act in case of the absence of a member, after due notice. And upon the failure of either party to make such appointment within thirty days after the appointment made by the President, the vacancy shall be filled by the district judge of the court held at Fort Smith, Arkansas, or at the district court for the district of Kansas, upon the application of the other party. Witnesses shall receive the usual fees allowed by the courts of said nations. Costs, including compensation of the referees, shall be made a part of the award, and be paid by such railroad company. In case the referees cannot agree, then any two of them are authorized to make the award. Either party being dissatisfied with the finding of the referees shall have the right, within ninety days after the making of the award and notice of the same, to appeal by original petition to the district court held at Fort Smith, Arkansas, or the district court for the district of Kansas, which courts shall have jurisdiction to hear and determine the subject-matter of said petition, according to the laws of the State in which the same shall be heard provided for determining the damage when property is taken for railroad purposes. If the judgment of the court shall be for the same sum as the award of the referees, then the costs shall be adjudged against the appellant. If the judgment of the court shall be for a smaller sum than the award of the referees, then the costs shall be adjudged against the party claiming damages. When proceedings have been commenced in court, the railway company shall pay double the amount of the award into court to abide the judgment thereof, and then have the right to enter upon the property sought to be condemned and proceed with the construction of the railroad.

SEC. 4. That said railroad company shall not charge the inhabitants of said Territory a greater rate of freight than the rate authorized by the laws of the State of Arkansas for services or transportation of the same kind: *Provided*, That passenger rates on said railway shall not exceed three cents per mile. Congress hereby reserves the right to regulate the charges for freight and passengers on said railway and messages on said telegraph and telephone lines, until a State government or governments shall exist in said Territory within the limits of which said railway or a part thereof, shall be located; and then such State government or governments shall be authorized to fix and regulate the cost of transportation of persons and freights within their respective limits by said railway; but Congress expressly reserves the right to fix and regulate at all times the cost of such transportation by said railway or said company whenever such transportation shall extend from one State into another, or shall extend into more than one State: *Provided, however*, That the rate of such transportation of passengers, local or inter-State, shall not exceed the rate above expressed: *And provided further*, That said railway company shall carry the mail at such prices
