CHAP. 853.—An act for the relief of Nathaniel McKay and the executors of Donald McKay.

August 30, 1890.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the claims of Nathaniel McKay and the executors of Donald McKay for further compensation for the construction of the iron-clad monitors Squando and Nauset, and the side-wheel steamer Ashuelot, may be submitted by said claimants within six months after the passage of this act to the Court of Claims, under and in compliance with the rules and regulations of said court; and said court shall have jurisdiction to hear and determine and render judgment upon the same: *Provided, however,* That the investigation of said claim shall be made upon the following basis: The said court shall ascertain the additional cost which was necessarily incurred by the contractors for building the light-draught monitors Squando and Nauset and the side-wheel steamer Ashuelot in the completion of the same, by reason of any changes or alterations in the plans and specifications required, and delays in the prosecution of the work: *Provided,* That such additional cost in completing the same, and such changes or alterations in the plans and specifications required, and delays in the prosecution of the work were occasioned by the Government of the United States; but no allowance for any advance in the price of labor or material shall be considered unless such advance occurred during the prolonged term for completing the work rendered necessary by delay resulting from the action of the Government aforesaid, and then only when such advance could not have been avoided by the exercise of ordinary prudence and diligence on the part of the contractors: *And provided further,* That the compensation fixed by the contractors and the Government for specific alterations in advance of such alterations shall be conclusive as to the compensation to be made therefor: *Provided,* That such alterations, when made, complied with the specifications of the same as furnished by the Government aforesaid: *And provided further,* That all moneys paid to said contractors by the Government over and above the original contract price for building said vessel shall be deducted from any amounts allowed by said court by reason of the matters hereinbefore stated: *And provided further,* That if any such changes caused less work and expenses to the contractors than the original plan and specifications a corresponding deduction shall be made from the contract price, and the amount thereof be deducted from any allowance which may be made by said court to said claimants.

Nathaniel McKay and executors of Donald McKay.

Claim referred to Court of Claims.

Provisos.

Basis of examination.

Additional cost from changes, etc.

Alterations agreed upon in advance.

Alterations complying with specifications.

Deductions for payments.

Deductions for alterations decreasing expense, etc.

Approved, August 30, 1890.

CHAP. 855.—An act granting a pension to John Conolly.

September 1, 1890.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Interior be, and he is hereby, authorized and directed to place on the pension-roll, subject to the provisions and limitations of the pension laws, the name of John Conolly, late an assistant engineer in the United States Navy.

John Conolly. Pension.

Approved, September 1, 1890.

CHAP. 858.—An act for the relief of the estate of Charles F. Bowers.

September 2, 1890.

Whereas, on or about the ninth day of August, in the year of our Lord eighteen hundred and sixty-two, Charles F. Bowers, then first lieutenant and regimental quartermaster of the Eighth Regiment of

Preamble.

New Jersey Volunteers, did receive from George H. Weeks, then captain and assistant quartermaster of United States volunteers, the sum of two hundred and thirty dollars, being funds of the United States belonging to the Quartermaster Department of the Army, and was unable technically to "account" for the same as required by the rules of the Treasury Department, because of the loss and destruction of his official books and papers during the campaign of eighteen hundred and sixty-two under General John Pope; and

Whereas, it appears by the evidence on file in the Third Auditor's Office of the Treasury Department that the said money was nevertheless actually and lawfully disbursed by the said Charles F. Bowers in the execution of the duties of his said office, though unable to furnish formal vouchers therefore because of said loss and destruction of his said books and papers: Therefore,

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury pay, out of any money in the Treasury not otherwise appropriated, to the legal personal representative or representatives of the late Charles F. Bowers, of Newark, New Jersey, the sum of two hundred and thirty dollars.

Approved, September 2, 1890,

Charles F. Bowers.

Payment to legal
representatives of.

September 2, 1890.

CHAP. 1280.—An act for the relief of Snowden and Mason.

Snowden and Mason.
Claim for building
monitors referred to
Court of Claims.

Provisos.

Basis of investiga-
tion.

Additional allowance
for extra cost from
change of plans, etc.

Agreed alterations.

Alterations com-
plying with specifica-
tions.

Payments deducted.

Deductions for de-
creased cost.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the claims of Snowden and Mason for further compensation for the construction of the iron-clad monitors Manayunk and Umpqua may be submitted by said claimants, within six months after the passage of this act, to the Court of Claims, under and in compliance with the rules and regulations of said court; and said court shall have jurisdiction to hear and determine and render judgment upon the same: *Provided, however,* That the investigation of said claim shall be made upon the following basis: The said court shall ascertain the additional cost which was necessarily incurred by the contractors for building the iron-clad monitors Manayunk and Umpqua, in the completion of the same, by reason of any changes or alterations in the plans and specifications required, and delays in the prosecution of the work: *Provided,* That such additional cost in completing the same, and such changes or alterations in the plans and specifications required, and delays in the prosecution of the work, were occasioned by the Government of the United States; but no allowance for any advance in the price of labor or material shall be considered unless such advance occurred during the prolonged term for completing the work rendered necessary by delay resulting from the action of the Government aforesaid, and then only when such advance could not have been avoided by the exercise of ordinary prudence and diligence on the part of the contractors: *And provided further,* That the compensation fixed by the contractors and the Government for specific alterations in advance of such alterations shall be conclusive as to the compensation to be made therefor: *Provided,* That such alterations, when made, complied with the specifications of the same as furnished by the Government aforesaid: *And provided further,* That all moneys paid to said contractors by the Government over and above the original contract-price for building said vessels shall be deducted from any amounts allowed by said court by reason of the matters hereinbefore stated: *And provided further,* That if any such changes caused less work and expenses to the contractors than the original plan and specifications a corresponding deduction shall be made from the contract price, and the amount thereof be deducted from any allowance which may be made by said court to said claimants.

Approved, October 1, 1890.

October 1, 1890.

CHAP. 1281.—An act for the relief of the administratrix of the estate of George W. Lawrence.

Geo. W. Lawrence.
Claims for building
monitor referred to
Court of Claims.

Provisos.

Basis of investiga-
tion.

Allowance for addi-
tional cost from
change of plans, etc.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the claims of George W. Lawrence for further compensation for the construction of the United States monitor Wassuc may be submitted by said claimant within six months after the passage of this act to the Court of Claims, under and in compliance with the rules and regulations of said court; and said court shall have jurisdiction to hear and determine and render judgment upon the same: *Provided, however,* That the investigation of said claim shall be made upon the following basis: The said court shall ascertain the additional cost which was necessarily incurred by the contractor for the construction of the United States vessel Wassuc in the completion of the same, by reason of any changes or alterations in the plans and specifications required, and delays in the prosecution of the work: *Provided,* That such additional cost in completing the same, and such changes or alterations in the plans and specifications required, and delays in the

prosecution of the work, were occasioned by the Government of the United States; but no allowance for any advance in the price of labor or material shall be considered unless such advance occurred during the prolonged term for completing the work rendered necessary by delay resulting from the action of the Government aforesaid, and then only when such advance could not have been avoided by the exercise of ordinary prudence and diligence on the part of the contractor: *And provided further*, That the compensation fixed by the contractor and the Government for specific alterations in advance of such alterations shall be conclusive as to the compensation to be made therefor: *Provided*, That such alterations when made complied with the specifications of the same as furnished by the Government aforesaid: *And provided further*, That all moneys paid to said contractor by the Government over and above the original contract price for building said vessel shall be deducted from any amounts allowed by said court by reason of the matters hereinbefore stated: *And provided further*, That if any such changes caused less work and expenses to the contractor than the original plan and specifications a corresponding deduction shall be made from the contract price, and the amount thereof be deducted from any allowance which may be made by said court to said claimant.

Agreed alterations.

Alterations complying with specifications.
Payments deducted.

Deduction for decreased cost.

Approved, October 1, 1890.

CHAP. 1282.—An act for the relief of Timothy Hennessy.

October 1, 1890.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Secretary of the Treasury be, and he is hereby, authorized and directed to pay unto the said Timothy Hennessy the three months' pay, proper, as major of Fifth Pennsylvania Cavalry Volunteers, under the provisions of the said act of March third, eighteen hundred and sixty-five.
