By the President:

Acting Secretary of State.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

May 12, 1905.

A PROCLAMATION.

WHEREAS, The Pikes Peak Timber Land Reserve, The Plum Creek Timber Land Reserve and the South Platte Forest Reserve, in the State of Colorado, have been heretofore established by proclamations, under the provisions of the acts of March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", and June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes";

And whereas, it appears proper that the greater portion of the area embraced in said forest reserves, with the addition thereto of certain lands, should be included in one reserve and be designated by one name; and it appears that the public lands in the State of Colorado, within the limits hereinafter described, are in part covered with timber, and that the public good would be promoted by setting apart and reserving the same as a public reservation;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power vested in me by the aforesaid acts of Congress, do hereby make known and proclaim that the proclamations heretofore issued respecting said forest reserves are hereby superseded, and The Pikes Peak Forest Reserve is hereby established in place thereof, with boundaries as follows:

A PROCLAMATION.

WHEREAS, by Executive Order dated December 27, 1875, Sections 5 and 6, township 15 south, range 2 east, San Bernardino Meridian, California, were with certain other tracts of land withdrawn from the public domain and reserved for the use of the Capitan Grande Band or Village of Mission Indians; and

Mission Indian lands, California. Preamble.

WHEREAS, the Commission appointed under the provisions of the Act of Congress approved January 12, 1891, entitled "An Act for the relief of the Mission Indians in the State of California," (U. S. Statutes at Large, vol. 26, page 712) selected for the said Capitan Grande band or village of Indians certain tracts of land and intentionally omitted and excluded from such selection the said sections 5 and 6, township 15 south, range 2 east; and

Vol. 26, p. 712.

WHEREAS, the report and recommendations of the said Commission were approved by Executive Order dated December 29, 1891, which Order also directed that "All of the lands mentioned in said report are hereby withdrawn from settlement and entry until patents shall have issued for said selected reservations, and until the recommendations of said Commission shall be fully executed, and, by the proclamation of the President of the United States, the lands or any part thereof shall be restored to the public domain;" and

WHEREAS, a patent was issued March 10, 1894, to the said Indians for the lands selected by the Commission as aforesaid and

which patent also excluded the said Sections 5 and 6, township 15 south, range 2 east; and

WHEREAS it appears that on the 10th day of March, 1895, Joseph J. Henderson entered upon the Southeast $\frac{1}{4}$ of the Southeast $\frac{1}{4}$, Section 5, township 15 south, range 2 east, San Bernardino Meridian, for the purpose of taking the land under the homestead law, and cannot make the requisite filings on the land occupied by him until it shall have been formally restored to the public domain, and that no good reason appears to exist for the further reservation of said Sections 5 and 6 for the said band of Indians:

Certain lands reserved for Mission Indians, restored to public domain.

NOW, THEREFORE, I, THEODORE ROOSEVELT, PRESIDENT OF THE UNITED STATES, by virtue of the power in me vested, do hereby declare and make known that Executive Orders dated December 27, 1875, and December 29, 1891, are so far modified as to except from their provisions Sections 5 and 6, of township 15 south, range 2 east, San Bernardino Meridian, and the said sections are hereby restored to the public domain.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA,

A PROCLAMATION.

Tonnage dues,
Panama.
Preamble.

Whereas, satisfactory proof has been given to me by the Government of the Republic of Panama that no discriminating duties of tonnage or imposts are imposed or levied in the ports of that Republic upon vessels wholly belonging to citizens of the United States or upon the produce, manufactures, or merchandise imported in such vessels from the United States, or from any foreign country:

Panama.
Suspension of
discriminating ton-
nage, etc., duties.
R. S., sec. 4228,
p. 814.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the authority vested in me by section four thousand two hundred and twenty-eight of the Revised Statutes of the United States, do hereby declare and proclaim that, the foreign discriminating duties of tonnage and imposts within the United States are suspended and discontinued so far as respects the vessels of the Republic of Panama, and the produce, manufactures, or merchandise imported into the United States from the Republic of Panama, or from any other foreign country; the suspension to take effect on and after the date of this proclamation and to continue so long as the reciprocal exemption of vessels belonging to citizens of the United States, and their cargoes, shall be continued, and no longer.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington, the 15th day of May, in the year of our Lord one thousand nine hundred and five, and of [SEAL.] the Independence of the United States the one hundred and twenty-ninth.

THEODORE ROOSEVELT

By the President:

F. B. LOOMIS
Acting Secretary of State.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

May 17, 1905.

WHEREAS, The Medicine Bow Forest Reserve, in the State of Wyoming, was established by proclamation dated May twenty-second, nineteen hundred and two, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

The Medicine Bow Forest Reserve, Colo. and Wyo. Preamble. Vol. 32, pp. 2003, 2015. Vol. 26, p. 1103. Post, p. 3303.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision the boundary lines of the said forest reserve were changed and enlarged by proclamation dated July sixteenth, nineteen hundred and two;

Vol. 30, p. 36.

And whereas, it appears that the public good would be promoted by including within the said forest reserve certain additional lands in the State of Colorado which are in part covered with timber;

Vol. 32, p. 2015.

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power vested in me by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Medicine Bow Forest Reserve are hereby further modified so as to read as follows:

By the President:

F. B. LOOMIS

Acting Secretary of State.

May 22, 1905.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

The Bitter Root Forest Reserve, Idaho and Mont. Preamble. Vol. 29, p. 899; Vol. 33, p. 2373. Vol. 26, p. 1103.

Whereas, The Bitter Root Forest Reserve, in the States of Idaho and Montana, was established by proclamation dated February twenty-second, eighteen hundred and ninety-seven, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Vol. 30, p. 36.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision the boundary lines of the said forest reserve were changed and the area reduced by proclamation dated June fourteenth, nineteen hundred and four:

Vol. 33, p. 2373.

And whereas, it appears that the public good would be promoted

by further releasing and excluding lands from the said forest reserve, and by including therein additional lands which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power vested in me by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Bitter Root Forest Reserve are hereby further modified so as to read as follows:

Preamble.
Vol. 33, p. 614.
Post, p. 3207.

Vol. 32, p. 1973.

WHEREAS, it is provided by the Act of Congress, approved January twenty-fourth, nineteen hundred and five, entitled, "An Act for the protection of wild animals and birds in the Wichita Forest Reserve", That the President of the United States is hereby authorized to designate such areas in the Wichita Forest Reserve as should, in his opinion, be set aside for the protection of game animals and birds and be recognized as a breeding place therefor.

"SEC. 2. That when such areas have been designated as provided for in section one of this Act, hunting, trapping, killing, or capturing of game animals and birds upon the lands of the United States within the limits of said areas shall be unlawful, except under such regulations as may be prescribed from time to time, by the Secretary of Agriculture; and any person violating such regulations or the provisions of this Act shall be deemed guilty of a misdemeanor, and shall, upon conviction in any United States court of competent jurisdiction, be fined in a sum not exceeding one thousand dollars or be imprisoned for a period not exceeding one year, or shall suffer both fine and imprisonment, in the discretion of the court.

"SEC. 3. That it is the purpose of this Act to protect from trespass the public lands of the United States and the game animals and birds which may be thereon, and not to interfere with the operation of the local game laws as affecting private, State, or Territorial lands";

And whereas, for the purpose of giving this Act effect, it appears desirable that the entire Wichita Forest Reserve be declared a Game Preserve;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid Act of Congress, do hereby make known and proclaim that the Wichita Forest Reserve, in the Territory of Oklahoma, is designated and set aside for the protection of game animals and birds, and shall be rec-

Reserved from settlement.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

By the President:

T. ROOSEVELT

FRANCIS B. LOOMIS
Acting Secretary of State.

June 12, 1905.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Washington Forest Reserve, Wash. Preamble. Vol. 29, p. 904; Vol. 32, p. 1969. Vol. 26, p. 1103. Post, p. 3297.

WHEREAS, The Washington Forest Reserve, in the State of Washington, was established by proclamation dated February twenty-second, eighteen hundred and ninety-seven, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Vol. 30, p. 36.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "the President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; under which provision, the boundary lines of the said forest reserve were changed and reduced by proclamation dated April third, nineteen hundred and one;

Vol. 32, p. 1969.

And whereas, it appears that the public good would be promoted by further releasing and excluding certain lands from the said forest reserve, and by including therein certain additional lands which are in part covered with timber;

Area further modified.

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid act of Congress, approved June fourth, eighteen hundred and ninety-seven, do hereby make known and proclaim that the boundary lines of the aforesaid Washington Forest Reserve are hereby further modified so as to read as follows:

A PROCLAMATION.

Whereas it is provided by section 13 of the act of Congress of March 3, 1891, entitled "An Act to amend title sixty, chapter three, of the Revised Statutes of the United States, relating to copyrights," that said act "shall only apply to a citizen or subject of a foreign state or nation when such foreign state or nation permits to citizens of the United States of America the benefit of copyright on substantially the same basis as its own citizens; or when such foreign state or nation is a party to an international agreement which provides for

reciprocity in the granting of copyright, by the terms of which agreement the United States of America may, at its pleasure, become a party to such agreement”;

And whereas it is also provided by said section that “the existence of either of the conditions aforesaid shall be determined by the President of the United States by proclamation made from time to time as the purposes of this act may require”;

And whereas satisfactory official assurances have been given that in Norway the law permits to citizens of the United States the benefit of copyright on substantially the same basis as to the citizens of that country:

Copyright benefits extended to subjects of Norway.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, do declare and proclaim that the first of the conditions specified in section 13 of the act of March 3, 1891, is now fulfilled in respect to the subjects of Norway.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

A PROCLAMATION BY THE PRESIDENT OF THE UNITED STATES.

Announcing death of John Hay, Secretary of State.

John Hay, Secretary of State of the United States, died on July 1st. His death, a crushing sorrow to his friends, is to the people of this country a national bereavement; and it is in addition a serious loss to all mankind, for to him it was given to stand as a leader in the effort to better world-conditions by striving to advance the cause of international peace and justice. He entered the public service as the trusted and intimate companion of Abraham Lincoln, and for well-nigh forty-five years he served his country with loyal devotion and high ability in many positions of honor and trust; and finally he crowned his life work by serving as Secretary of State with such farsighted reading of the future and such loyalty to lofty ideals as to confer lasting benefits not only upon our own country but upon all the nations of the earth.

As a suitable expression of national mourning, I direct that the diplomatic representatives of the United States in all foreign countries display the flags over their embassies and legations at half-mast for ten days; that for a like period the flag of the United States be displayed at half-mast at all forts and military posts and at all naval stations and on all vessels of the United States.

I further order that on the day of the funeral the executive departments in the City of Washington be closed and that on all public buildings throughout the United States the national flag be displayed at half-mast.

Done at the City of Washington, this third day of July, A. D. 1905,
and of the independence of the United States of America

D., 1902 (32 Stat., 263), among other things, that on October first, 1903, the unallotted lands in the Uintah Indian Reservation, in the State of Utah, "shall be restored to the public domain: *Provided*, That persons entering any of said lands under the homestead laws shall pay therefor at the rate of one dollar and twenty-five cents per acre".

U i n t a h Indian Reservation, Utah. Preamble. Vol. 32, p. 263.

And, whereas, the time for the opening of said unallotted lands was extended to October 1, 1904, by the Act of Congress approved March 3, 1903 (32 Stat., 998), and was extended to March 10, 1905, by the Act of Congress approved April 21, 1904 (33 Stat., 207), and was again extended to not later than September 1, 1905, by the Act of Congress, approved March 3, 1905 (33 Stat., 1069), which last named act provided, among other things:

Vol. 32, p. 998.

Vol. 33, p. 207.

Vol. 33, p. 1069.

That the said unallotted lands, excepting such tracts as may have been set aside as national forest reserve, and such mineral lands as were disposed of by the Act of Congress of May twenty-seventh, nineteen hundred and two, shall be disposed of under the general provisions of the homestead and townsite laws of the United States, and shall be opened to settlement and entry by proclamation of the President, which proclamation shall prescribe the manner in which these lands may be settled upon, occupied, and entered by persons entitled to make entry thereof; and no person shall be permitted to settle upon, occupy, or enter any of said lands, except as prescribed in said proclamation, until after the expiration of sixty days from the time when the same are thereby opened to settlement and entry: *Provided*, That the rights of honorably discharged Union soldiers and sailors of the late civil and Spanish war or Philippine insurrection,

as defined and described in sections twenty-three hundred and four and twenty-three hundred and five of the Revised Statutes, as amended by the Act of March first, nineteen hundred and one, shall not be abridged.

Unallotted lands on reservation opened to entry, etc., Aug. 28, 1905.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by said Acts of Congress, do hereby declare and make known that all the unallotted lands in said reservation, excepting such as have at that time been reserved for military, forestry and other purposes, and such mineral lands as may have been disposed of under existing laws, will on and after the 28th day of August, 1905, in the manner hereinafter prescribed, and not otherwise, be opened to entry, settlement and disposition under the general provisions of the homestead and townsite laws of the United States; and it is further directed and prescribed that:

Places of registration.

Commencing at 9 o'clock a. m. Tuesday, August 1, 1905, and ending at 6 o'clock p. m. Saturday, August 12, 1905, a registration will be had at Vernal, Price and Provo, State of Utah, and at Grand Junction, State of Colorado, for the purpose of ascertaining what persons desire to enter, settle upon, and acquire title to any of said lands under the homestead law, and of ascertaining their qualifications so to do. To obtain registration each applicant will be required to show himself duly qualified, by written application to be made only on a blank form provided by the Commissioner of the General Land Office, to make homestead entry of these lands under existing laws, and to give the registering officer such appropriate matters of description and identity as will protect the applicant and the Government against any attempted impersonation. Registration cannot be effected through the use of the mails or the employment of an agent, excepting that honorably discharged soldiers and sailors entitled to the benefits of section 2304 of the Revised Statutes of the United States, as amended by the act of Congress, approved March 1, 1901 (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney on a blank form provided by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

Applications.

R. S. sec. 2304, p. 422.

Vol. 31, p. 847.

Certificate of registration.

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he may make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

Restrictions.

Drawings.

The order in which, during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Provo, Utah, commencing at 9 o'clock a. m., Thursday, August 17, 1905, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will

prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed, all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number, and of the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Notice.

Commencing on Monday, August 28, 1905, at 9 o'clock a. m., the applications of those drawing numbers 1 to 50, inclusive, must be presented at the land office in the town of Vernal, Utah, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 51 to 100, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

Applications.
Post, p. 3140.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Certificates of registration.

Persons who make homestead entry for any of these lands will be required to pay therefor at the rate of one dollar and twenty-five cents per acre when they make final proof, but no payment, other than the usual fees and commissions will be required at the time the entry is made.

Payments.

Persons who apply to make entry of these lands prior to October 27, 1905, will not be required to file the usual nonmineral affidavit

Nonmineral affidavits.

with their applications to enter, but such affidavit must be filed before final proof is accepted under their entries; but all persons who make entry after that date will be required to file that affidavit with their applications to enter.

Entries.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appear that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering or settling upon any of said lands during the first sixty days following said opening.

Townsites.
Post, pp. 3139,
3143.

Any person or persons desiring to found, or to suggest establishing, a townsite upon any of the said lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for townsite purposes they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

Entry of undisposed-of lands.

All persons are especially admonished that under the said act of Congress approved March 3, 1905, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of the said period of sixty days, but not before, as hereinbefore prescribed, any of said lands remaining undisposed of may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

Acting Secretary of State.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

July 25, 1905.

A PROCLAMATION.

WHEREAS, The Sierra Forest Reserve, in the State of California, was established by proclamation dated February fourteenth, eighteen hundred and ninety-three, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

The Sierra Forest Reserve, Cal. Preamble. Vol. 27, p. 1059. Vol. 26, p. 1103.

And whereas, the boundary lines of the said forest reserve were changed and enlarged by the Act of Congress, approved February seventh, nineteen hundred and five, entitled, "An Act To exclude from the Yosemite National Park, California, certain lands therein described, and to attach and include the said lands in the Sierra Forest Reserve";

Vol. 33, p. 702.

And whereas, it is further provided by the Act of Congress, approved June fourth, eighteen hundred and ninety-seven, entitled, "An act making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes", that "The President is hereby authorized at any time to modify any Executive order that has been or may hereafter be made establishing any forest reserve, and by such modification may reduce the area or change the boundary lines of such reserve, or may vacate altogether any order creating such reserve"; which authority to change the boundary lines of forest reserves by Executive proclamation was extended, by the aforesaid act of Congress, approved February seventh, nineteen hundred and five, to the lands thereby included in and made a part of the Sierra Forest Reserve;

Vol. 30, p. 36.

And whereas, it appears that the public good would be promoted by including within the said forest reserve certain additional lands in the State of California which are in part covered with timber;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the power in me vested by the aforesaid acts of Congress, do hereby make known and proclaim that the boundary lines of the said Sierra Forest Reserve are hereby further changed so as to read as follows:

A PROCLAMATION.

A PROCLAMATION.

WHEREAS, the Lake Tahoe Forest Reserve, in the State of California, was established by proclamation dated April thirteenth, eighteen hundred and ninety-nine, under and by virtue of section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes", which provides, "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Tahoe Forest Reserve, Cal. and Nev. Preamble. Vol. 31, p. 1953. Vol. 26, p. 1103. Post, p. 3232.

BY THE PRESIDENT OF THE UNITED STATES OF AMERICA.

A PROCLAMATION.

Preamble.

When nearly three centuries ago the first settlers came to the country which has now become this great republic, they fronted not only hardship and privation, but terrible risk to their lives. In those grim years the custom grew of setting apart one day in each year for a special service of thanksgiving to the Almighty for preserving the people through the changing seasons. The custom has now become national and hallowed by immemorial usage. We live in easier and more plentiful times than our forefathers, the men who with rugged strength faced the rugged days; and yet the dangers to national life are quite as great now as at any previous time in our history. It is eminently fitting that once a year our people should set apart a day for praise and thanksgiving to the Giver of Good, and, at the same time that they express their thankfulness for the abundant mercies received, should manfully acknowledge their shortcomings and pledge themselves solemnly and in good faith to strive to overcome them. During the past year we have been blessed with bountiful crops. Our business prosperity has been great. No other people has ever stood on as high a level of material well-being as ours now stands. We are not threatened by foes from without. The foes from whom we should pray to be delivered are our own passions, appetites and follies; and against these there is always need that we should war.

Thursday, November 30, 1905, set apart as a day of national thanksgiving.

Therefore, I now set apart Thursday, the thirtieth day of this November, as a day of thanksgiving for the past and of prayer for the future, and on that day I ask that throughout the land the people gather in their homes and places of worship, and in rendering thanks unto the Most High for the manifold blessings of the past year, consecrate themselves to a life of cleanliness, honor and wisdom; so that this nation may do its allotted work on the earth in a manner worthy of those who founded it and of those who preserved it.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

applicant will be required to show himself duly qualified to make homestead entry of these lands under existing laws, by written application to be made on a blank furnished only at the places herein designated for registration, by the Commissioner of the General Land Office, and to give the registering officers such appropriate matters of description and identity as will protect the applicant and the government against any attempted impersonation. Registration can not be effected through the use of the mails or the employment of an agent, except that honorably discharged soldiers and sailors entitled to the benefits of section twenty-three hundred and four of the Revised Statutes of the United States, as amended by the act of Congress approved March first, nineteen hundred and one (31 Stat., 847), may present their applications for registration and due proofs of their qualifications through an agent of their own selection, having a duly executed power of attorney on a blank furnished by the Commissioner of the General Land Office, but no person will be permitted to act as agent for more than one such soldier or sailor. No person will be permitted to register more than once or in any other than his true name.

R. S., sec. 2304,
p. 422.
Vol. 31, p. 847.

Applicants.

Each applicant who shows himself duly qualified will be registered and given a nontransferable certificate to that effect, which will entitle him to go upon and examine the lands to be opened hereunder; but the only purpose for which he can go upon and examine said lands is that of enabling him later on, as herein provided, to understandingly select the lands for which he may make entry. No one will be permitted to make settlement upon any of said lands in advance of the opening herein provided for, and during the first sixty days following said opening no one but registered applicants will be permitted to make homestead settlement upon any of said lands, and then only in pursuance of a homestead entry duly allowed by the local land officers, or of a soldier's declaratory statement duly accepted by such officers.

Drawings.

The order in which during the first sixty days following the opening, the registered applicants will be permitted to make homestead entry of the lands opened hereunder, will be determined by a drawing for the district publicly held at Billings, Montana, commencing at 9 o'clock a. m., Monday, July 2, 1906, and continuing for such period as may be necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card, which must be signed by the applicant, and giving such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed all of these sealed envelopes will be brought together at the place of the drawing and turned over to the committee in charge of the drawing, who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified by the committee to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice of the drawings, stating the name of each applicant and number assigned to him by the drawing, will be posted each day at the place of drawing, and each applicant will be notified of his number and of the day upon which he must make his entry by a postal card mailed to him at the address given by him at the time of registration. The result of each day's drawing will also be given to the press to be published as a matter of news. Applications for homestead entry of said lands during the first sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Notice of drawings.

Commencing on Monday, July 16, 1906, at 9 o'clock a. m., the applications of those drawing numbers 1 to 125, inclusive, must be presented at the land office in Billings, Montana, in the land district in which said lands are situated, and will be considered in their numerical order during the first day, and the applications of those drawing numbers 126 to 250, inclusive, must be presented and will be considered in their numerical order during the second day, and so on at that rate until all of said lands subject to entry under the homestead law, and desired thereunder, have been entered. If any applicant fails to appear and present his application for entry when the number assigned to him by the drawing is reached, his right to enter will be passed until after the other applications assigned for that day have been disposed of, when he will be given another opportunity to make entry, failing in which he will be deemed to have abandoned his right to make entry under such drawing.

How applications will be considered.

To obtain the allowance of a homestead entry, each applicant must personally present the certificate of registration theretofore issued to him, together with a regular application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Certificates of registration.

Persons who make homestead entry for any of the ceded lands will be required to pay four dollars per acre, payment in all cases to be made as follows: One dollar per acre at the time of entry, and the remainder to be paid in four equal, annual installments, the first installment to be paid at the end of the second year. Upon all entries the usual fee and commissions shall be paid, as provided for in the homestead laws on lands the price of which is one dollar and twenty-five cents per acre.

Payments.

In case any entryman fails to make the payments herein provided for, or any of them, promptly when due, all rights in and to the lands covered by his or her entry shall at once cease, and any payments theretofore made shall be forfeited, and the entry shall be held for cancellation and canceled, and the land embraced therein shall thereupon be subject to entry at the price and upon the terms above set forth. Lands entered under the town-site and mineral land laws shall be paid for in amount and manner as provided by said laws, but in no case at a less price than that fixed for such lands if entered under the homestead laws.

Forfeiture.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If at the time of considering his regular application for entry it appears that an applicant is disqualified from making homestead entry of these lands, his application will be rejected, notwithstanding his prior registration. If any applicant shall register more than once hereunder, or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for, and will be precluded from entering

or settling upon any of said lands during the first sixty days following said opening.

Town sites.

Any person or persons desiring to found, or to suggest establishing, a town site upon any of the said lands, at any point, may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendation in the premises. Such Commissioner, if he believes the public interests will be subserved thereby, will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry, and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for town site purposes they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

Disposal of remaining lands.

All persons are especially admonished that under the said act of Congress approved March 3, 1905, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands, except in the manner prescribed in this proclamation, until after the expiration of sixty days from the time when the same are opened to settlement and entry, and the lands are not subject to mineral exploration or location during that period. After the expiration of said period of sixty days, but not before, as hereinbefore prescribed, any of said lands which are non-mineral, remaining undisposed of, may be settled upon, occupied, and entered under the general provisions of the homestead and townsite laws of the United States in like manner as if the manner of effecting such settlement, occupancy, and entry had not been prescribed herein in obedience to law, and such of said lands as are mineral will then be subject to the provisions of the mining laws.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

A PROCLAMATION.

Whereas, in pursuance of an Act of the Congress of the United States, approved March 3, 1905, entitled "An Act To provide for celebrating the birth of the American nation, the first permanent settlement of English-speaking people on the Western Hemisphere, by the holding of an international naval, marine, and military celebration in the vicinity of Jamestown, on the waters of Hampton Roads, in the State of Virginia; to provide for a suitable and permanent commemoration of said event, and to authorize an appropriation in aid thereof, and for other purposes," a proclamation by the President of the United States was duly made and published on March 29, 1905, declaring that there shall be inaugurated on and near the waters of Hampton Roads, in the State of Virginia, an international naval, marine, and military celebration, beginning May 13 and ending not later than November 1, 1907, for the purpose of commemorating the events set forth in said Act; which said proclamation also invited all the nations of the earth to take part therein by sending their naval vessels to the said celebration, and by making such representations of their military organizations as may be practicable;

And Whereas Section 3 of said Act authorizes the President * * "to have such portions of our Army and Navy assembled there during the said celebration as may be compatible with the public service. And the President is also authorized to invite participation in said celebration by the militia of the several States, but at their own expense.";

And Whereas accordingly in due season the necessary directions will be issued to the Secretary of War and the Secretary of the Navy for the assembling, upon said occasion, of such portions of our Army and Navy as will fittingly represent these branches of the public service;

Now, therefore, I, Theodore Roosevelt, President of the United States, by virtue of the authority vested in me by said Act and in the name of the Government of the United States, do hereby invite the Governors of the several States and Territories to participate, but at their own expense, in said celebration by sending such organizations of the militia as, in their judgment, will afford proper military representation. The historic nature of this celebration renders it peculiarly appropriate that the representation of the militia should be commensurate with the interest and pride of our people in their citizen-soldiery who have in the many ordeals of our Colonial and National life met their military obligations with superb self-sacrifice and devotion.

Bear River Forest Reserve, Idaho and Utah. Preamble. Vol. 26, p. 1103.

WHEREAS, it is provided by section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes"; "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

And whereas, the public lands, in the States of Idaho and Utah, which are hereinafter indicated, are in part covered with timber, and it appears that the public good would be promoted by setting apart said lands as a public reservation;

Forest reserve, Idaho and Utah.

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by section twenty-four of the aforesaid Act of Congress, do proclaim that there are hereby reserved from entry or settlement and set apart as a Public Reservation, for the use and benefit of the people, all the tracts of land, in the States of Idaho and Utah, shown as the Bear River Forest Reserve on the diagram forming a part hereof;

Lands excepted.

Excepting from the force and effect of this proclamation all lands which may have been, prior to the date hereof, embraced in any legal entry or covered by any lawful filing duly of record in the proper United States Land Office, or upon which any valid settlement has been made pursuant to law, and the statutory period within which to make entry or filing of record has not expired: *Provided*, that this exception shall not continue to apply to any particular tract of land unless the entryman, settler or claimant continues to comply with the law under which the entry, filing or settlement was made.

Reserved from settlement.

Warning is hereby expressly given to all persons not to make settlement upon the lands reserved by this proclamation.

Whereas, a portion of the land shown as the Bear River Forest Reserve on the diagram forming a part hereof was reserved by proclamation of May twenty-ninth, nineteen hundred and three, and designated as "The Logan Forest Reserve";

Bear River Forest Reserve established in place of the Logan Forest Reserve.

And whereas, it appears desirable that the several tracts hereby reserved should be known by one name, the title, "The Logan Forest Reserve" is hereby abolished, and the reservation established by this proclamation shall be known as the Bear River Forest Reserve.

Each applicant who shows himself duly qualified will be registered and given a non-transferable certificate to that effect, and each person holding such certificate will be entitled to go upon any ceded lands subject to entry hereunder and examine such lands, but the only purpose for which he can go upon and examine such lands is to enable him later on, as herein provided, to understandingly select the lands for which he may make entry.

Drawings.

The order in which during the first sixty days following the opening the registered applicants will be permitted to make homestead entry of lands opened hereunder will be determined by a drawing for the district, held at Lander, Wyoming, commencing at nine o'clock a. m., Saturday, August 4, 1906, and continuing for such period necessary to complete the same. The drawing will be had under the supervision and immediate observance of a committee of three persons whose integrity is such as to make their control of the drawing a guaranty of its fairness. The members of this committee will be appointed by the Secretary of the Interior, who will prescribe suitable compensation for their services. Preparatory to this drawing the registration officers will, at the time of registering each applicant who shows himself duly qualified, make out a card which must be signed by the applicant, and give such a description of the applicant as will enable the local land officers to thereafter identify him. This card will be subsequently sealed in a separate envelope which will bear no other distinguishing label or mark than such as may be necessary to show that it is to go into the drawing. These envelopes will be carefully preserved and remain sealed until opened in the course of the drawing herein provided. When the registration is completed all of these sealed envelopes will be brought together at the place of drawing and turned over to the committee in charge of the drawing who, in such manner as in their judgment will be attended with entire fairness and equality of opportunity, shall proceed to draw out and open the separate envelopes and to give to each inclosed card a number in the order in which the envelope containing the same is drawn. The result of the drawing will be certified to the officers of the district and will determine the order in which the applicants may make homestead entry of said lands and settlement thereon.

Notice.

Notices of the drawing, stating the name of each applicant and the number assigned to him by the drawing, will be posted each day at the place of the drawing, and each applicant will be notified of his number and the day upon which he must make his entry, by a postal card mailed to him at the address given by him at the time of the registration. The result of each day's drawing will also be given to the press and published as a matter of news. Applications for homestead entry during the sixty days following the opening can be made only by registered applicants and in the order established by the drawing.

Applications.
Post, p. 3222.

Commencing August fifteenth, nineteen hundred and six, at nine o'clock a. m., the applications of those persons drawing numbers 1 to 100, inclusive, entitling them to make homestead entries, must be

presented at the land office at Lander, Wyoming, in the land district in which the said lands are situated and will be considered in their numerical order during the first day, and the applications of those drawing numbers 101 to 200, inclusive, entitling them to make homestead entries, must be presented and will be considered in their numerical order during the second day, and so on, Sundays excluded, at the rate of 100 such applications per day until and including August twenty-fifth, nineteen hundred and six; on and after August twenty-seventh, nineteen hundred and six, such applications will be considered in like manner at the rate of 120 per day, Sundays excluded, until and including September sixth, nineteen hundred and six; on and after September seventh, nineteen hundred and six, such applications will be considered at the rate of 140 per day, Sundays excluded, until and including September eighteenth, nineteen hundred and six; on and after September nineteenth, nineteen hundred and six, such applications will be considered at the rate of 160 per day, Sundays excluded, until and including September twenty-ninth, nineteen hundred and six; and on and after October one, nineteen hundred and six, such applications will be considered at the rate of 170 per day, Sundays excluded, until and including October thirteenth, nineteen hundred and six, the expiration of the sixty day period.

If any applicant fails to appear and present his application to make a homestead entry, when the number assigned to him by the drawing is reached, his application to enter will be passed until after the other applications assigned to that day have been disposed of when he will, on that day be given another opportunity to make entry, and if he fails to do so he will be deemed to have abandoned his right to make entry under such drawing.

Failure to present.

To obtain the allowance of a homestead entry each applicant will personally present the certificate of registration theretofore issued to him, together with a regular homestead application and the necessary accompanying proofs, together with the regular land office fees, but an honorably discharged soldier or sailor may file his declaratory statement through his agent, who can represent but one soldier or sailor as in the matter of registration.

Presentation of registration certificate.

The production of the certificate of registration will be dispensed with only upon satisfactory proof of its loss or destruction. If, at the time of considering the regular application to enter, it appears that the applicant is disqualified from making homestead entry on these lands his application will be rejected notwithstanding his prior registration. If any applicant shall register more than once hereunder or in any other than his true name, or shall transfer his registration certificate, he will thereby lose all the benefits of the registration and drawing herein provided for and will be precluded from entering or settling upon any of said lands during the first sixty days following the opening.

Entries.

Persons who make homestead entries for any of the ceded lands within two years after the opening of the same to entry shall pay one dollar and fifty cents per acre for the lands embraced in their entries and for all of the ceded lands thereafter entered under the homestead laws the sum of one dollar and twenty-five cents per acre shall be paid, payment in all cases to be made as follows:

Price.

Fifty cents per acre at the time of making entry and twenty-five cents per acre each year thereafter until the price per acre hereinbefore provided shall have been fully paid. Upon all entries the usual fees and commissions shall be paid as provided for in the homestead laws on lands the price of which is one dollar and twenty-five cents per acre.

Payments.

Fees.

Forfeiture.

In case any entryman fails to make the payments hereinbefore provided for under homestead entries within the time stated, the right of said entryman to the lands covered by his or her entry shall be forfeited and the entry will be canceled.

Townsites.

Any person or persons desiring to found, or to suggest establishing a townsite upon any of the said lands, at any point may, at any time before the opening herein provided for, file in the land office a written application to that effect, describing by legal subdivisions the lands intended to be affected, and stating fully and under oath the necessity or propriety of founding or establishing a town at that place. The local officers will forthwith transmit said petition to the Commissioner of the General Land Office with their recommendations in the premises. Such Commissioner, if he believes the public interests will be subserved thereby will, if the Secretary of the Interior approve thereof, issue an order withdrawing the lands described in such petition, or any portion thereof, from homestead entry and settlement and directing that the same be held for the time being for disposal under the townsite laws of the United States in such manner as the Secretary of the Interior may from time to time direct; and, if at any time after such withdrawal has been made it is determined that the lands so withdrawn are not needed for townsite purposes, they may be released from such withdrawal and then disposed of under the general provisions of the homestead laws in the manner prescribed herein.

Mineral locations.

The lands entered under the townsite, coal and mineral land laws shall be paid for in amount and manner provided by the laws under which they are entered, and unless entry and payment under mineral locations shall be made within three years from date of location all rights thereunder shall cease.

Entry of undisposed lands
Vol. 33, p. 1016.

All persons are especially admonished that under said act of Congress approved March three, nineteen hundred and five, it is provided that no person shall be permitted to settle upon, occupy, or enter any of said lands except in the manner prescribed in this proclamation until after the expiration of sixty days from the time when the same are opened to settlement and entry. After the expiration of said period of sixty days, but not before, as herein prescribed, any of said lands remaining undisposed of may be settled upon, occupied, entered, or located under the general provisions of the homestead, townsite, coal and mineral land laws of the United States in like manner as if the manner affecting such settlement, occupancy, entry, and location had not been prescribed herein in obedience to law.

Regulations.

The Secretary of the Interior shall prescribe all needful rules and regulations necessary to carry into full effect the opening herein provided for.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Bids at Vernal, Utah.

Whereas, by the act of Congress approved June 7, 1897 (30 Stats., 87) it was provided:

The Secretary is hereby directed to allot agricultural lands in severalty to the Uncompahgre Ute Indians now located upon or belonging to the Uncompahgre Indians Reservation in the State of Utah, said allotments to be upon the Uncompahgre and Uintah Reservations or elsewhere in said State. And all the lands of said Uncompahgre Reservation not theretofore allotted in severalty to said Uncompahgre Utes shall, on and after the first day of April, eighteen hundred and ninety-eight, be open for location and entry under all the land laws of the United States; excepting, however, therefrom all lands containing gilsonite, asphalt, elaterite, or other like substances.

And the title to all of the said lands containing gilsonite, asphaltum, elaterite, or other like substances, is reserved to the United States.

And whereas, it is provided by the act of Congress approved March 3, 1903 (32 Stats., 998), entitled "An Act making appropriations for the current and contingent expenses of the Indian Department," etc., as follows:

That in the lands within the former Uncompahgre Indian Reservation, in the State of Utah, containing gilsonite, asphaltum, elaterite, or other like substances, which were reserved from location and entry by provision in the Act of Congress entitled "An Act making appropriations for the current and contingent expenses of the Indian Department, and for fulfilling treaty stipulations with various Indian tribes, for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes," approved June seventh, eighteen hundred and ninety-seven, all discoveries and locations of any such mineral lands by qualified persons prior to January first, eighteen hundred and ninety-one, not previously discovered and located, who recorded notices of such discoveries and locations prior to January first, eighteen hundred and ninety-one, either in the State of Colorado, or in the office of the County recorder of Uintah County, Utah, shall have all the force and effect accorded by law to locations of mining claims upon the public domain. All such locations may hereafter be perfected, and patents shall be issued therefor upon compliance with the requirements of the mineral land laws, provided that the owners of such location shall relocate their respective claims and record the same in the office of the County recorder of Uintah County, Utah, within ninety days after the passage of this Act. All locations of any such mineral lands made and recorded on or subsequent to January first, eighteen hundred and ninety-one, are hereby declared to be null and void; and the remainder of the lands heretofore reserved as aforesaid because of the mineral substances contained in them, in so far as the same may be within even numbered sections, shall be sold and disposed of in tracts not exceeding forty acres, or a quarter of a quarter of a section, in such manner and upon such terms and with such restrictions as may be prescribed in a proclamation of the President of the United States issued for that purpose not less than one hundred and twenty days after the passage of this Act, and not less than ninety days before the time of sale or disposal, and the balance of said lands and also all the mineral therein are hereby specifically reserved for future action of Congress.

Now, therefore, I, THEODORE ROOSEVELT, President of the United States of America, by virtue of the power vested in me by law, do hereby declare and make known that the even-numbered sections of surveyed lands in said former Uncompahgre Indian Reservation in Utah, heretofore reserved by said Act of June 7, 1897, to the United States as containing deposits of gilsonite, asphaltum, elaterite or other like substances, saving and excepting such of said even numbered sections as may be appropriated and claimed under discoveries and locations made and recorded prior to January first, eighteen hundred and ninety-one, and relocated and re-recorded as specified by said Act of March third, nineteen hundred and three (32 Stat., 998) and saving and excepting lands allotted to Indians, and all other lands legally reserved or appropriated, shall be offered for sale upon sealed bids at the Vernal, Utah, land office in tracts not exceeding

forty acres in the aggregate, or the smallest legal subdivision approximating that area; and that the even numbered sections of said lands, now unsurveyed, after the date on which the township plat of survey thereof is officially filed in the local land office in the usual manner, as well as any of the lands offered at this sale remaining unsold may be advertised and sealed bids invited therefor upon the same terms at the same place and at such time as may be specified in a public notice duly given by direction of the Secretary of the Interior. Inasmuch as the government is unable to determine definitely those tracts in the surveyed even numbered sections principally valuable for deposits of gilsonite, asphaltum, elaterite or other like substances bids may be offered for any forty-acre tract or lot approximating that area subject to the regulations as to proof of character of the land, to be hereafter issued.

Disposal of unsold lands.

The bids for the lands offered will be opened at the Vernal, Utah, land office on Saturday, September 15, 1906, commencing at one o'clock P. M., mountain standard time, and will continue from day to day until all bids have been examined.

Opening bids.

All bids to receive consideration must be filed in the district land office at Vernal, Utah, before 4:30 o'clock P. M. of the day preceding that set for the opening of the bids.

Age limit of purchaser.

Bids for said lands shall be in accordance with such form, and at such minimum price as shall be prescribed by the Secretary of the Interior who shall also prescribe all additional rules and regulations necessary to carry into full effect the sale herein provided for.

A PROCLAMATION.

Preamble.

THE time of year has come when, in accordance with the wise custom of our forefathers, it becomes my duty to set aside a special day of thanksgiving and praise to the Almighty because of the blessings we have received, and of prayer that these blessings may be continued. Yet another year of widespread well-being has past. Never before in our history or in the history of any other nation has a people enjoyed more abounding material prosperity than is ours; a prosperity so great that it should arouse in us no spirit of reckless pride, and least of all a spirit of heedless disregard of our responsibilities; but rather a sober sense of our many blessings, and a resolute purpose, under Providence, not to forfeit them by any action of our own.

Material well-being, indispensable tho it is, can never be anything but the foundation of true national greatness and happiness. If we build nothing upon this foundation, then our national life will be as meaningless and empty as a house where only the foundation has been laid. Upon our material well-being must be built a superstructure of individual and national life lived in accordance with the laws of the highest morality, or else our prosperity itself will in the long run turn out a curse instead of a blessing. We should be both reverently thankful for what we have received, and earnestly bent upon turning it into a means of grace and not of destruction.

Thursday, No-
vember 29, 1906,
set apart as a day
of national thank-
sgiving.

Accordingly I hereby set apart Thursday, the twenty-ninth day of November, next, as a day of thanksgiving and supplication, on which the people shall meet in their homes or their churches, devoutly acknowledge all that has been given them, and to pray that they may in addition receive the power to use these gifts aright.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixt.

Done at the City of Washington this 22d day of October, in the year of our Lord one thousand nine hundred and six

A PROCLAMATION

Preamble.

WHEREAS, the public lands in the State of Oregon, which are hereinafter indicated, are in part covered with timber, and it appears that the public good would be promoted by setting apart said lands as a public reservation;

Vol. 26, p. 1103.

And whereas, it is provided by section twenty-four of the Act of Congress, approved March third, eighteen hundred and ninety-one, entitled, "An act to repeal timber-culture laws, and for other purposes," "That the President of the United States may, from time to time, set apart and reserve, in any State or Territory having public land bearing forests, in any part of the public lands wholly or in part covered with timber or undergrowth, whether of commercial value or not, as public reservations, and the President shall, by public proclamation, declare the establishment of such reservations and the limits thereof";

Now, therefore, I, Theodore Roosevelt, President of the United States of America, by virtue of the power in me vested by section twenty-four of the aforesaid act of Congress, do proclaim that there are hereby reserved from entry or settlement and set apart as a Public Reservation, for the use and benefit of the people, all the tracts of land; in the State of Oregon, shown as the Tillamook Forest Reserve on the diagram forming a part hereof;

Lands excepted.

Excepting from the force and effect of this proclamation all lands which are at this date embraced in any legal entry or covered by any lawful filing or selection duly of record in the proper United States Land Office, or upon which any valid settlement has been made pursuant to law, and the statutory period within which to make entry or filing of record has not expired; and also excepting all lands which at this date are embraced within any withdrawal or reservation for any use or purpose to which this reservation for forest uses is inconsistent: Provided, that these exceptions shall not continue to apply to any particular tract of land unless the entryman, settler, or claimant continues to comply with the law under which the entry, filing, or settlement was made, or unless the reservation or withdrawal to which this reservation is inconsistent continues in force; not excepting from the force and effect of this proclamation, however, any land within the boundary herein described, which has been withdrawn to protect the coal therein but this proclamation does not vacate any such coal land withdrawal; and provided that these exceptions shall not apply to any land embraced in any selection, entry or filing, which has been allowed or permitted to remain of record subject to the creation of a permanent reservation.

Warning is hereby given to all persons not to make settlement upon the lands reserved by this proclamation.
