February 17, 1911.

[S. 6702.]

[Public, No. 383.]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the provisions of this Act shall apply to any common carrier or carriers, their officers, agents, and employees, engaged in the transportation of passengers or property by railroad in the District of Columbia, or in any Territory of the United States, or from one State or Territory of the United States or the District of Columbia to any other State or Territory of the United States or the District of Columbia, or from any place in the United States to an adjacent foreign country, or from any place in the United States through a foreign country to any other place in the United States. The term "railroad" as used in this Act shall include all the roads in use by any common carrier operating a railroad, whether owned or operated under a contract, agreement, or lease, and the term "employees" as used in this Act shall be held to mean persons actually engaged in or connected with the movement of any train.

SEC. 2. That from and after the first day of July, nineteen hundred and eleven, it shall be unlawful for any common carrier, its officers or agents, subject to this Act to use any locomotive engine propelled by

steam power in moving interstate or foreign traffic unless the boiler of said locomotive and appurtenances thereof are in proper condition and safe to operate in the service to which the same is put, that the same may be employed in the active service of such carrier in moving traffic without unnecessary peril to life or limb, and all boilers shall be inspected from time to time in accordance with the provisions of this Act, and be able to withstand such test or tests as may be prescribed in the rules and regulations hereinafter provided for.

Inspection.

Chief and two assistant chief inspectors. Appointment, etc. Post, p. 1397.

SEC. 3. That there shall be appointed by the President, by and with the advice and consent of the Senate, a chief inspector and two assistant chief inspectors of locomotive boilers, who shall have general superintendence of the inspectors hereinafter provided for, direct them in the duties hereby imposed upon them, and see that the requirements of this Act and the rules, regulations, and instructions made or given hereunder are observed by common carriers subject hereto.

Selection.

The said chief inspector and his two assistants shall be selected with reference to their practical knowledge of the construction and repairing of boilers, and to their fitness and ability to systematize and carry into effect the provisions hereof relating to the inspection and maintenance of locomotive boilers. The chief inspector shall receive a salary of four thousand dollars per year and the assistant chief inspectors shall each receive a salary of three thousand dollars per year; and each of the three shall be paid his traveling expenses incurred in the performance of his duties. The office of the chief inspector shall be in Washington, District of Columbia, and the Interstate Commerce Commission shall provide such stenographic and clerical help as the business of the offices of the chief inspector and his said assistants may require.

SEC. 4. That immediately after his appointment and qualification the chief inspector shall divide the territory comprising the several States, the Territories of New Mexico and Arizona, and the District of Columbia into fifty locomotive boiler-inspection districts, so arranged that the service of the inspector appointed for each district shall be most effective, and so that the work required of each inspector shall be substantially the same. Thereupon there shall be appointed by the Interstate Commerce Commission fifty inspectors of locomotive boilers. Said inspectors shall be in the classified service and shall be appointed after competitive examination according to the law and the rules of the Civil Service Commission governing the classified service. The chief inspector shall assign one inspector so appointed to each of the districts hereinbefore named. Each inspector shall receive a salary of one thousand eight hundred dollars per year and his traveling expenses while engaged in the performance of his duty. He shall receive in addition thereto an annual allowance for office rent, stationery, and clerical assistance, to be fixed by the Interstate Commerce Commission, but not to exceed in the case of any district inspector six hundred dollars per year. In order to obtain the most competent inspectors possible, it shall be the duty of the chief inspector to prepare a list of questions to be propounded to applicants with respect to construction, repair, operation, testing, and inspection of locomotive boilers, and their practical experience in such work, which list, being approved by the Interstate Commerce Commission, shall be used by the Civil Service Commission as a part of its examination. No person interested, either directly or indirectly, in any patented article required to be used on any locomotive under supervision or who is intemperate in his habits shall be eligible to hold the office of either chief inspector or assistant or district inspector.

Inspection by carriers.

SEC. 5. That each carrier subject to this Act shall file its rules and instructions for the inspection of locomotive boilers with the chief

inspector within three months after the approval of this Act, and after hearing and approval by the Interstate Commerce Commission, such rules and instructions, with such modifications as the commission requires, shall become obligatory upon such carrier: *Provided, however*, That if any carrier subject to this Act shall fail to file its rules and instructions the chief inspector shall prepare rules and instructions not inconsistent herewith for the inspection of locomotive boilers, to be observed by such carrier; which rules and instructions, being approved by the Interstate Commerce Commission, and a copy thereof being served upon the president, general manager, or general superintendent of such carrier, shall be obligatory, and a violation thereof punished as hereinafter provided: *Provided also*, That such common carrier may from time to time change the rules and regulations herein provided for, but such change shall not take effect and the new rules and regulations be in force until the same shall have been filed with and approved by the Interstate Commerce Commission. The chief inspector shall also make all needful rules, regulations, and instructions not inconsistent herewith for the conduct of his office and for the government of the district inspectors: *Provided, however*, That all such rules and instructions shall be approved by the Interstate Commerce Commission before they take effect.

SEC. 6. That it shall be the duty of each inspector to become familiar, so far as practicable, with the condition of each locomotive boiler ordinarily housed or repaired in his district, and if any locomotive is ordinarily housed or repaired in two or more districts, then the chief inspector or an assistant shall make such division between inspectors as will avoid the necessity for duplication of work. Each inspector shall make such personal inspection of the locomotive boilers under his care from time to time as may be necessary to fully carry out the provisions of this Act, and as may be consistent with his other duties, but he shall not be required to make such inspections at stated times or at regular intervals. His first duty shall be to see that the carriers make inspections in accordance with the rules and regulations established or approved by the Interstate Commerce Commission, and that carriers repair the defects which such inspections disclose before the boiler or boilers or appurtenances pertaining thereto are again put in service. To this end each carrier subject to this Act shall file with the inspector in charge, under the oath of the proper officer or employee, a duplicate of the report of each inspection required by such rules and regulations, and shall also file with such inspector, under the oath of the proper officer or employee, a report showing the repair of the defects disclosed by the inspection. The rules and regulations hereinbefore provided for shall prescribe the time at which such reports shall be made. Whenever any district inspector shall, in the performance of his duty, find any locomotive boiler or apparatus pertaining thereto not conforming to the requirements of the law or the rules and regulations established and approved as hereinbefore stated, he shall notify the carrier in writing that the locomotive is not in serviceable condition, and thereafter such boiler shall not be used until in serviceable condition: *Provided*, That a carrier, when notified by an inspector in writing that a locomotive boiler is not in serviceable condition, because of defects set out and described in said notice, may within five days after receiving said notice, appeal to the chief inspector by telegraph or by letter to have said boiler reexamined, and upon receipt of the appeal from the inspector's decision, the chief inspector shall assign one of the assistant chief inspectors or any district inspector other than the one from whose decision the appeal is taken to reexamine and inspect said boiler within fifteen days from date of notice. If upon such reexamination the boiler is found in serviceable condition, the chief inspector shall immediately notify the carrier in writing, whereupon such boiler may

SEC. 8. That in the case of accident resulting from failure from any cause of a locomotive boiler or its appurtenances, resulting in serious injury or death to one or more persons, a statement forthwith must be made in writing of the fact of such accident, by the carrier owning or operating said locomotive, to the chief inspector. Whereupon the facts concerning such accident shall be investigated by the chief inspector or one of his assistants, or such inspector as the chief inspector may designate for that purpose. And where the locomotive is disabled to the extent that it can not be run by its own steam, the part or parts affected by the said accident shall be preserved by said carrier intact, so far as possible, without hindrance or interference to traffic until after said inspection. The chief inspector or an assistant or the designated inspector making the investigation shall examine or cause to be examined thoroughly the boiler or part affected, making full and detailed report of the cause of the accident to the chief inspector.

The Interstate Commerce Commission may at any time call upon the chief inspector for a report of any accident embraced in this section, and upon the receipt of said report, if it deems it to the public interest, make reports of such investigations, stating the cause of accident, together with such recommendations as it deems proper. Such reports shall be made public in such manner as the commission deems proper. Neither said report nor any report of said investigation nor any part thereof shall be admitted as evidence or used for any purpose in any suit or action for damages growing out of any matter mentioned in said report or investigation.

SEC. 9. That any common carrier violating this Act or any rule or regulation made under its provisions or any lawful order of any inspector shall be liable to a penalty of one hundred dollars for each and every such violation, to be recovered in a suit or suits to be brought by the United States attorney in the district court of the United States having jurisdiction in the locality where such violation shall have been committed; and it shall be the duty of such attorneys, subject to the direction of the Attorney-General, to bring such suits upon duly verified information being lodged with them, respectively, of such violations having occurred; and it shall be the duty of the chief inspector of locomotive boilers to give information to the proper United States attorney of all violations of this Act coming to his knowledge.

SEC. 10. That the total amounts directly appropriated to carry out the provisions of this Act shall not exceed for any one fiscal year the sum of three hundred thousand dollars.

Improving Coosa River, Georgia and Alabama: Continuing improvement by the construction of a lock in Dam Numbered Four, and by the construction of Dam Numbered Five, in the State of Alabama, one hundred and fifty thousand dollars.	Dams, Nos. 4 and 5.
The Secretary of War is hereby authorized and empowered to enter into contract with the Ragland Water Power Company, its successors or assigns, hereinafter designated "the contracting party," to complete the dam heretofore partially constructed by the Government at Lock Numbered Four on the Coosa River, the work to be done under his supervision and control, and in accordance with the present adopted project and any modification thereof that he may deem proper: <i>Provided</i> , That the contracting party shall furnish all materials, of every character, and pay for all labor required in the construction of said dam, which, upon completion, shall become the property of the United States, free of all costs, claims, or charges of any kind whatsoever: <i>Provided further</i> , That the terms of this Act and any stipulation which the Secretary of War may deem necessary to safeguard the interests of navigation and other interests of the United States shall be embodied in any contract entered into as aforesaid. The contracting party shall begin the said work within one year from the approval of this Act, and shall complete the same within three years from the date of commencing construction; otherwise the authorization hereby conferred shall be void and the rights hereby conferred shall cease and be determined, the Government reserving the right to commence and finish the work, if deemed advisable, at any time before it is commenced by the contracting party; or, if begun and not carried out in strict conformity to the directions of the Secretary of War, the Government may assume the completion of said work at its option, the cost of such completion to be paid by the contracting party: <i>Provided</i> , That the Secretary of War shall determine from time to time whether the work is being properly done. In consideration of the completion of said dam free of cost to the Government, the contracting party is hereby granted such rights as the Government possesses to use the water power produced by said dam for manufacturing and other industrial purposes for a period of fifty years: <i>Provided</i> , That the plans for the necessary works and structures to utilize said water power shall be approved by the Secretary of War: <i>Provided further</i> , That the right is reserved to the United States to construct, maintain, and operate a forebay and lock for navigation purposes in connection with said dam, and nothing shall be done in the use of the water from said dam or otherwise to interfere with or in any way impede or retard the operation of said lock or the proper and complete navigation of	Ragland Water Power Company. the river at all times, nor in any way to interfere with the use and control of the same by the United States or the maintenance of the water surface above the dam at the established pool level; and the Secretary of War is hereby authorized to prescribe regulations to govern the use of the said water power and the operations of the plant and force employed in connection therewith; and no claim shall be made against the United States for any failure of water power, resulting from any cause whatsoever: *Provided further*, That the contracting party shall furnish to the United States, free of cost, such electric current as may be necessary for operating the Government lock and lighting its buildings and grounds: *And provided further*, That the contracting party may have ingress and egress over Government lands in the construction and operation of the plant. The Secretary of War may require the contracting party to execute a bond, with proper securities, before the commencement of the work, in such amount as he may consider necessary, to insure the beginning, prosecution, and completion of the work and compliance with the terms and requirements of this Act, and in case of failure to comply with the requirements of said bond the contracting party shall forfeit to the United States the full amount thereof: *Provided*, That a suitable force of inspectors shall be employed on the work by the Secretary of War, at the expense of the contracting party, to see that the plans and specifications and the terms and requirements of the Act and the conditions of the contract are strictly carried out. Congress reserves the right to alter, amend or repeal the rights and privileges hereby conferred, and the United States shall incur no liability because of the alteration, amendment, or repeal thereof: *Provided*, That to insure compliance with the terms of this contract, or to protect the interests of navigation and other interests of the United States, the Secretary of War shall have power, at any time, to order a suspension of all privileges hereby granted, and a compliance with such order may be enforced by an injunction of the court of the United States exercising jurisdiction in the district in which the work is situated, and proper proceedings to this end shall be instituted by the Attorney General upon request of the Secretary of War. Nothing herein shall be construed as in any way abridging the exclusive jurisdiction and control by the United States of the Coosa River, and of any structure therein, or as repealing or modifying any of the provisions or laws now existing for the protection of navigation. The contracting party, in consideration of the privileges granted hereby, must, under such regulations as the Secretary of War may require, obligate and bind itself, its successors or assigns, to raise the height of said dam at Lock Numbered Four three feet, and shall stop the leaks above Dam Numbered Four by which water escapes under such dam, so far as the same can be done, and to keep said leaks stopped so far as it is possible so to do. In consideration of making said improvements, the said contracting party shall have the right to raise said dam during low water to such a height as may be necessary to give it a storage basin above the dam, in order that it may develop and operate a water power: *Provided*, That the said storage does not interfere with navigation: *Provided further*, That the said contracting party shall pay all damages incurred by reason of overflowed lands. Beginning with the year nineteen hundred and twenty-five, the contracting party shall pay to the United States for the power due to the natural flowage of the river the sum of one dollar per ten-hour horsepower per year: *Provided*, That in case the natural flowage of the river is increased at this point by storage reservoirs above this point, the power company shall have the right to lease, for a period not exceeding the life of this authorization, the increased power due to said storage, and shall pay on all power above that due

No party shall be entitled in any case to file more than one such affidavit; and no such affidavit shall be filed unless accompanied by a certificate of counsel of record that such affidavit and application are made in good faith. Whenever any cause shall be removed from any State court into any district court of the United States, and the district court shall decide that the cause was improperly removed, and order the same to be remanded to the State court from whence it came, such remand shall be immediately carried into execution, and no appeal or writ of error from the decision of the district court so remanding such cause shall be allowed: *Provided*, That no case arising under an Act entitled "An Act relating to the liability of common carriers by railroad to their employees in certain cases," approved April twenty-second, nineteen hundred and eight, or any amendment thereto, and brought in any State court of competent jurisdiction shall be removed to any court of the United States.

SEC. 29. Whenever any party entitled to remove any suit mentioned in the last preceding section, except suits removable on the ground of prejudice or local influence, may desire to remove such suit from a State court to the district court of the United States, he may make and file a petition, duly verified, in such suit in such State court at the time, or any time before the defendant is required by the laws of the State or the rule of the State court in which such suit is brought to answer or plead to the declaration or complaint of the plaintiff, for the removal of such suit into the district court to be held in the district where such suit is pending, and shall make and file therewith a bond, with good and sufficient surety, for his or their entering in such district court, within thirty days from the date of filing said petition, a certified copy of the record in such suit, and for paying all costs that may be awarded by the said district court if said district court shall hold that such suit was wrongfully or improperly removed thereto, and also for their appearing and entering special bail in such suit if special bail was originally requisite therein. It shall then be the duty of the State court to accept said petition and bond and proceed no further in such suit. Written notice of said petition and bond for removal shall be given the adverse party or parties prior to filing the same. The said copy being entered within said thirty days as aforesaid in said district court of the United States, the parties so removing the said cause shall, within thirty days thereafter, plead, answer, or demur to the declaration or complaint in said cause, and the cause shall then proceed in the same manner as if it had been originally commenced in the said district court.

SEC. 30. If in any action commenced in a State court the title of land be concerned, and the parties are citizens of the same State and the matter in dispute exceeds the sum or value of three thousand dollars, exclusive of interest and costs, the sum or value being made to appear, one or more of the plaintiffs or defendants, before the trial, may state to the court, and make affidavit if the court require it, that he or they claim, and shall rely upon, a right or title to the land under a grant from a State, and produce the original grant, or an exemplification of it, except where the loss of public records shall put it out of his or their power, and shall move that any one or more of the adverse party inform the court whether he or they claim a right or title to the land under a grant from some other State, the party or parties so required shall give such information, or otherwise not be allowed to plead such grant or give it in evidence upon the trial. If he or they inform the court that he or they do claim under such grant, any one or more of the party moving for such information may then, on petition and bond, as hereinbefore mentioned in this chapter, remove the cause for trial to the district court of the United States next to be holden in such district; and any one of either party removing the cause shall not be allowed to plead or give evidence of any other title than that by him or them stated as aforesaid as the ground of his or their claim.

Suits involving civil rights.

Petition, etc.

SEC. 31. When any civil suit or criminal prosecution is commenced in any State court, for any cause whatsoever, against any person who is denied or can not enforce in the judicial tribunals of the State, or in the part of the State where such suit or prosecution is pending, any right secured to him by any law providing for the equal civil rights of citizens of the United States, or of all persons within the jurisdiction of the United States, or against any officer, civil or military, or other person, for any arrest or imprisonment or other trespasses or wrongs made or committed by virtue of or under color of authority derived from any law providing for equal rights as aforesaid, or for refusing to do any act on the ground that it would be inconsistent with such law, such suit or prosecution may, upon the petition of such defendant, filed in said State court at any time before the trial or final hearing of the cause, stating the facts and verified by oath, be removed for trial into the next district court to be held in the district where it is pending. Upon the filing of such petition all further proceedings in the State courts shall cease, and shall not be resumed except as hereinafter provided. But all bail and other security given in such suit or prosecution shall continue in like force and effect as if the same had proceeded to final judgment and execution in the State court. It shall be the duty of the clerk of the State court to furnish such defendant, petitioning for a removal, copies of said process against him, and of all pleadings, depositions, testimony, and other proceedings in the case. If such copies are filed by said petitioner in the district court on the first day of its session, the cause shall proceed therein in the same manner as if it had been brought there by original process; and if the said clerk refuses or neglects to furnish such copies, the petitioner may thereupon docket the case in the district court, and the said court shall then have jurisdiction therein, and may, upon proof of such refusal or neglect of said clerk, and upon reasonable notice to the plaintiff, require the plaintiff to file a declaration, petition, or complaint in the cause; and, in case of his default, may order a nonsuit and dismiss the case at the costs of the plaintiff, and such dismissal shall be a bar to any further suit touching the matter in controversy. But if, without such refusal or neglect of said clerk to furnish such copies and proof thereof, the petitioner for removal fails to file copies in the district court, as herein provided, a certificate, under the seal of the district court, stating such failure, shall be given,

and upon the production thereof in said State court the cause shall proceed therein as if no petition for removal had been filed.

SEC. 32. When all the acts necessary for the removal of any suit or prosecution, as provided in the preceding section, have been performed, and the defendant petitioning for such removal is in actual custody on process issued by said State court, it shall be the duty of the clerk of said district court to issue a writ of habeas corpus cum causa, and of the marshal, by virtue of said writ, to take the body of the defendant into his custody, to be dealt with in said district court according to law and the orders of said court, or, in vacation, of any judge thereof; and the marshal shall file with or deliver to the clerk of said State court a duplicate copy of said writ.

SEC. 33. When any civil suit or criminal prosecution is commenced in any court of a State against any officer appointed under or acting by authority of any revenue law of the United States now or hereafter enacted, or against any person acting under or by authority of any such officer, on account of any act done under color of his office or of any such law, or on account of any right, title, or authority claimed by such officer or other person under any such law; or is commenced against any person holding property or estate by title derived from any such officer, and affects the validity of any such revenue law; or when any suit is commenced against any person for on account of anything done by him while an officer of either House of Congress in the discharge of his official duty, in executing any order of such House, the said suit or prosecution may, at any time before the trial or final hearing thereof, be removed for trial into the district court next to be holden in the district where the same is pending, upon the petition of such defendant to said district court, and in the following manner: Said petition shall set forth the nature of the suit or prosecution and be verified by affidavit, and, together with a certificate signed by an attorney or counselor at law of some court of record of the State where such suit or prosecution is commenced, or of the United States, stating that, as counsel for the petitioner, he has examined the proceedings against him and carefully inquired into all the matters set forth in the petition, and that he believes them to be true, shall be presented to the said district court, if in session, or if it be not, to the clerk thereof at his office, and shall be filed in said office. The cause shall thereupon be entered on the docket of the district court, and shall proceed as a cause originally commenced in that court; but all bail and other security given upon such suit or prosecution shall continue in like force and effect as if the same had proceeded to final judgment and execution in the State court. When the suit is commenced in the State court by summons, subpoena, petition, or other process except capias, the clerk of the district court shall issue a writ of certiorari to the State court, requiring it to send to the district court the record and proceedings in the cause. When it is commenced by capias or by any other similar form or proceeding by which a personal arrest is ordered, he shall issue a writ of habeas corpus cum causa, a duplicate of which shall be delivered to the clerk of the State court, or left at his office, by the marshal of the district or his deputy, or by some person duly authorized thereto; and thereupon it shall be the duty of the State court to stay all further proceedings in the cause, and the suit or prosecution, upon delivery of such process, or leaving the same as aforesaid, shall be held to be removed to the district court, and any further proceedings, trial, or judgment therein in the State court shall be void. If the defendant in the suit or prosecution be in actual custody on mesne process therein, it shall be the duty of the marshal, by virtue of the writ of habeas corpus cum causa, to take the body of the defendant into his custody, to be dealt with in the cause according to law and the order of the district

On failure of the plaintiff so to proceed, judgment of non prosecution may be rendered against him, with costs for the defendant.

Removal of suits by
aliens.
R. S., sec. 644, p. 117.

SEC. 34. Whenever a personal action has been or shall be brought in any State court by an alien against any citizen of a State who is, or at the time the alleged action accrued was, a civil officer of the United States, being a non-resident of that State wherein jurisdiction is obtained by the State court, by personal service of process, such action may be removed into the district court of the United States in and for the district in which the defendant shall have been served with the process, in the same manner as now provided for the removal of an action brought in a State court by the provisions of the preceding section.

When any suit shall be removed from a State court to a district court of the United States, any attachment or sequestration of the goods or estate of the defendant had in such suit in the State court shall hold the goods or estate so attached or sequestered to answer the final judgment or decree in the same manner as by law they would have been held to answer final judgment or decree had it been rendered by the court in which said suit was commenced. All bonds, undertakings, or security given by either party in such suit prior to its removal shall remain valid and effectual notwithstanding said removal; and all injunctions, orders, and other proceedings had in such suit prior to its removal shall remain in full force and effect until dissolved or modified by the court to which such suit shall be removed.

Dismissal or re-
manding of suits not
properly brought.
Vol. 18, p. 472.

SEC. 37. If in any suit commenced in a district court, or removed from a State court to a district court of the United States, it shall appear to the satisfaction of the said district court, at any time after such suit has been brought or removed thereto, that such suit does not really and substantially involve a dispute or controversy properly within the jurisdiction of said district court, or that the parties to said suit have been improperly or collusively made or joined, either as plaintiffs or defendants, for the purpose of creating a case cognizable or removable under this chapter, the said district court shall proceed no further therein, but shall dismiss the suit or remand it to the court from which it was removed, as justice may require, and shall make such order as to costs as shall be just.

SEC. 39. In all causes removable under this chapter, if the clerk of the State court in which any such cause shall be pending shall refuse to any one or more of the parties or persons applying to remove the same, a copy of the record therein, after tender of legal fees for such copy, said clerk so offending shall, on conviction thereof in the district court of the United States to which said action or proceeding was removed, be fined not more than one thousand dollars, or imprisoned not more than one year, or both. The district court to which any cause shall be removable under this chapter shall have power to issue a writ of certiorari to said State court commanding said State court to make return of the record in any such cause removed as aforesaid, or in which any one or more of the plaintiffs or defendants have complied with the provisions of this chapter for the removal of the same, and enforce said writ according to law. If it shall be impossible for the parties or persons removing any cause under this chapter, or complying with the provisions for the removal thereof, to obtain such copy, for the reason that the clerk of said State court refuses to furnish a copy, on payment of legal fees, or for any other reason, the district court shall make an order requiring the prosecutor in any such action or proceeding to enforce forfeiture or recover penalty, as aforesaid, to file a copy of the paper or proceeding by which the same was commenced, within such time as the court may determine; and in default thereof the court shall dismiss the said action or proceeding; but if said order shall be complied with, then said district court shall require the other party to plead, and said action or proceeding shall proceed to final judgment. SEC. 55. Any suit of a local nature, at law or in equity, where the land or other subject-matter of a fixed character lies partly in one district and partly in another, within the same State, may be brought in the district court of either district; and the court in which it is brought shall have jurisdiction to hear and decide it, and to cause mesne or final process to be issued and executed, as fully as if the said subject-matter were wholly within the district for which such court is constituted.

SEC. 56. Where in any suit in which a receiver shall be appointed the land or other property of a fixed character, the subject of the suit, lies within different States in the same judicial circuit, the receiver so appointed shall, upon giving bond as required by the court, immediately be vested with full jurisdiction and control over all the property, the subject of the suit, lying or being within such circuit; subject, however, to the disapproval of such order, within thirty days thereafter, by the circuit court of appeals for such circuit, or by a circuit judge thereof, after reasonable notice to adverse parties and an opportunity to be heard upon the motion for such disapproval; and subject, also, to the filing and entering in the district court for each district of the circuit in which any portion of the property may lie or be, within ten days thereafter, of a duly certified copy of the bill and of the order of appointment. The disapproval of such appointment within such thirty days, or the failure to file such certified copy of the bill and order of appointment within ten days, as herein required, shall divest such receiver of jurisdiction over all such property except that portion thereof lying or being within the State in which the suit is brought. In any case coming within the provisions of this section, in which a receiver shall be appointed, process may issue and be executed within any district of the circuit in the same manner and to the same extent as if the property were wholly within the same district; but orders affecting such property shall be entered of record in each district in which the property affected may lie or be.

In case such absent defendant shall not appear, plead, answer, or demur within the time so limited, or within some further time, to be allowed by the court, in its discretion, and upon proof of the service or publication of said order and of the performance of the directions contained in the same, it shall be lawful for the court to entertain jurisdiction, and proceed to the hearing and adjudication of such suit in the same manner as if such absent defendant had been served with process within the said district; but said adjudication shall, as regards said absent defendant or defendants without

appearance, affect only the property which shall have been the subject of the suit and under the jurisdiction of the court therein, within such district; and when a part of the said real or personal property against which such proceedings shall be taken shall be within another district, but within the same State, such suit may be brought in either district in said State: *Provided, however,* That any defendant or defendants not actually personally notified as above provided may, at any time within one year after final judgment in any suit mentioned in this section, enter his appearance in said suit in said district court, and thereupon the said court shall make an order setting aside the judgment therein and permitting said defendant or defendants to plead therein on payment by him or them of such costs as the court shall deem just; and thereupon said suit shall be proceeded with to final judgment according to law.

SEC. 58. Any civil cause, at law or in equity, may, on written stipulation of the parties or of their attorneys of record signed and filed with the papers in the case, in vacation or in term, and on the written order of the judge signed and filed in the case in vacation or on the order of the court duly entered of record in term, be transferred to the court of any other division of the same district, without regard to the residence of the defendants, for trial. When a cause shall be ordered to be transferred to a court in any other division, it shall be the duty of the clerk of the court from which the transfer is made to carefully transmit to the clerk of the court to which the transfer is made the entire file of papers in the cause and all documents and deposits in his court pertaining thereto, together with a certified transcript of the records of all orders, interlocutory decrees, or other entries in the cause; and he shall certify, under the seal of the court, that the papers sent are all which are on file in said court belonging to the cause; for the performance of which duties said clerk so transmitting and certifying shall receive the same fees as are now allowed by law for similar services, to be taxed in the bill of costs, and regularly collected with the other costs in the cause; and such transcript, when so certified and received, shall henceforth constitute a part of the record of the cause in the court to which the transfer shall be made. The clerk receiving such transcript and original papers shall file the same and the case shall then proceed to final disposition as other cases of a like nature.

SEC. 59. Whenever any new district or division has been or shall be established, or any county or territory has been or shall be transferred from one district or division to another district or division, prosecutions for crimes and offenses committed within such district, division, county, or territory prior to such transfer, shall be commenced and proceeded with the same as if such new district or division had not been created, or such county or territory had not been transferred, unless the court, upon the application of the defendant, shall order the cause to be removed to the new district or division for trial. SEC. 193. The marshal of said court for the District of Columbia and the marshals of the several districts in which said Court of Customs Appeals may be held shall, under the direction of the Attorney General, and with his approval, provide such rooms in the public buildings of the United States as may be necessary for said court: *Provided*, That in case proper rooms can not be provided in such buildings, then the said marshals, with the approval of the Attorney-

General, may, from time to time, lease such rooms as may be necessary for said court. The bailiffs and messengers of said court shall be allowed the same compensation for their respective services as are allowed for similar services in the existing district courts. In no case shall said marshals secure other rooms than those regularly occupied by existing district courts, or other public officers, except where such can not, by reason of actual occupancy or use, be occupied or used by said Court of Customs Appeals.

SEC. 194. The said Court of Customs Appeals shall be a court of record, with jurisdiction as in this chapter established and limited. It shall prescribe the form and style of its seal, and the form of its writs and other process and procedure, and exercise such powers conferred by law as may be conformable and necessary to the exercise of its jurisdiction. It shall have power to establish all rules and regulations for the conduct of the business of the court, and as may be needful for the uniformity of decisions within its jurisdiction as conferred by law. It shall have power to review any decision or matter within its jurisdiction, and may affirm, modify, or reverse the same and remand the case with such orders as may seem to it proper in the premises, which shall be executed accordingly.

SEC. 195. The Court of Customs Appeals established by this chapter shall exercise exclusive appellate jurisdiction to review by appeal, as herein provided, final decisions by a Board of General Appraisers in all cases as to the construction of the law and the facts respecting the classification of merchandise and the rate of duty imposed thereon under such classification, and the fees and charges connected therewith, and all appealable questions as to the jurisdiction of said board, and all appealable questions as to the laws and regulations governing the collection of the customs revenues; and the judgments and decrees of said Court of Customs Appeals shall be final in all such cases.

SEC. 196. After the organization of said court, no appeal shall be taken or allowed from any Board of United States General Appraisers to any other court, and no appellate jurisdiction shall thereafter be exercised or allowed by any other courts in cases decided by said Board of United States General Appraisers; but all appeals allowed by law from such Board of General Appraisers shall be subject to review only in the Court of Customs Appeals hereby established, according to the provisions of this chapter: *Provided*, That nothing in this chapter shall be deemed to deprive the Supreme Court of the United States of jurisdiction to hear and determine all customs cases which have heretofore been certified to said court from the United States circuit courts of appeals on applications for writs of certiorari or otherwise, nor to review by writ of certiorari any customs case heretofore decided or now pending and hereafter decided by any circuit court of appeals, provided application for said writ be made within six months after August fifth, nineteen hundred and nine: *Provided further*, That all customs cases decided by a circuit or district court of the United States or a court of a Territory of the United States prior to said date above mentioned, and which have not been removed from said courts by appeal or writ of error, and all such cases theretofore submitted for decision in said courts and remaining undecided may be reviewed on appeal at the instance of either party by the United States Court of Customs Appeals, provided such appeal be taken within one year from the date of the entry of the order, judgment, or decrees sought to be reviewed.

SEC. 197. Immediately upon the organization of the Court of Customs Appeals, all cases within the jurisdiction of that court pending and not submitted for decision in any of the United States circuit courts of appeals, United States circuit, territorial or district courts, shall, with the record and samples therein, be certified by said courts to said Court of Customs Appeals for further proceedings in accord-

Designation.

SEC. 200. There shall be a court of the United States, to be known as the Commerce Court, which shall be a court of record, and shall have a seal of such form and style as the court may prescribe. The said court shall be composed of five judges, to be from time to time designated and assigned thereto by the Chief Justice of the United

States, from among the circuit judges of the United States, for the period of five years, except that in the first instance the court shall be composed of the five additional circuit judges referred to in the next succeeding section, who shall be designated by the President to serve for one, two, three, four, and five years, respectively, in order that the period of designation of one of the said judges shall expire in each year thereafter. In case of the death, resignation, or termination of assignment of any judge so designated, the Chief Justice shall designate a circuit judge to fill the vacancy so caused and to serve during the unexpired period for which the original designation was made. After the year nineteen hundred and fourteen no circuit judge shall be redesignated to serve in the Commerce Court until the expiration of at least one year after the expiration of the period of his last previous designation. The judge first designated for the five-year period shall be the presiding judge of said court, and thereafter the judge senior in designation shall be the presiding judge. The associate judges shall have precedence and shall succeed to the place and powers of the presiding judge whenever he may be absent or incapable of acting in the order of the date of their designations. Four of said judges shall constitute a quorum, and at least a majority of the court shall concur in all decisions. Each of the judges during the period of his service in the Commerce Court shall, on account of the regular sessions of the court being held in the city of Washington, receive in addition to his salary as circuit judge an expense allowance at the rate of one thousand five hundred dollars per annum.

SEC. 201. The five additional circuit judges authorized by the Act to create a Commerce Court, and for other purposes, approved June eighteenth, nineteen hundred and ten, shall hold office during good behavior, and from time to time shall be designated and assigned by the Chief Justice of the United States for service in the district court of any district, or the circuit court of appeals for any circuit, or in the Commerce Court, and when so designated and assigned for service in a district court or circuit court of appeals shall have the powers and jurisdiction in this Act conferred upon a circuit judge in his circuit.

SEC. 202. The court shall also have a clerk and a marshal, with the same duties and powers, so far as they may be appropriate and are not altered by rule of the court, as are now possessed by the clerk and marshal, respectively, of the Supreme Court of the United States. The offices of the clerk and marshal of the court shall be in the city of Washington, in the District of Columbia. The judges of the court shall appoint the clerk and marshal, and may also appoint, if they find it necessary, a deputy clerk and deputy marshal; and such clerk, marshal, deputy clerk, and deputy marshal, shall hold office during the pleasure of the court. The salary of the clerk shall be four thousand dollars per annum; the salary of the marshal three thousand dollars per annum; the salary of the deputy clerk two thousand five hundred dollars per annum; and the salary of the deputy marshal two thousand five hundred dollars per annum. The said clerk and marshal may, with the approval of the court, employ all requisite assistance. The costs and fees in said court shall be established by the court in a table thereof, approved by the Supreme Court of the United States, within four months after the organization of the court; but such costs and fees shall in no case exceed those charged in the Supreme Court of the United States, and shall be accounted for and paid into the Treasury of the United States.

SEC. 203. The Commerce Court shall always be open for the transaction of business. Its regular sessions shall be held in the city of Washington, in the District of Columbia; but the powers of the court or of any judge thereof, or of the clerk, marshal, deputy clerk, or deputy marshal, may be exercised anywhere in the United States;

and for expedition of the work of the court and the avoidance of undue expense or inconvenience to suitors the court shall hold sessions in different parts of the United States as may be found desirable. The actual and necessary expenses of the judges, clerk, marshal, deputy clerk, and deputy marshal of the court incurred for travel and attendance elsewhere than in the city of Washington shall be paid upon the written and itemized certificate of such judge, clerk, marshal, deputy clerk, or deputy marshal, by the marshal of the court, and shall be allowed to him in the settlement of his accounts with the United States.

Expenses outside of Washington.

Courtrooms outside of Washington. *Ante*, p. 541.

SEC. 204. The United States marshals of the several districts outside of the city of Washington in which the Commerce Court may hold its sessions shall provide, under the direction and with the approval of the Attorney General, such rooms in the public buildings of the United States as may be necessary for the court's use; but in case proper rooms can not be provided in such public buildings, said marshals, with the approval of the Attorney General, may then lease from time to time other necessary rooms for the court.

Assignment of judges to other duty. *Ante*, p. 541.

SEC. 205. If, at any time, the business of the Commerce Court does not require the services of all the judges, the Chief Justice of the United States may, by writing, signed by him and filed in the Department of Justice, terminate the assignment of any of the judges or temporarily assign him for service in any district court or circuit court of appeals. In case of illness or other disability of any judge assigned to the Commerce Court the Chief Justice of the United States may assign any other circuit judge of the United States to act in his place, and may terminate such assignment when the exigency therefor shall cease; and any circuit judge so assigned to act in place of such judge shall, during his assignment, exercise all the powers and perform all the functions of such judge.

Supplying vacancies.

Powers of court and judges. *Ante*, p. 541.

SEC. 206. In all cases within its jurisdiction the Commerce Court, and each of the judges assigned thereto, shall, respectively, have and may exercise any and all of the powers of a district court of the United States and of the judges of said court, respectively, so far as the same may be appropriate to the effective exercise of the jurisdiction hereby conferred. The Commerce Court may issue all writs and process appropriate to the full exercise of its jurisdiction and powers and may prescribe the form thereof. It may also, from time to time, establish such rules and regulations concerning pleading, practice, or procedure in cases or matters within its jurisdiction as to the court shall seem wise and proper. Its orders, writs, and process may run, be served, and be returnable anywhere in the United States; and the marshal and deputy marshal of said court and also the United States marshals and deputy marshals in the several districts of the United States shall have like powers and be under like duties to act for and in behalf of said court as pertain to United States marshals and deputy marshals generally when acting under like conditions concerning suits or matters in the district courts of the United States.

Issue of process.

Procedure. Service, etc., of process.

Jurisdiction. *Ante*, p. 539.

SEC. 207. The Commerce Court shall have the jurisdiction possessed by circuit courts of the United States and the judges thereof immediately prior to June eighteenth, nineteen hundred and ten, over all cases of the following kinds:

To enforce orders of Interstate Commerce Commission. Except payment of money.

First. All cases for the enforcement, otherwise than by adjudication and collection of a forfeiture or penalty or by infliction of criminal punishment, of any order of the Interstate Commerce Commission other than for the payment of money.

To enjoin, etc., orders of Commission.

Second. Cases brought to enjoin, set aside, annul, or suspend in whole or in part any order of the Interstate Commerce Commission.

To prevent unjust discriminations by carriers. Vol. 32, p. 848.

Third. Such cases as by section three of the Act entitled "An Act to further regulate commerce with foreign nations and among

the States," approved February nineteenth, nineteen hundred and three, are authorized to be maintained in a circuit court of the United States.

Fourth. All such mandamus proceedings as under the provisions of section twenty or section twenty-three of the Act entitled "An Act to regulate commerce," approved February fourth, eighteen hundred and eighty-seven, as amended, are authorized to be maintained in a circuit court of the United States.

Nothing contained in this chapter shall be construed as enlarging the jurisdiction now possessed by the circuit courts of the United States or the judges thereof, that is hereby transferred to and vested in the Commerce Court.

The jurisdiction of the Commerce Court over cases of the foregoing classes shall be exclusive; but this chapter shall not affect the jurisdiction possessed by any circuit or district court of the United States over cases or proceedings of a kind not within the above-enumerated classes.

SEC. 208. Suits to enjoin, set aside, annul, or suspend any order of the Interstate Commerce Commission shall be brought in the Commerce Court against the United States. The pendency of such suit shall not of itself stay or suspend the operation of the order of the Interstate Commerce Commission; but the Commerce Court, in its discretion, may restrain or suspend, in whole or in part, the operation of the commission's order pending the final hearing and determination of the suit. No order or injunction so restraining or suspending an order of the Interstate Commerce Commission shall be made by the Commerce Court otherwise than upon notice and after hearing, except that in cases where irreparable damage would otherwise ensue to the petitioner, said court, or a judge thereof may, on hearing after not less than three days' notice to the Interstate Commerce Commission and the Attorney General, allow a temporary stay or suspension in whole or in part of the operation of the order of the Interstate Commerce Commission for not more than sixty days from the date of the order of such court or judge, pending application to the court for its order or injunction, in which case the said order shall contain a specific finding, based upon evidence submitted to the judge making the order and identified by reference thereto, that such irreparable damage would result to the petitioner and specifying the nature of the damage. The court may, at the time of hearing such application, upon a like finding, continue the temporary stay or suspension in whole or in part until its decision upon the application.

SEC. 209. The jurisdiction of the Commerce Court shall be invoked by filing in the office of the clerk of the court a written petition setting forth briefly and succinctly the facts constituting the petitioner's cause of action, and specifying the relief sought. A copy of such petition shall be forthwith served by the marshal or a deputy marshal of the Commerce Court or by the proper United States marshal or deputy marshal upon every defendant therein named, and when the United States is a party defendant, the service shall be made by filing a copy of said petition in the office of the Secretary of the Interstate Commerce Commission and in the Department of Justice. Within thirty days after the petition is served, unless that time is extended by order of the court or a judge thereof, an answer to the petition shall be filed in the clerk's office, and a copy thereof mailed to the petitioner's attorney, which answer shall briefly and categorically respond to the allegations of the petition. No replication need be filed to the answer, and objections to the sufficiency of the petition or answer as not setting forth a cause of action or defense must be taken at the final hearing or by motion to dismiss the petition based

on said grounds, which motion may be made at any time before answer is filed. In case no answer shall be filed as provided herein the petitioner may apply to the court on notice for such relief as may be proper upon the facts alleged in the petition. The court may, by rule, prescribe the method of taking evidence in cases pending in said court; and may prescribe that the evidence be taken before a single judge of the court, with power to rule upon the admission of evidence. Except as may be otherwise provided in this chapter, or by rule of the court, the practice and procedure in the Commerce Court shall conform as nearly as may be to that in like cases in a district court of the United States.

Appeals to Supreme Court.

Ante, p. 542.

SEC. 210. A final judgment or decree of the Commerce Court may be reviewed by the Supreme Court of the United States if appeal to the Supreme Court be taken by an aggrieved party within sixty days after the entry of said final judgment or decree. Such appeal may be taken in like manner as appeals from a district court of the United States to the Supreme Court, and the Commerce Court may direct the original record to be transmitted on appeal instead of a transcript thereof. The Supreme Court may affirm, reverse, or modify the final judgment or decree of the Commerce Court as the case may require.

No stay of judgment unless Supreme Court so direct.

Appeal to the Supreme Court, however, shall in no case supersede or stay the judgment or decree of the Commerce Court appealed from, unless the Supreme Court or a justice thereof shall so direct; and appellant shall give bond in such form and of such amount as the Supreme Court, or the justice of that court allowing the stay, may require. An appeal may also be taken to the Supreme Court of the United States from an interlocutory order or decree of the Commerce Court granting or continuing an injunction restraining the enforcement of an order of the Interstate Commerce Commission, provided such appeal be taken within thirty days from the entry of such order or decree. Appeals to the Supreme Court under this section shall have priority in hearing and determination over all other causes except criminal causes in that court.

SEC. 211. All cases and proceedings in the Commerce Court which but for this chapter would be brought by or against the Interstate Commerce Commission, shall be brought by or against the United States, and the United States may intervene in any case or proceeding in the Commerce Court whenever, though it has not been made a party, public interests are involved.

Attorney General to control all cases.

Ante, p. 543.

SEC. 212. The Attorney General shall have charge and control of the interests of the Government in all cases and proceedings in the Commerce Court, and in the Supreme Court of the United States upon appeal from the Commerce Court. If in his opinion the public interest requires it, he may retain and employ in the name of the United States, within the appropriations from time to time made by the Congress for such purposes, such special attorneys and counselors at law as he may think necessary to assist in the discharge of any of the duties incumbent upon him and his subordinate attorneys; and the Attorney-General shall stipulate with such special attorneys and counsel the amount of their compensation, which shall not be in excess of the sums appropriated therefor by Congress for such purposes, and shall have supervision of their action: *Provided*, That the Interstate Commerce Commission and any party or parties in interest to the proceeding before the commission, in which an order or requirement is made, may appear as parties thereto of their own motion and as of right, and be represented by their counsel, in any suit wherein is involved the validity of such order or requirement or any part thereof, and the interest of such party; and the court wherein is pending such suit may make all such rules and orders as to such

Parties interested may intervene.

Rights of intervenors.

SEC. 213. Complainants before the Interstate Commerce Commission interested in a case shall have the right to appear and be made parties to the case and be represented before the courts by counsel, under such regulations as are now permitted in similar circumstances under the rules and practice of equity courts of the United States.

Right of complainants to be made parties, etc.
Ante, p. 544.

SEC. 214. Until the opening of the Commerce Court, all cases and proceedings of which from that time the Commerce Court is hereby given exclusive jurisdiction may be brought in the same courts and conducted in like manner and with like effect as is now provided by law; and if any such case or proceeding shall have gone to final judgment or decree before the opening of the Commerce Court, appeal may be taken from such final judgment or decree in like manner and with like effect as is now provided by law. Any such case or proceeding within the jurisdiction of the Commerce Court which may have been begun in any other court as hereby allowed, before the said date, shall be forthwith transferred to the Commerce Court, if it has not yet proceeded to final judgment or decree in such other court unless it has been finally submitted for the decision of such court, in which case the cause shall proceed in such court to final judgment or decree and further proceeding thereafter, and appeal may be taken direct to the Supreme Court; and if remanded, such cause may be sent back to the court from which the appeal was taken or to the Commerce Court for further proceeding as the Supreme Court shall direct. All previous proceedings in such transferred case shall stand and operate notwithstanding the transfer, subject to the same control over them by the Commerce Court and to the same right of subsequent action in the case or proceeding as if the transferred case or proceeding had been originally begun in the Commerce Court. The clerk of the court from which any case or proceeding is so transferred to the Commerce Court shall transmit to and file in the Commerce Court the originals of all papers filed in such case or proceeding and a certified transcript of all record entries in the case or proceeding up to the time of transfer.
