The lands hereby eliminated from the Fishlake National Forest which are not embraced in withdrawals for administrative sites for use in the management of the Forest, or in any other reservation or appropriation, shall be restored to the public domain and become subject to settlement under the general provisions of the homestead laws on such date and after such notice by publication as the Secretary of the Interior may prescribe, but shall not become subject to entry, filing, selection, or other form of appropriation until the expiration of thirty days from the date so fixed, and no person will be permitted to acquire or exercise any right whatever under any settlement or occupancy begun prior to such date, and all such settlement or occupation is hereby forbidden.

During that period of fifteen days, he must file his homestead application at the proper local land office, accompanying the same with the usual filing fees and commissions and in addition thereto, one-fifth of the appraised value of the tract selected. To save expense incident to an additional trip to the land and to return to the local land office, he may, following his selection, execute his homestead application for the tract selected within the proper land district and file same in the proper local land office, where it will be held awaiting the payment of the fees and commissions and one-fifth of the appraised value of the land. In that event, the payment must be made within the fifteen days following date of selection. Payments can be made *only* in cash or by postoffice money orders made payable to the receiver of the proper local land office. These payments may be made in person, through the mails or any other means of agency desired, but the applicant assumes all responsibility in the matter. In the case of declaratory statements, allowable under this opening, the same course may be pursued, except that the filing fees must be paid within the fifteen days following date of selection, the party having six months after filing within which to complete entry. Soldiers or sailors or their widows or minor orphan children, making homestead entry of these lands must make payments of fees and commissions and purchase money as is required of other entrymen. All persons making homestead entry of these lands must pay the remaining four-fifths of the purchase money in five equal installments. These payments will become due at the end of two, three, four, five and six years after the date of entry, unless the entry is commuted. If commutation proof is made, all the unpaid installments must be paid at that time. If any entryman fails to make any payment when it becomes due, all his former payments will be forfeited and his entry will be canceled.

Payments.

Restriction.

No person can select more than one tract or present more than one application to enter or file more than one declaratory statement in his own behalf.

Forfeiture.

7. If any person fails to designate the tract he desires to enter on the date assigned to him for that purpose, or if, having made such designation, he fails to perfect it by making entry or filing and payments as above provided, or if he presents more than one application for registration, or presents an application in any other than his true name, he will forfeit his right to make entry or filing under this proclamation.

Occupancy.

8. None of these lands opened to entry under this proclamation shall become subject to settlement or entry prior to nine o'clock a. m. on October 1, 1912, except in the manner prescribed herein; and all persons are admonished not to make any settlement prior to that hour on lands not covered by entries or filings made by them under this proclamation. At nine o'clock a. m. on October 1, 1912, all of said lands which have not then been entered under this proclamation will become subject to settlement and entry under the general provisions of the homestead laws and the said Acts of Congress.

9. The Secretary of the Interior shall make and prescribe such rules and regulations as may be necessary and proper to carry this proclamation and the said Acts of Congress into full force and effect.

### A PROCLAMATION.

Thanksgiving Day, 1911.  
Preamble.

The people of this land having by long sanction and practice set apart towards the close of each passing year a day upon which to cease from their labors and assemble for the purpose of giving praise to Him who is the author of the blessings they have enjoyed, it is my duty as Chief Executive to designate at this time the day for the fulfillment of this devout purpose.

Our country has been signally favored in many ways. The round of the seasons has brought rich harvests. Our industries have thriven far beyond our domestic needs, and the productions of our labor are daily finding enlarged markets abroad. We have been free from the curses of pestilence, of famine and of war. Our national counsels have furthered the cause of peace in other lands and the spirit of benevolence has brought us into closer touch with other peoples, to the strengthening of the bonds of fellowship and good will that link us to our comrades in the universal brotherhood of nations. Strong in the sense of our own right and inspired by as strong a sense of the rights of others, we live in peace and harmony with the world. Rich in the priceless possessions and abundant resources wherewith the unstinted bounty of God has endowed us, we are unselfishly glad when other peoples pass onward to prosperity and peace. That the great privileges we enjoy may continue and that each coming year may see our country more and more firmly established in the regard and esteem of our fellow-nations, is the prayer that should rise in every thankful heart.

WHEREFORE, I, WILLIAM HOWARD TAFT, PRESIDENT OF THE UNITED STATES OF AMERICA, designate Thursday, the thirtieth of November next, as a day of thanksgiving and prayer, and I earnestly call upon my countrymen and upon all that dwell under the flag of our beloved country then to meet in their accustomed places of worship to join in offering praise to Almighty God and devout thanks for the loving mercies He has shown to us.

Thursday, November 30, 1911, appointed as a day of general thanksgiving.

IN WITNESS WHEREOF I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Chicago this thirtieth day of October in the year of our Lord one thousand nine hundred and eleven and of the independence of the United States of America the one hundred and thirty-sixth.

Whereas it is provided by the Act of Congress of March 4, 1909, entitled "An Act to amend and consolidate the Acts respecting copyright" (in effect on July 1, 1909), that the provisions of said Act, "so far as they secure copyright controlling the parts of instruments serving to reproduce mechanically the musical work, shall include only compositions published and copyrighted after this Act goes into effect, and shall not include the works of a foreign author or composer unless the foreign state or nation of which such author or composer is a citizen or subject grants, either by treaty, convention, agreement, or law, to citizens of the United States similar rights":

And whereas it is also provided by said section that "The existence of the reciprocal conditions aforesaid shall be determined by the President of the United States, by proclamation made from time to time, as the purposes of this Act may require":

Disturbances in Mexico.  
Preamble.

WHEREAS serious disturbances and forcible resistance to the authorities of the established Government exist in certain portions of Mexico; and

WHEREAS under these conditions it is the duty of all persons within the jurisdiction of the United States to refrain from the commission of acts prohibited by the law thereto relating and subversive of the tranquillity of a country with which the United States is at peace; and

Now, therefore, in recognition of the laws governing and controlling in such matters as well as in discharge of the obligations of the United States towards a friendly country, and as measure of precaution, and to the end that citizens of the United States and all others within their jurisdiction may be deterred from subjecting themselves to legal forfeitures and penalties;

A PROCLAMATION

WHEREAS by Proclamation, effective July first, nineteen hundred and eleven, certain portions of the Coeur d'Alene National Forest, together with a part of the Clearwater National Forest, were combined to form the St. Joe National Forest in the State of Idaho; and

St. Joe National Forest, Idaho. Preamble. Acts, p. 1697.

WHEREAS the State of Idaho made application under the Act of August eighteenth, eighteen hundred and ninety-four (28 Stat., 394), for indemnity selections in T. 41 N., R. 4 E.; T. 41 N., R. 5 E.; T. 42 N., R. 3 E.; T. 42 N., R. 4 E.; T. 42 N., R. 5 E.; and T. 44 N., R. 4 E.; and

Vol. 26, p. 394.

WHEREAS the said indemnity selections were not approved because the said townships were included within the said Clearwater and the Coeur d'Alene National Forests prior to the filing of the State lists; and

WHEREAS it has been agreed between the State Land Board of the State of Idaho and the United States Department of Agriculture that in consideration of the elimination of T. 41 N., R. 4 E.; T. 41 N., R. 5 E.; T. 42 N., R. 3 E.; T. 42 N., R. 4 E.; and sections 6 to 8, inclusive, 16 to 22, inclusive, 26 to 36, inclusive, of T. 42 N., R. 5 E., in order to permit the said selection by the State to be confirmed and complete title to the selected areas to pass to the State, the said State Land Board agrees to withhold application for the selection of lands in T. 44 N., R. 4 E., and in lieu thereof to make application for other selections to the amount of nine thousand eight hundred and forty (9,840) acres located within the above-described sections and townships agreed upon for elimination from the said National Forest, including all of the public lands in T. 41 N., R. 4 E.; T. 41 N., R. 5 E., and the above-mentioned sections in T. 42 N., R. 5 E.; it being further agreed that it is the intent and will be the policy of the State Land Board to hold the lands selected, as above described, in ownership of the State and to manage the same in a manner that will insure their permanent value for forestry purposes and preserve favorable conditions of stream flow, by protecting the lands from fire and other destructive agencies, and by selling the timber only under such rules and regulations as will insure reproduction of the forest.

Lands withheld for selection by Idaho.

Area diminished. Vol. 30, p. 36.

Indemnity school lands eliminated.

Now, therefore, I, William H. Taft, President of the United States of America, by virtue of the power in me vested by the Act of Congress approved June fourth, eighteen hundred and ninety-seven (30 Stat., 11 at 34 and 36), entitled "An Act Making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes," do proclaim that the said above-mentioned Proclamation, effective July first, nineteen hundred and eleven, is hereby modified so as to admit of immediate selection, as above set forth, from the said above-described areas agreed upon for elimination, by the State of Idaho, as indemnity in partial satisfaction of its common school grant; Provided, that all such selections by the State of Idaho must be filed within ninety days from the date of this proclamation; and Provided also, that the lands embraced in said selections shall, upon the approval of said selections by the Secretary of the Interior, be, and the same are, hereby, declared eliminated from the St. Joe National Forest, such eliminations to become effective from the date of such approval.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

And Whereas certain portions of said lands were not sold at said sale because of a lack of satisfactory bids:

Now, Therefore, I, William H. Taft, President of the United States of America, do hereby proclaim and direct that all of the unentered, unsold, nonmineral lands in said portion of said reservation which are not at that time embraced in any reservation, withdrawal, or valid, existing claim, shall, on October twenty-first, nineteen hundred and twelve, and thereafter, be offered for sale at public auction under the supervision of the Secretary of the Interior or such person as he may designate as superintendent of such sale, at the city of Billings, in the State of Montana, in legal subdivisions approximating three hundred and twenty acres each, as nearly as may be, except in cases where homestead entrymen, or the owners of lands patented under the homestead laws, shall request the offering of smaller legal subdivisions adjacent to the lands held by them.

Sale of undisposed of ceded lands.

No person will be permitted to purchase more than four quarter sections of said lands, or more than such area as will, when added to the lands heretofore purchased by him at said sale, not exceed four quarter sections, or at a less price than one dollar and fifty cents per acre, and each purchaser must pay not less than one-fifth of the purchase price thereof before four-thirty o'clock, P. M., on the sale day following the day on which such purchase is made. The remainder of the purchase money may be paid in four equal, annual installments in one, two, three and four years after the date of the sale. If any purchaser shall at any time fail to make any payment when it becomes due, all rights under his purchase and all moneys theretofore paid thereunder will be forfeited.

Restrictions.

Payments.

All lands offered but not sold at the sale herein directed shall thereafter be subject to purchase at private sale in the areas, at the price and under the terms, conditions and limitations herein prescribed after said sale has been finally closed.

Remaining lands at private sale.

The Secretary of the Interior and the Superintendent of the sale may, as emergencies arise, make and prescribe such rules and regulations not in conflict herewith as the proper conducting of the sale may require, and the Superintendent of the sale may reject any and all bids and may indefinitely postpone the sale, or adjourn it from time to time, as occasion may require.

Regulations.

In witness whereof I have hereunto set my hand and caused the seal of the United States to be affixed.

A PROCLAMATION

To the People of the United States:

James Schoolcraft Sherman, Vice President of the United States, died at his home in Utica, New York, at 9:42 o'clock on the evening of October 30th, 1912. In his death the Nation has lost one of its most illustrious citizens and one of its most efficient and faithful servants. Elected at an early age to the mayorship of his native city, the continued confidence of his community was shown by his election for ten terms as a Representative in the National Congress. As a legislator he at once took and retained high rank and displayed such attributes of upright and wise statesmanship as to commend him to the people of the United States for the second highest office within their gift. As presiding officer of the Senate he won the respect and esteem of all for his fairness and impartiality. His private life was noble and good. His genial disposition and attractiveness of character endeared him to all whose privilege it was to know him. His devotion to the best interests of his native land will endear his memory to his fellow countrymen.

Announcing death of Vice President James Schoolcraft Sherman.

In respect to the memory, and the eminent and various services of this high official and patriotic public servant, I direct that on the day of the funeral the Executive Offices of the United States shall be closed and all posts and stations of the Army and Navy shall display the national flag at half-mast, and that the representatives of the United States in foreign countries shall pay appropriate tribute to the illustrious dead for a period of thirty days.

Official tributes of respect directed.

IN WITNESS WHEREOF I have hereunto set my hand and caused the Seal of the United States to be affixed.

Done at the City of Washington this thirty-first day of October in the year of our Lord one thousand nine hundred and [SEAL.] twelve and of the Independence of the United States the one hundred and thirty-seventh.

## A PROCLAMATION.

Thanksgiving Day,  
1912.  
Preamble.

A God-fearing nation, like ours, owes it to its inborn and sincere sense of moral duty to testify its devout gratitude to the All-giver for the countless benefits it has enjoyed. For many years it has been customary at the close of the year for the national Executive to call upon his fellow-countrymen to offer praise and thanks to God for the manifold blessings vouchsafed to them in the past and to unite in earnest supplication for their continuance.

The year now drawing to a close has been notably favorable to our fortunate land. At peace within and without; free from the perturbations and calamities that have afflicted other peoples; rich in harvests so abundant and in industries so productive that the overflow of our prosperity has advantaged the whole world; strong in the steadfast conservation of the heritage of self-government bequeathed to us by the wisdom of our fathers and firm in the resolve to transmit that heritage unimpaired but rather improved by good use, to our children and our children's children for all time to come, the people of this country have abounding cause for contented gratitude.

Thursday, November 28, 1912, appointed as a day of general thanksgiving.

WHEREFORE, I, WILLIAM HOWARD TAFT, President of the United States of America, in pursuance of long-established usage, and in response to the wish of the American people, invite my countrymen, wheresoever they may sojourn, to join, on Thursday the twenty-eighth day of this month of November, in appropriate ascription of praise and thanks to God for the good gifts that have been our portion, and in humble prayer that His great mercies toward us may endure.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the City of Washington this seventh day of November in the year of our Lord one thousand nine hundred and [SEAL.] twelve and of the independence of the United States of America the one hundred and thirty-seventh.

National Forests in Idaho.  
Preamble.

WHEREAS, In order to provide for a proper adjustment of the claims of the State to lands within said National Forests, in satisfaction of its common school grant, a memorandum of agreement was entered into under date of October 4, 1911, between the Secretary of the Department of Agriculture, and the Governor of the State of Idaho, whereby it was agreed that the said State should relinquish all its title or claim under its grant in aid of common schools, to lands included within the said National Forests, prior to survey, being the whole or parts of sections 16 and 36, in each township, and be allowed to select other lands equivalent in acreage and value lying along and within the boundaries of said National Forests, in such position that, when eliminated therefrom, all of said selected lands will lie outside the new exterior boundaries of the National Forests; and

WHEREAS, A memorandum of agreement was entered into, under date of December 10, 1912, between the Forester, the Associate Forester, the Governor of Idaho, and the State Land Commissioner of Idaho, whereby it was agreed, as a part of the said agreement of October 4, 1911, that the State will accept approximately 275,000 acres of public lands located in Bannock, Bingham, and Bonneville Counties and adjacent to and adjoining the Caribou National Forest; and

WHEREAS, It appears that the public interests would be promoted by modifying the proclamations of the Kaniksu, Payette and Pend Oreille National Forests, so as to allow the State of Idaho, in furtherance of the aforesaid agreements, to make selections of the lands agreed upon for selection, and hereinafter described, as indemnity in satisfaction of the aforesaid portions of its common school grant;

Now, therefore, I, William H. Taft, President of the United States of America, by virtue of the power in me vested by the Act of Congress approved June fourth, eighteen hundred and ninety-seven, entitled "An Act Making appropriations for sundry civil expenses of the Government for the fiscal year ending June thirtieth, eighteen hundred and ninety-eight, and for other purposes," do proclaim that the said proclamations of the Kaniksu, Payette and Pend Oreille National Forests, are hereby modified so as to admit of immediate selection, by the State of Idaho, as indemnity in partial satisfaction of its common school grant and in furtherance of the before-mentioned agreements of October 4, 1911, and December 10, 1912, and not otherwise, of the following described lands within the said Kaniksu, Payette and Pend Oreille National Forests, to wit:
