"**SEC. 4463.** Any vessel of the United States subject to the provisions of this title or to the inspection laws of the United States shall not be navigated unless she shall have in her service and on board such complement of licensed officers and crew as may, in the judgment of the local inspectors who inspect the vessel, be necessary for her safe navigation. The local inspectors shall make in the certificate of inspection of the vessel an entry of such complement of officers and crew, which may be changed from time to time by indorsement on such certificate by local inspectors by reason of change of conditions or employment. Such entry or indorsement shall be subject to a right of appeal, under regulations to be made by the Secretary of Commerce and Labor, to the supervising inspector and from him to the Supervising Inspector General, who shall have the power to revise, set aside, or affirm the said determination of the local inspectors.

That every such vessel of one hundred gross tons and under two hundred gross tons, propelled by machinery, shall have on board and in her service one licensed mate; but if such vessel is engaged in a trade in which the time required to make the passage from the port of departure to the port of destination exceeds twenty-four hours, then such vessel shall have two licensed mates.

That nothing in this section shall be so construed as to prevent local inspectors from increasing the number of licensed officers on any vessel subject to the inspection laws of the United States if, in their judgment, such vessel is not sufficiently manned for her safe navigation: *Provided*, That this section shall not apply to fishing or whaling vessels, yachts, or motor boats as defined in the Act of June ninth, nineteen hundred and ten.

That this section shall not have the effect to release or waive any right of action by the United States, or by the District of Columbia, or by any person, for any right, penalty, or forfeiture which may have arisen or which may hereafter arise under any law of the United States or any regulation in force in the District of Columbia; and all penalties and forfeitures accruing under this section shall be cumulative, and a suit for any recovery of one shall not be a bar to the recovery of any other penalty.

Par. 94. That, first, unless the commission shall otherwise order, it shall be unlawful for any public utility within the District of Columbia to demand, collect, or receive a greater compensation for any service than the charge fixed on the lowest schedules of rates for the same service under the law in force at the date of the passage of this section; second, every public utility in the District of Columbia shall, within thirty days after the passage and publication of this section, file in the office of the commission copies of all schedules of rates and charges, including joint rates, in force at the date of the passage of this section; third, any public utility desiring to advance or discontinue any such rate or rates may make application to the commission in writing, stating the advance in or discontinuance of the rate or rates desired, giving the reasons for such advance or discontinuance; fourth, upon receiving such application the commission shall fix a time and place for hearing, and give such notice to interested parties as shall be proper and reasonable; if, after such hearing and investigation, the commission shall find that the change or discontinuance applied for is reasonable, fair, and just, it shall grant the application, either in whole or in part; fifth, any public utility being dissatisfied with any order of the commission made under the provisions of this paragraph may commence a proceeding against it in the Supreme Court of the District of Columbia in the manner as is in this section hereinbefore provided, which action shall be tried and determined in the same manner as is in this section hereinbefore provided.

Par. 95. The commission shall have the power in each and every instance to employ and to prescribe the duties of such officers, clerks, stenographers, typewriters, inspectors, experts, and employees as it may deem necessary to carry out the provisions of this section, and to fix and pay their compensation within the appropriations provided by Congress. The commission is hereby authorized, within the appropriation made by Congress, to incur and pay incidental expenses for postage, printing, blanks, books, law books, books of reference, and periodicals, stationery, binding, rebinding, repairing and preservation of records, desks, office furniture and supplies, traveling expenses of the commission, the commissioners, and every officer, agent, and employee thereof, and all other general expenses reasonably necessary to be incurred in carrying out the purposes of this section. All payments and disbursements, as provided in this section, shall be made by the disbursing officer of the District of Columbia upon proper vouchers, certified as required by the commission; and the commission is hereby also granted power and authority to designate and appoint during its pleasure such officers, clerks, inspectors, and

employees of the District of Columbia and members of the Metropolitan police force of the District of Columbia to perform any of the duties which the commission may from time to time, respectively, assign to them, and to employ any assistance and fix compensation therefor within the limits of the appropriations for its use herein or hereafter made by Act of Congress.

Par. 96. That the said commission shall hereafter exercise all the powers and have all the authority now vested by law in the Interstate Commerce Commission by virtue and under the Act of Congress approved May twenty-third, nineteen hundred and eight, entitled "An Act authorizing certain extensions to be made of the lines of the Anacostia and Potomac River Railroad Company, the Washington Railway and Electric Company, the City and Suburban Railway of Washington, and the Capital Traction Company, in the District of Columbia, and for other purposes," and said power and authority shall no longer be exercised by said Interstate Commerce Commission: *Provided*, That the orders, rules, and regulations made by the Interstate Commerce Commission shall continue to be in force until changed, repealed, altered, or amended by the commission created by this section, which said commission is hereby given power and jurisdiction to issue and, at its pleasure, to revoke all permits, or licenses, to carry this section into effect, and its rules and regulations shall be valid and binding on all public-service corporations and on all persons.

Whenever the commission shall be of opinion, after hearing had upon its own motion or upon complaint that repairs, improvements, or changes in any street railroad, gas plant, electric plant, telephone line, telegraph line, pipe line, water-power plant, or the facilities of any common carrier ought reasonably to be made, or that any addition of service or equipment ought reasonably to be made thereto, or that the vehicles or cars of any street railroad or common carrier are unclean, insanitary, uncomfortable, inconvenient, or improperly equipped, operated, or maintained, or are in need of paint, or unsightly in appearance, or that any addition ought reasonably to be made thereto, in order to promote the comfort or convenience of the public or employees, or in order to secure adequate service or facilities, the commission shall have power to make and serve an order directing that such repairs, improvements, changes, or additions to service or equipment be made within a reasonable time and in a manner to be specified therein, and every such public utility is hereby required and directed to obey every such order of the commission.

Par. 97. That all the powers created by this section and the duty of carrying this section into effect and enforcing the provisions thereof are hereby vested in and imposed on the Commissioners of the District of Columbia as a governmental and administrative agency, and said powers shall be exercised and said duties performed as additional and superadded powers to their powers and duties as Commissioners of the District of Columbia. The powers, authority, and duties hereby imposed on and granted said commissioners shall be permanent and are hereby imposed on and granted to the present Commissioners of the District of Columbia and their successors in office. The commission created by this section shall, so soon as convenient after its passage, organize by electing one of its number chairman, who shall serve until the first Monday in January, nineteen hundred and fourteen. On the first Monday in January in each odd-numbered year the commissioners shall meet and elect a chairman, who shall serve for two years and until his successor is elected. A majority of said commissioners shall constitute a quorum to do business, and any vacancy shall not impair the right of the remaining commissioners to exercise all the powers of the commission. section: *Provided*, That no license shall be granted for any saloon or barroom on any side of any square, block, or tract of land where less than fifty per centum of the foot frontage, not including saloons or hotels and clubs having barroom licenses under this section, is used for business purposes; nor shall intoxicating liquors be sold at wholesale outside of the business districts as above provided.

No saloon, barroom, or wholesale-liquor business shall be licensed, maintained, or allowed in the territory west of the following lines: The westerly line of the fire limits as now established from its southerly limits to where the same intersects with the mile limit of the Soldiers' Home; thence westerly and northerly along the said mile limit until the same intersects with Kansas Avenue; thence along Kansas Avenue to its intersection with the northern boundary of the District of Columbia.

Said board shall consider and act upon all applications for license to sell intoxicating liquors, and may require a report thereon by the chief of police, and the action of said board shall be final and conclusive. In the issuing of licenses for barrooms it shall be the duty of the excise board to adopt such a policy as will reduce the number of barrooms, including those in hotels and clubs, to not exceeding three hundred by November first, nineteen hundred and fourteen, but no licensee who shall conduct his business within the law shall be deprived of his license or required to change his location before November first, nineteen hundred and fourteen. On the granting by said board of a license to sell intoxicating liquors, the assessor shall issue a license to the applicant. Said board shall make such rules and regulations for carrying into effect this section as it may deem requisite and proper. It shall make an annual report to Congress setting forth the number of applications for license, whether favorably or unfavorably acted upon, the number of persons convicted for violation of this statute, and the number and amount of fines collected and uncollected; and said excise board is hereby authorized and empowered to summon any person before it to give testimony, under oath or affirmation, as to any matter affecting the operation of the laws regulating the sale of intoxicating liquors in the District of Columbia; and any member of the board shall have the power to administer oaths or affirmations for all purposes of administering said laws. Such summons may be served by any member of the Metropolitan police force, and the refusal or neglect of a witness to appear before the said board or to testify when required, may be punished in the same manner as a refusal to appear before the Commissioners of the District of Columbia, as provided for in the Acts of February twentieth, eighteen hundred and ninety-six, entitled "An Act to amend an Act entitled 'An Act to punish false swearing before trial boards of the Metropolitan police force and fire department of the District of Columbia, and for other purposes,' approved May eleventh, eighteen hundred and ninety-two," and July first, nineteen hundred and two, entitled "An Act making appropriations to provide for the expenses of the government of the District of Columbia for the fiscal year ending June thirtieth, nineteen hundred and three, and for other purposes." Witnesses so summoned shall be entitled to a fee of \$1.25 for each day's attendance before the said board, payable out of the contingent fund of the Commissioners of the District of Columbia; and any witness knowingly making a false statement to the said board on any material matter shall be guilty of perjury and punishable accordingly.

PAR. 3. That the said board shall appoint a clerk at a salary of \$1,500 per annum and an inspector with police powers at a salary of \$1,500 per annum. Said inspector shall make inspections as may be required by this section, under the orders of the board, and make full

report of such inspections to the board. He shall wear a badge indicating that he is such inspector of the excise board. The board shall keep a full record of all applications for license, of all recommendations for and remonstrances against the granting of licenses, and the actions taken thereon.

PAR. 4. That every person applying for a license to sell intoxicating liquors in said District shall file with the said board a petition for such license, and such petition shall be considered and acted upon by the board in the order in which such petition is filed and numbered. Said petition shall contain—

First. A statement giving the name and residence of the applicant and the time he has resided in the District of Columbia.

Second. A statement describing the particular place for which a license is desired, designating the same by street and number, if practicable, and if not, by such other apt description as will definitely locate it, and how long said applicant has been engaged in business at said place.

Third. The full name and residence of the owner of the premises upon which the business is to be carried on.

Fourth. A statement that the applicant is a citizen of the United States and a bona fide resident of the District of Columbia, and not less than twenty-one years of age, and whether such applicant has, since March third, eighteen hundred and ninety-three, been adjudged guilty of violating the laws governing the sale of intoxicating liquors or for the prevention of gambling in the District of Columbia.

Fifth. A statement that he intends to, and if licensed will, carry on such business for himself and not as the agent of any other person, company, copartnership, or corporation.

Sixth. A statement that he intends to superintend in person the management of the business for which he asks a license, and that if licensed he will so superintend the management of the business so licensed.

Said petition must be sworn to by the petitioner before a notary public or other person duly authorized to administer oaths and affirmations. If any false material statement is knowingly made in any part of said petition, the petitioner making said affidavit shall be deemed guilty of perjury, and on conviction thereof shall be subject to the penalty now provided by law for that offense; and in case a license has been issued to said petitioner the same shall be immediately revoked by said board. Notice of the filing of said petition shall be given by the applicant in such manner as may be prescribed by general rules and regulations adopted by the excise board; and if protests against the granting of such license are filed no final action shall be taken by the excise board until the protestants shall have had an opportunity to be heard, under rules and regulations prescribed by said board.

PAR. 5. That the licenses authorized and provided for by this section shall be of two classes, wholesale liquor licenses and barroom licenses. The fee for a wholesale liquor license until November first, nineteen hundred and fourteen, shall be \$500 per annum, and for a barroom license \$1,000 per annum until November first, nineteen hundred and fourteen; and thereafter the fee for a wholesale liquor license shall be \$800, and the fee for a barroom license shall be \$1,500 per annum. Every applicant for a liquor license shall deposit the amount of the license fee with the collector of taxes of the District of Columbia at the time of filing the application with the excise board. If, upon consideration of the application for license by the board as provided for in this section, the board shall decide to grant the license prayed for it shall notify the assessor, and the applicant shall thereupon receive his license; and only on the granting by said

A wholesale liquor license shall authorize the licensee to sell intoxicating liquors in sealed packages only and in quantities not less than one quart in the aggregate, except in sealed original or bonded package in quantity not less than approximately a pint, and not to be drunk on the premises where sold; and no wholesale license shall be granted until it is satisfactorily shown that the place where it is intended to carry on such business is properly arranged for selling such liquors as merchandise. Every place where intoxicating liquors are sold to be drunk on the premises or in quantities less than one quart, except in sealed original or bonded packages as aforesaid whether drunk on the premises or not, shall be regarded as a barroom; and the possession of intoxicating liquors, with the means and appliances for carrying on the business of dispensing the same to be drunk where sold, shall be prima facie evidence of a barroom within the meaning of this section, and the license therefor shall be known as a barroom license. All makers, brewers, and distillers of intoxicating liquors in the District of Columbia, shall be required to take out the wholesale license provided for in this section: *Provided*, That when such business is carried on at more than one place a license shall be required for each place. Before the excise board may grant a license to a club it must be satisfactorily shown that such club is duly incorporated; that its membership is bona fide, all being on an equal status with equal privileges and responsibilities; that its purposes are legitimate; and that the sale of liquor intended is no more than an incident, and is not a prime source of revenue. A license to a club may be issued in the name of its president, and in case of violation of the provisions of this section in such club, he and the secretary, the treasurer, and the manager of the club shall be proceeded against collectively or severally in their individual capacities and, if convicted, be subject to the penalties prescribed in paragraph fourteen of this section, and the license of said club shall be immediately revoked by the excise board: *Provided further*, That after November first, nineteen hundred and fourteen, there shall not be granted licenses to more than twenty-five clubs, including those now licensed.

PAR. 6. That under the license issued in accordance with this section no intoxicating liquors shall be sold, given away, or in any way disposed of to any minor, intoxicated person, or habitual drunkard, and ignorance of the age of any such minor shall not be a defense to any action instituted under this section; and no licensee under this section shall sell, give away, or dispense any intoxicating liquors to any person between the hours of one o'clock a. m. and seven o'clock a. m., nor on Sundays, or Inauguration Day; and between said hours, and on Sundays, and Inauguration Day every barroom and other place where intoxicating liquors are sold shall be kept closed; that no minor under the age of eighteen years shall be allowed to enter or be permitted to remain in any place where intoxicating liquors are sold, other than a hotel, restaurant, or club; that the interior of every barroom shall at all times when selling is prohibited be exposed to full view from the street, without obstruction by screens, blinds, curtains, stained glass, bottles, boxes, signs, or other material, except in the case of clubs licensed under this section and hotels having only an interior barroom, which shall be exposed to full view from the corridors or passageways leading to the entrance or entrances to such barroom.

That regularly licensed druggists or pharmacists shall not be required to obtain license under the provisions of this section, but they shall not sell intoxicating liquors, nor compound, nor mix any composition thereof, nor sell any malt extract, or other proprietary medicines containing more than two per centum of alcohol, except such compounds, compositions, malt extracts, or proprietary medicines be so medicated as to be medicinal preparations or compounds unfit for use as beverages, except upon a written and bona fide prescription of a duly licensed and regularly practicing physician in the District of Columbia, whose name shall be signed thereto. No such prescription shall be filled more than once.
