PROTOCOL OF EXCHANGE.

Notification of ex-
change of ratification.

The undersigned Plenipotentiaries having met for the purpose of exchanging the ratifications of the Treaty signed at Bogota, on April 6, 1914, between the United States of America and Colombia, providing for the settlement of differences arising out of the events which took place on the Isthmus of Panama in November, 1903, and the ratifications of the Treaty aforesaid having been carefully compared and found exactly conformable to each other, the exchange took place this day in the usual form.

Explanatory state-
ment.

With reference to this exchange the following statement is incorporated in the present Protocol in accordance with instructions received:

1. In conformity with the final Resolution of the Senate of the United States in giving its consent to the ratification of the Treaty in question, the stipulation contained in the first clause of Article one by which there is ceded to the Republic of Colombia free passage of its troops, materials of war and ships of war through the Panama Canal, shall not be applicable in case of a state of war between the Republic of Colombia and any other country.

2. The said final Resolution of the Senate of the United States signifies, as the Secretary of State in effect stated in the note which he addressed to the Colombian Legation in Washington on the 3rd day of October, 1921, that the Republic of Colombia will not have the right of passage, free of tolls, for its troops, materials of war and ships of war, in case of war between Colombia and some other country, and consequently, the Republic of Colombia will be placed, when at war with another country, on the same footing as any other nation under similar conditions, as provided in the Hay-Pauncefote Treaty concluded in 1901; and that, therefore, the Republic of Colombia will not by operation of the declaration of the Senate of the United States above mentioned, be placed under any disadvantage as compared with the other belligerent or belligerents, in the Panama Canal, in case of war between Colombia and some other nation or nations. With this understanding the said Resolution has been accepted by the Colombian Congress in accordance with the dispositions contained in Article two of Law fifty-six of 1921, "by which is modified Law number fourteen of 1914" approving the Treaty.

IN WITNESS WHEREOF, they have signed the present Protocol of Exchange and have affixed their seals thereto.
